Bids Due on or before 10 a.m. on April 25, 2023

Please see the scope of work for CA services for the Leland School District Football Stadium Project.

This is based on Board of Architecture rules.

1. Visiting the construction site at intervals appropriate to the contractor's operations to determine that the work is generally proceeding by the technical submissions submitted to the owner and/or the building official at the time the building permit was issued; and
2. Processing shop drawings, samples, and other submittals required of the contractor by the terms of construction contract documents; and
3. Notifying an owner and any building official of any code violations; changes that affect code compliance; the use of any materials, assemblies, components, or equipment prohibited by a code; major or substantial changes between such technical submissions and the work in progress; or any deviation from the technical submissions which the architect identifies as constituting a hazard to the public, which the architect observes in the course of performing the architect's duties.

Fees shall be fixed fees, but these fees are paid monthly based on a percentage of the completion of construction.

Some mileage reimbursement may be billed if the firm is outside 30 miles radius of the project.

If further information is needed, don't hesitate to contact the Superintendent's Office at 662 686 5000.
