

## What is a School –Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

### *Jointly Developed*

The parents, students, and staff of Indian Creek Elementary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

Parents are welcome to contribute comments at any time.

**OUR MISSION:** *Creating a stronger community through an excellent and equitable education for every student*

## Our Goals for Student Achievement in 2022-2023

### K-8 District Goals:

- During the 2022-2023 school year, Coffee County Schools will increase the percentage of students scoring at the Developing level or above on all English/Language Arts End of Course (EOG) assessments.
- During the 2022-2023 school year, Coffee County Schools will increase the percentage of students scoring at the Developing level or above on all Mathematics End of Course (EOG) assessments.

### School Goals (Grades 3-5)

- In grades 3-5, increase the number of students scoring Level 3 and Level 4 on the Ga Milestones Assessment in ELA, Math, and Science by 5% using the Spring 2023 Milestones scores as a baseline.
- Increase the overall performance of subgroups by 5% on GMAS using Spring 2023 GMAS data as a baseline, (Economically Disadvantaged, English Learners, Students with Disabilities, Black, Hispanic, and Mixed Races).
- In 2nd-5th Grades, increase the number of students reading on grade-level or above measured by the lexiles on Star Reading Assessment.

# Teacher, Parents, Students—Together for Success

## School/Teacher Responsibilities

Indian Creek faculty and staff members will work with students and their families to support students' success in all areas of the curriculum and behavior. Some of our key connections with families will be:

- Provide instruction to increase the percentage of students scoring at or above the Developing level on the Ga. Milestones in ELA and Math.
- Offer free Family Engagement Nights and activities to provide support in reading, writing, and math.
- Provide support by sharing educational websites, learning activities, and strategies that can be used at home in the areas of reading, writing, and math.
- Focus on improving social, emotional, and academic outcomes for all students.
- Communicate regularly with parents to inform them about their child's academic progress.

**Student Responsibilities** Indian Creek Elementary students join staff and parents to develop ideas about how they can succeed in school and work towards meeting their goals.

- Come to class on time and prepared to learn and do my best every day.
- Spend time reading a book each night.
- Study math facts to improve fact fluency.
- Practice skills by using the educational websites, learning activities, and strategies provided by my teacher at school.
- Be respectful, responsible, and safe by following all rules of Indian Creek's PBIS plan.

## Family Responsibilities

Indian Creek parents joined staff to develop ideas about how families can support student's success in all content areas as well as behavior. Families may have other ideas to add to this list.

- Look for and read the class and school newsletters/calendars and frequently visit the school website and Facebook for updates.
- Read with my child regularly and listen to him/her read library books.
- Use websites, learning activities, and strategies to practice math fact fluency and other academic skills at home.
- Encourage my child to follow all of the rules of Indian Creek's PBIS plan.
- Communicate regularly with my child's teacher to monitor academic progress.
