**Dr. Angela Jacobs, Interim Superintendent**

## **IMMEDIATE RELEASE**

**July 2, 2025**

Dear Williamsburg County Community:

I am honored and excited to introduce myself as the Interim Superintendent of Williamsburg County School District. Some of you may recall my work here previously as District Transformation Coach. I am excited to serve in this new role and look forward to partnering with you in the vital work of educating and empowering our students.

I would like to acknowledge Dr. Kelvin Wymbs' efforts in leading the Williamsburg County School District since 2022. I had the opportunity to support him as District Transformation Coach and know that the foundation that was laid by his administration has greatly contributed to the district's academic progress.

I believe that through effective leadership, we can cultivate classrooms where every student is challenged, supported, and inspired to reach their fullest potential. We will continue to build a strong, positive culture across our schools and district—one that is inclusive, collaborative, and centered on the belief that all students can achieve at high levels. By fostering a supportive environment for both students and staff, we create conditions where excellence thrives.

Equally important is the development in systems, structures, and processes that are aligned with our mission to deliver a world-class education. We will ensure our strategies are grounded in data, driven by fairness, and implemented with fidelity. Central to this vision is our commitment to a rigorous, innovative curriculum that not only meets academic standards but also ignites curiosity, creativity, and a lifelong love of learning. Together, we will champion instructional practices that prepare students for success in college, careers, the military, and life.

As we move forward, I welcome open communication and collaboration with all members of the district community. I am here to listen, learn, and lead with integrity, transparency, and purpose.

Thank you for your continued dedication to our students. I am truly excited about the journey ahead and all we will accomplish together.

With great respect and commitment,

Dr. Angela K. Jacobs
