

1:1 Mission Statement

The Mission of Tawas Area Schools' 1:1 technology initiative is to enhance instruction and assessment in a variety of ways.

Primary Goals of the 1:1 Initiative:

1. Prepare our Tawas Area students to be career and college-ready
2. Enhance curriculum in all areas
3. Improve instruction in all areas
4. Improve students' digital assessment skills
5. Reinforce/enhance students' technology skills across all subject areas

Anticipated Outcomes of the 1:1 Initiative:

1. Improve student achievement
2. Increase opportunities for differentiation, efficiency, instruction and learning
3. Increase student collaboration
4. Increase student/teacher and teacher/parent communication
5. Decrease building/district paper copy costs
6. Decrease usage and replacement of printers/copiers
7. Provide updated text more frequently with Ebooks
8. Provide Ebooks that are more convenient than textbooks for students
