 - We will screen all new to the district students as well as any requests from teachers

- Narcan/Fentanyl Awareness
 - All counselors, principals, office personnel, nurses, and SROs attended a Narcan training in August during our back to school inservice training. This was put on for free from a non profit organization called Drew's 27 Chains. They also provided Narcan to the district for free.

- Drew's 27 Chains
 - The counselors would like to use Drew's 27 Chains to bring information to our students 6-12 on Fentanyl Awareness. This program would be presented to the students during Fentanyl Awareness Week on Oct 23, 2023.
