

Call Out for December 2, 2022

This is Richard Dennis, Superintendent of Elmore County Public Schools.

Only two more weeks of school left before First semester ends, so encourage your student to finish these last two weeks by completing all assignments and being prepared for semester exams.

Early Wednesday morning a tornado touched down in Elmore County in several locations. We are thankful that there were no lives lost in Elmore County and our prayers go out to the family of those lost in Montgomery County. I want to thank Stanhope Elmore High and Wetumpka High Schools for their support of the tornado clean-up response. Over 200 students from these two schools participated in helping remove debris from the property of those impacted on and along Willow Springs Road. Those groups participating included the Stanhope Elmore JROTC, girls basketball team, boys basketball and baseball teams; and from Wetumpka High School the 9-12 football team members participated. Additionally, there were numerous teachers, coaches, staff and a number of parents joined the effort to help those impacted. Again, thank you for helping our community in a time of need.

If you would prefer to get my call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Have a great afternoon and enjoy the week ahead!

*Every Student Empowered, Every Student Succeeds.*

Richard Dennis
