

DEMAREST PUBLIC SCHOOLS

The mission of the Demarest School District is to meet the needs of all students to prepare them for a rapidly changing world. Through collaboration, we provide a caring environment that fosters academic excellence, cultural appreciation, ethical behavior, and democratic values.

We support individuality and learner diversity that enables every student to realize his or her full potential. We seek to build collaborative partnerships among our students, staff, parents/guardians, and the community that foster growth and student achievement.

The Demarest Public Schools aspire to create an environment that cultivates a lifelong love of learning and an exposure to new and creative ideas. This philosophy, combined with our proud traditions, will help to shape a positive future for our students.
