

The Sleuth Scoop

WHAT'S UP IN...

First, Second, and Third grade teachers would like to thank all the parents who attended the first "Parent Academy". We were able to introduce our new reading curriculum, inform parents of each grade level's expectations, and answer important information concerning STAR testing results and other academic related questions. We are so thankful for parents who are involved in their child's educational journey.

Granola with the Grands was a huge success! Thank you to all who came to be a part of a special snack with our students in grades PreK-3rd grade. We had 116 people participate in the event held on the front lawn of the school. The weather was perfect and our students enjoyed some special time with family. Thank you for your involvement in our young ones' lives!
