Monday - 9 weeks EXAM REVIEW

Parents: Recently we have had an increase in behavioral issues in the classroom. We are reaching out to you to request your assistance in improving behavior. It is important that your child understands the need to follow our school rules. Please remind your student that classroom disruptions hinder the educational process of not only themselves but their classmates as well. If the behavior does not improve and we continue to have incidents, office referrals will be made and attending any school functions could be prohibited.
