Every student was allowed to view the doors school wide and vote on their top three favorites. Our PTO has provided prizes for the winners.
- We also had a Santa Shop where students could buy small gifts. Our PTO put on this fundraiser.
- Math Night was held on December 12th. Santa came to visit.
- December 19 will be our monthly house day and our PBIS reward.

PRINCIPAL COMMENTS

- This summer our school will be renovated. The following are some of the changes being made: new roof, demo the trailer, add black top to the car rider line and make additional parking spaces, cafeteria serving line, closing in the stage to make areas to work with students, and a new mural painted in the cafeteria. The front office will also undergo a facelift; removing the carpet and bringing the front desk up to the window. All carpet in the building will be taken up and replaced with laminate flooring and the restrooms will be painted and get new floors. New signage on the inside and outside. The blue trim will be replaced with black. We will also be adding new playground equipment to the small playground. This will be for primary students and will feature a climbing area with slides and a sensory area.
- Mrs. Owen went over the results of the Studor Survey with the council. We received a 4.19.

- Mrs. Alyssa Hollimon, our Curriculum Specialist, has taken a job as the Assistant Principal at Crofton School. Her current job will not be posted immediately and will be reevaluated in the spring.
