on New Milford Schools

June 2023, Volume 13, Issue 11

A Brief Message from Our Superintendent - Dr. Janet Parlato

Congratulations Class of 2023!

On Saturday, June 24, 2023, the New Milford community proudly recognized graduates of the Class of 2023 in graduation ceremonies at the Joe Wiser Stadium at New Milford High School. NMPS staff, their families and friends were honored to join the graduates in celebration.

Here's hoping that you are enjoying the summer days so far! These days provide students and staff with opportunities to recharge and relax. Our district is still open for business with extended school year programming, summer school, and credit recovery classes, and we also enjoy hosting Youth Agency programs in our buildings. Our Facilities crew is busy painting, moving classroom furniture,

waxing floors, and beautifying our grounds. Our administrators are planning for an exciting year ahead, and we can't wait to share our ideas for 2023-24 with you. Teachers are writing curriculum, and you'll find friendly greetings from our office staff at each school. Our work doesn't stop on the last day of school in June ! We miss seeing our students each day, and we are carefully preparing for their arrival at the end of August. Until then, I wish you have sunny days, refreshing breezes, and time together with your children. As always, thank you for your support of our students and our schools.

CONGRATULATIONS CLASS OF 2023

GRADUATION

Board of Education Members

Member Brian McCauley is missing from this picture

Congratulations & Best Wishes NMPS Retirees!

Thirteen of our retiring staff members attended the Board of Education recognition on June 20th, representing 305 years of service to the district! We are so grateful for the efforts and care of our staff members!

U.S. Navy Award: Chayten Prashant, Jmere Robinson-Witherspoon

Valedictorian: Connor Sterling

Western CT Superintendent's Award: Nicholas Carroccio, Diya Sukumaran

Many thanks to all of the groups who presented a scholarship or award. Your assistance will enable many students to accomplish far more than they otherwise could have.

Congratulations to the New Milford High School Chorus and Band, who were named the recipients of the 2023 Hersheypark Music Showcase Festivals Grand Sweepstakes Award for the High School choral and instrumental categories. Their ensembles received the highest score out of all the choral and instrumental ensembles that participated in all of the Hersheypark Music Showcase Festivals at the AAA level this year!

Click below on the YouTube link to watch the Advanced Chorus performing "I Lived" from their Chorus Showcase performance. The song was selected because of the way the lyrics equally celebrate all that has happened and all that is to come. The number was staged to start with the seniors and end with the underclassmen as a symbolic nod to these bittersweet new beginnings. Enjoy!

NMHS Advanced Chorus - I Lived, arr. Jacob Narverud

NMHS Students Earn Seal of Biliteracy

The Connecticut State Seal of Biliteracy recognizes public high school graduates meeting rigorous standards and demonstrating bilingualism and biliteracy in English (by completing all English Language Arts requirements for graduation) and one or more other languages. Proficiency in the second language is measured by success on a state-approved assessment such as the Advanced Placement (AP) World Language and Culture exam or the ACTFL Assessment of Performance toward Proficiency in Languages. This year, ninety high school students have achieved this outstanding accomplishment.

Congratulations!

Tiny Pride Preschool

Congratulations to our Tiny Pride Preschool at NMHS for completing its 25th year of programming for the youngest learners and our high school

So Long, High School!

Band on point on graduation day

students interested in pursuing
the field of education!

Regional Healthcare Job Shadowing

Job shadowing allows students to gain educational insight and experiences outside the classroom. The students pictured above have participated in the Regional Healthcare Job Shadowing Program and have completed 16 weeks of job shadowing this year at Danbury Hospital and New Milford Hospital. NMHS students who take Allied Health Careers are able to apply to this program. Karen Moore from Ed Advance manages the program, while Mrs. Benson advises NMHS students.

Maddie Bell shares her experience of being a part of the program. “As a junior in high school, who has participated in the Regional Job Shadowing Program, it has been so much fun learning new things, meeting the nurses and staff, and experiencing opportunities that most high schoolers don’t get. My experience at Danbury Hospital has been valuable in my learning. I have shadowed RNs (Registered Nurses) and PCTs (Patient Care Technicians) on the ortho/neuro/trauma unit for post/pre-ops. I cannot say enough about how great this program is and how it has influenced me.

As a junior in high school, I still have a long way to go, but I can say that I have a greater understanding of what it takes to become an RN or a PCT, what I want to do, what I don’t want to do, and I’ve gained a better understanding of myself given this opportunity.”

LHTC News

On June 20th, the Litchfield Hills Transition Program celebrated five graduates from their program. Congratulations!

SMS News

The end of the school year was HUGE for students at SMS as we wrapped up athletic competitions and music concerts, went on field trips, celebrated student accomplishments at our Annual Awards & Recognition Program, and held Field Day for all students. The end of the year was especially memorable for our 8th grade students as they wrapped up their time at SMS with the Class of 2027 "5th Grade Send-Off," Dinner Dance, a trip to Lake Compounce, a legacy project and Promotion! Congratulations to all of our 8th graders that are moving on to high school next year. It has been a privilege growing with you at SMS!

8th Grade Legacy Project

This year a group of energetic, community oriented, and dedicated 8th graders had a vision of ensuring that their legacy at SMS was cemented. In partnership with PTO volunteer Sandra Violette and Mr. Durrwachter (Art Teacher at SMS), the group designed and then created a tree that will be displayed at SMS for years to come. The leaves are made of wooden discs, each of which has been painted and many of which include the thumb print of an 8th grade student or a staff member at SMS. Many thanks to the following students for starting what we hope will be an annual tradition at SMS: Josh Violette, Aarya Shah, Leah Brunner, Emma Williams, Claire Christian, Michah Curtis, Mia Marchena, Brynn MacDonald, Kasey O'Neill, Rayne Gaudette, Richie Gregory, and Lana Bramhall. Thank you for helping the Class of 2027 leave their mark at SMS!

Also during the month of June, students in Mrs. Lail's Life Skills class went to Northville Elementary School to read to students in Kindergarten. We are very proud of our SMS students for the bravery they showed and for helping to build community with younger students!

Class of 2027 "5th Grade Send Off"

This June the Class of 2027 finally got to experience their 5th grade send-off thanks to the time and generosity of the PTO. The send-off was held at Baldwin Park and included a full day of food, games, inflatables, and yearbook signing. Many thanks to our wonderful volunteers for planning and supervising this event. Our students and staff had an amazing time!

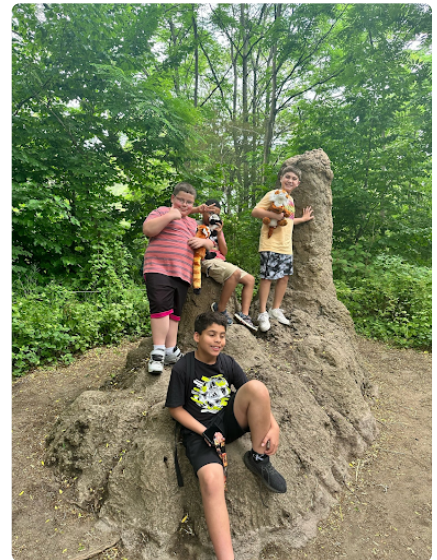

SNIS News

Field Tripping Once Again!

At SNIS we have been very excited for students with the generous support of the PTO, to once again attend field trips outside of school, some for the very first time. The 5th graders went to Soundwaters, 4th graders to the Bronx Zoo, and the 3rd graders went to a number of smaller trips including, White Memorial, the Indian Institute, and Sullivan Farm. It has been a joy to see our students benefit from these rewarding trips!

Unified Arts Day and 5th Grade Send Off

In June, we celebrated with our 3rd and 4th graders at Unified Arts Day! This outdoor day for our students combines all the fun activities of a typical field day with Art, Music, Health, Library activities added in as well. This creates a fun and memorable day for our students!

With the generous support of our PTO our 5th graders enjoyed a fantastic Send Off! This day was filled with dancing, games, races, painting, and of course a cooling off courtesy of the NM Volunteer Firefighters! Students had a wonderful time!

Field Tripping!

Crocodile River

Finally, SNIS celebrated our last week with our old friends Crocodile River, who brought African music, art, and dance to SNIS once again! Students sang, danced, and had a wonderful time!

Another Successful Walking Project!

Congratulations to the Sarah Noble Fifth Grade for walking 52,470 steps during the 18th annual Walking Project! The closing ceremony celebrated the students' healthy choices and activities!

Successful Super Snack Store!

The employees of the Super Snack Store would like to thank you for your patronage. After an employee vote, we decided to donate proceeds to Animal Welfare as well as to Camella's Cupboard. We look forward to serving you next year! Thank you! 😊

HPS News

There were a lot of activities packed into June and students had a blast the last few weeks of school. HPS students loved having high school students visit. Thank you to NMHS students from the Children's Literature classes who came and read their own stories to our students. Students loved hearing the stories that the high school students wrote and enjoyed doing activities with them. Our kindergarten students were thrilled that they also stayed to eat lunch with them. Another thank you goes out to students from the NMHS Wingman program that came to HPS and worked with our 2nd graders. Students completed activities that helped to promote gratitude and kindness.

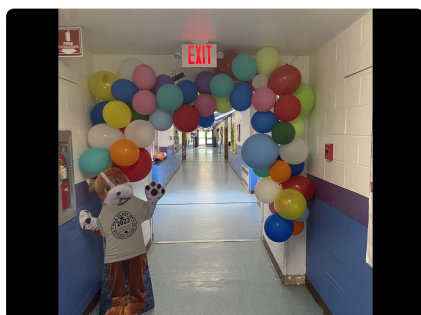

Our annual Field Day was held earlier this month. Students had fun rotating through various activities, getting wet and having ice pops! Thank you to Ms. Stratman who ran her first Field Day at HPS. It was a huge success!

2nd graders at HPS had a particularly busy June. They kicked off the month visiting Sarah Noble Intermediate School, where they learned more about what their 3rd grade year will look like. Students also had an opportunity to meet their pen pal from Northville during the trip. Later in the month, our 2nd graders were sent off with fun during the day and singing at night. The PTO sponsored the grade 2 sendoff during the day which included different activities outside and a BubbleMania Assembly in the cafeteria. The same evening, 2nd graders performed their grade 2 concert led by Mrs. Haynes. Some students also had the opportunity to share their memories of HPS during the event. Congratulations to our 2nd graders and we wish them the best of luck at SNIS.

Hill and Plain would like to congratulate two of our staff who are retiring. Mrs. Beckett, one of our amazing paraprofessionals and Ms. Andrea, one of our marvelous kindergarten teachers, are

retiring this school year. They both played very important parts to the success of our school and they will be missed as we try to fill their shoes. We wish them a very happy and well deserved retirement.

We hope all of the New Milford Public Schools community has a happy and safe summer break!

2nd Grade Sendoff

Sharing Memories of 2nd Grade

BubbleMania!

Field Day!

NES News

June ended with a bang! 1st grade had a field trip to the Pratt Center, we had many assemblies including: Science in Motion, Animal Embassy, and Earnie Sites the yodeling cowboy! The 2nd grader visited Sarah Noble to tour the school and they had the opportunity to meet their Hill and Plain pen pal!

Field Day was our big ending to the school year for all our students!

They enjoyed many stations around the Northville property to play games with friends and even get a little wet too! As the year came to an end, Northville would like to wish Mrs. Sue Waldman a wonderful retirement - you will be missed by the students and staff at Northville! Our motto for the 2022 - 2023 school year was #WeCanDoHardThings

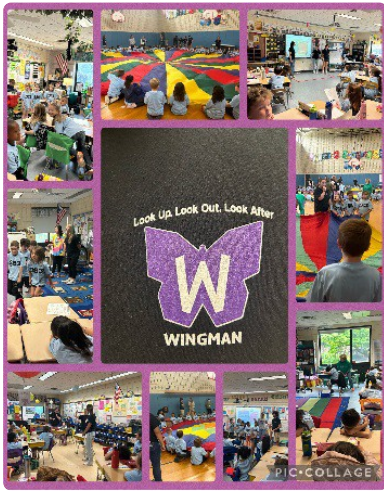

**Mrs. Susan Waldman and
her husband**

Field Day

Our 2nd grade students had a bittersweet ending to their time at Northville... they started Kindergarten in hybrid mode & masks and ended it at their send off inside due to smoky air. Still lots of fun was had! The second graders started their day with the New Milford high school Wingman students working on showing kindness towards others.

The afternoon was spent enjoying a bounce house, DJ, and Animal Embassy. We held off on the Dunk Tank until the end of the week but boy did the kids have fun ... it was a little cold for Mrs. Gallagher, Mrs. Tufts. And Mrs. Esposito.

Mrs. Tufts
