1. If the district is fractional, write the names of the children in cach township separately under the name of the township, beginning with that township in which the schoolhouse or site is situated. A separate statement must be made to the clerks of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district lying within their respective townships. 2. If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary foolscap paper, properly ruled, and attach the same to his sheet. Do not use additional blanks. 3. The ages of the children must be given as they are on Juno 1, 1913. If a child removes from the district during the infleen days preceding June 1, he should be carolled in the district in which he is resident June 1. 4. Place opposite the names of pupils curvelled in 7th or 8th grade in the column provided, the number of grade in which they are enrolled. The total must agree with items 2a and 2b, front of blank.
