

3rd Grade School Supply List

LCES 2023-2024

- 1 pair of headphones (preferably no earbuds as these get very tangled)
- 2 spiral notebooks
- 1 pack of 24 crayons or colored pencils
- 2 packs of black skinny expo markers
- 1 pair of scissors
- 1 pack of highlighters
- 1 pack of sharpened #2 pencils
- 1 plastic folder without prongs

The 3rd grade teachers have taken an inventory on their supplies and we have an abundance of a few items like; glue sticks, erasers, loose leaf paper, and markers so we have left these items off of our supply list intentionally this year in an effort to make our list shorter and much more affordable for our families. Students will also use plastic baskets that we will supply to keep their desk materials/supplies organized since they hold much more than the average pencil box.

Extra items that are greatly appreciated are:

- Individually wrapped candy
- Individually wrapped snack items
- Band-aids
- Gallon size Ziploc bags
- Quart size Ziploc bags
- Tissues

A school supply fee of \$12.00 is due at open house or during the first week of school.
