Crown Jewel 1978

*Lake Wales High School
Lake Wales, Florida*

*With dew about my feet may I walk
with beauty may I walk.*

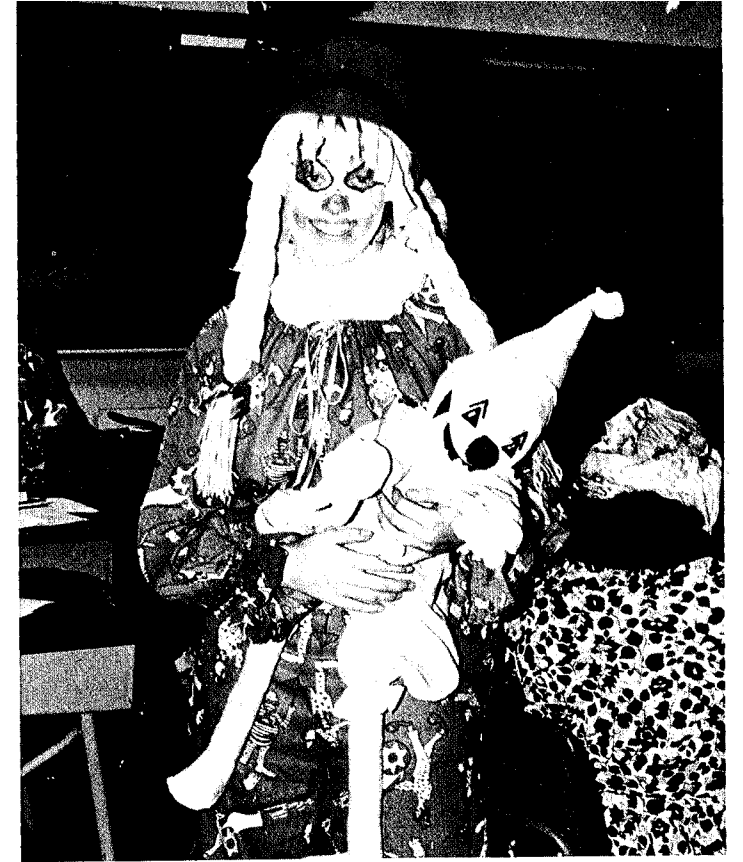

I Know

*There will be another lily
But it will not be this lily
There will be another year
But it will not be this year
There will be others here
But not one will be you*

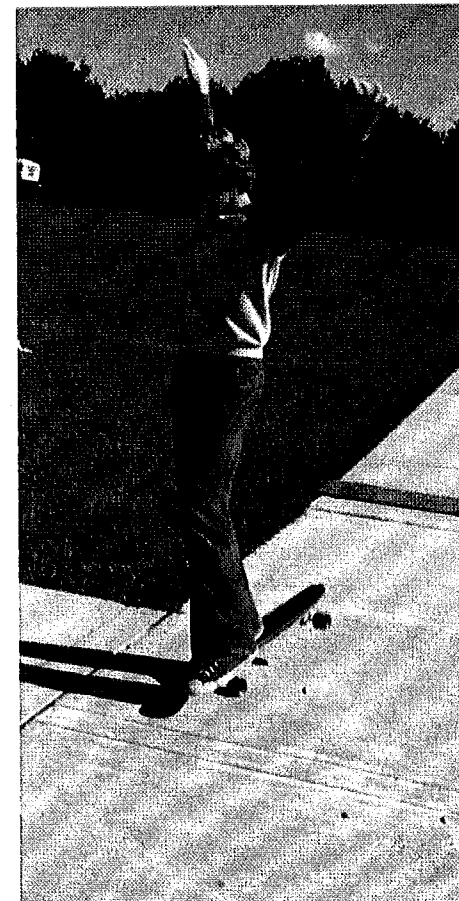

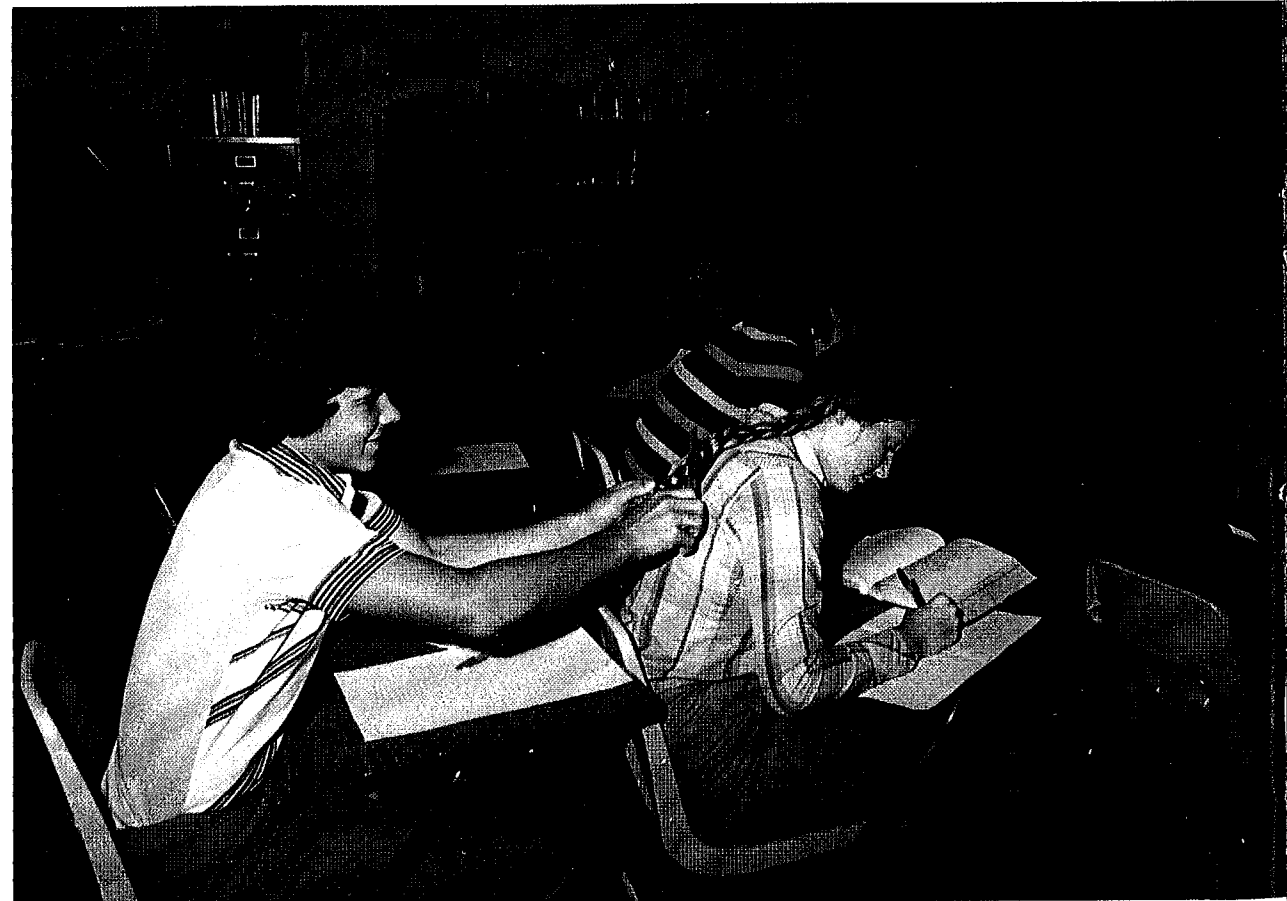

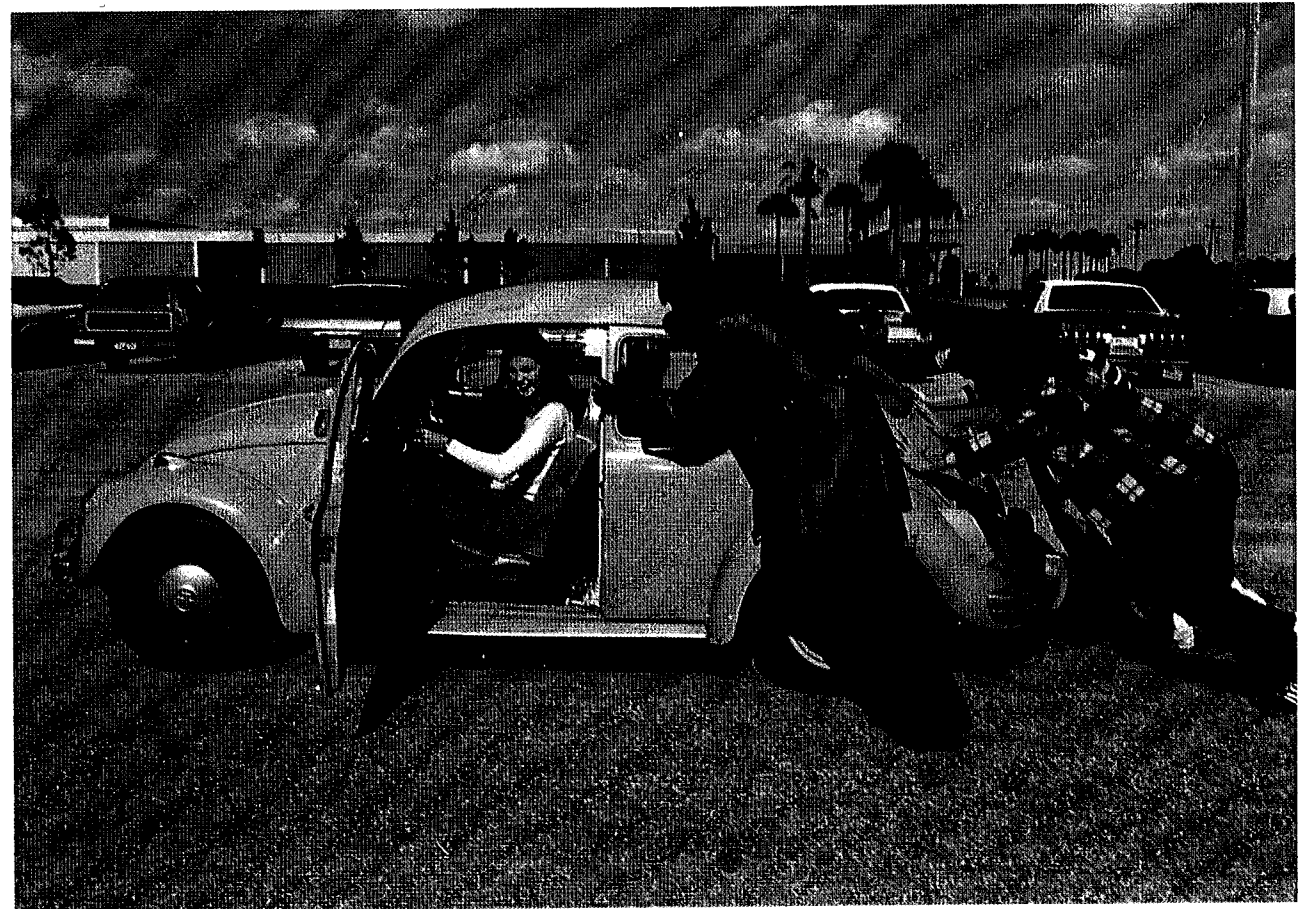

Each Of Us Is

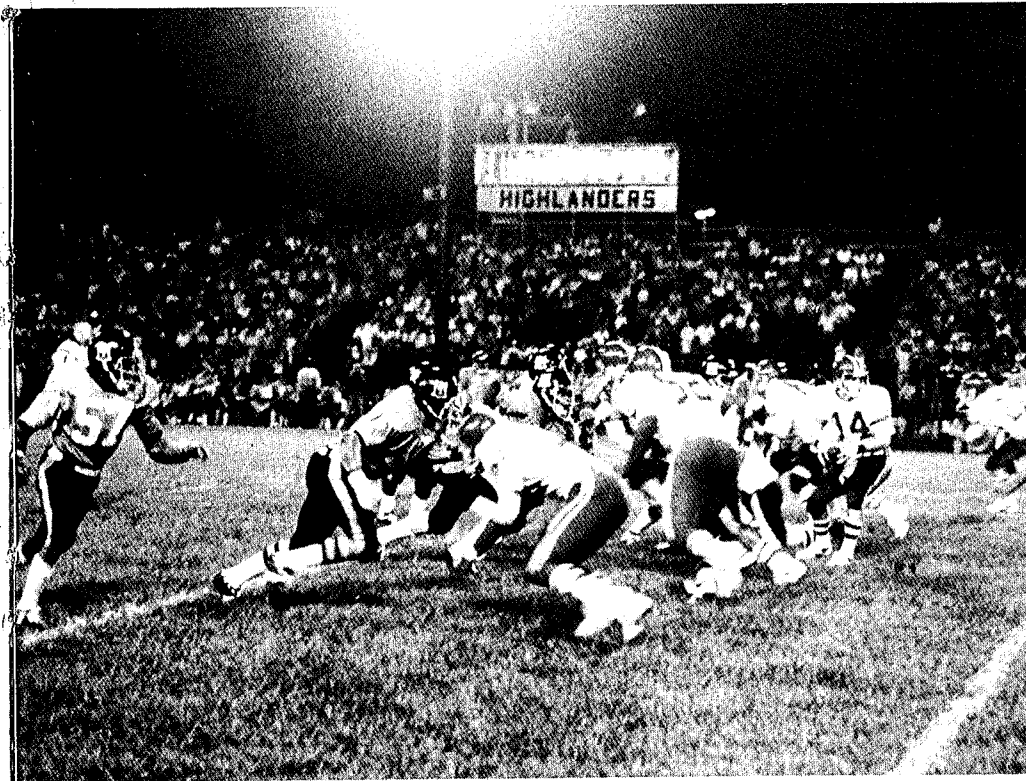

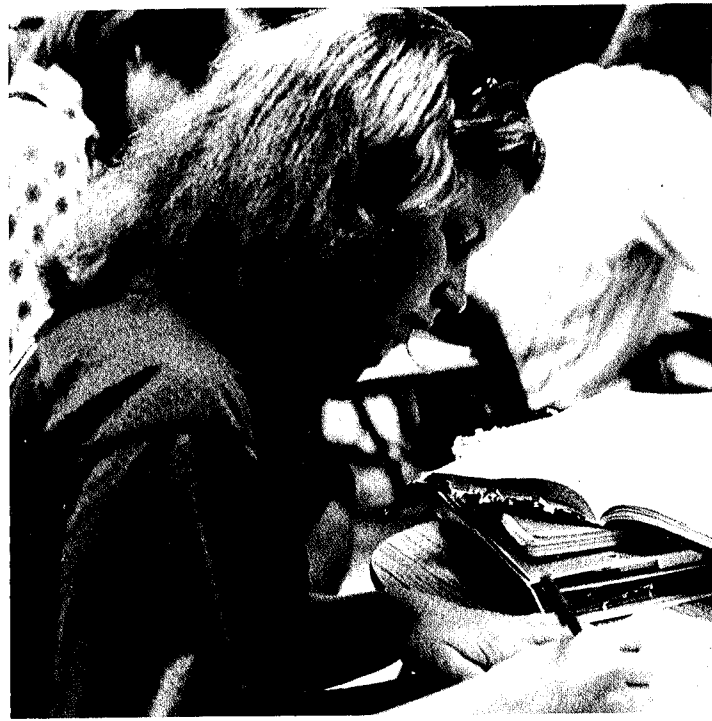

A special creation in process. We strive to be a part of the crowd. We search for our own true selves. Not one of us is a xerox copy.

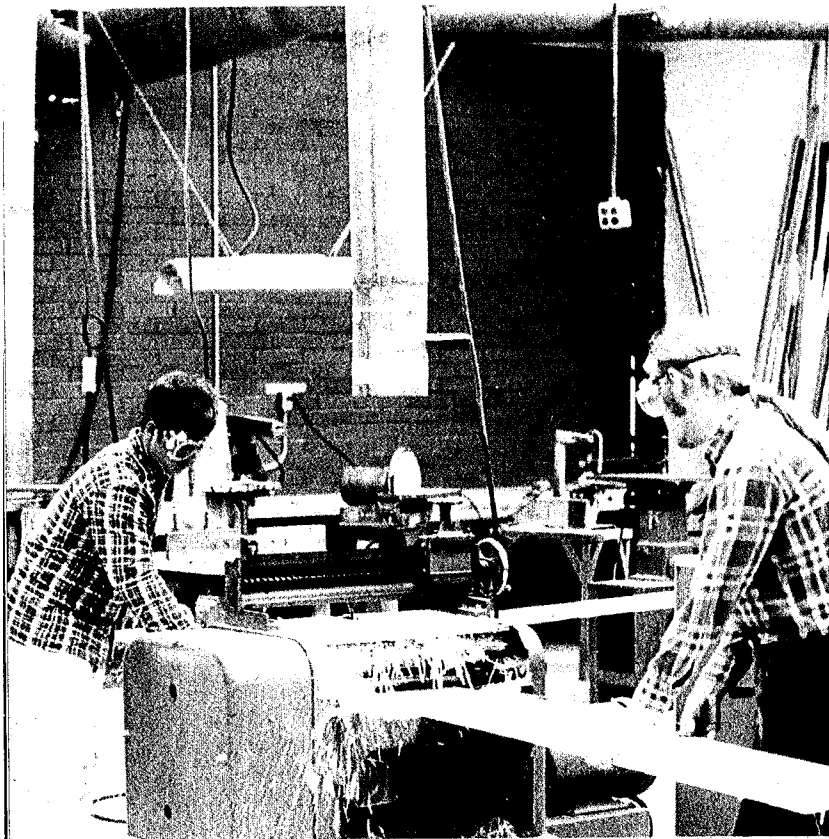

*Sometimes We Are
Just a bunch of kids,
Free to dream
Free to be . . .*

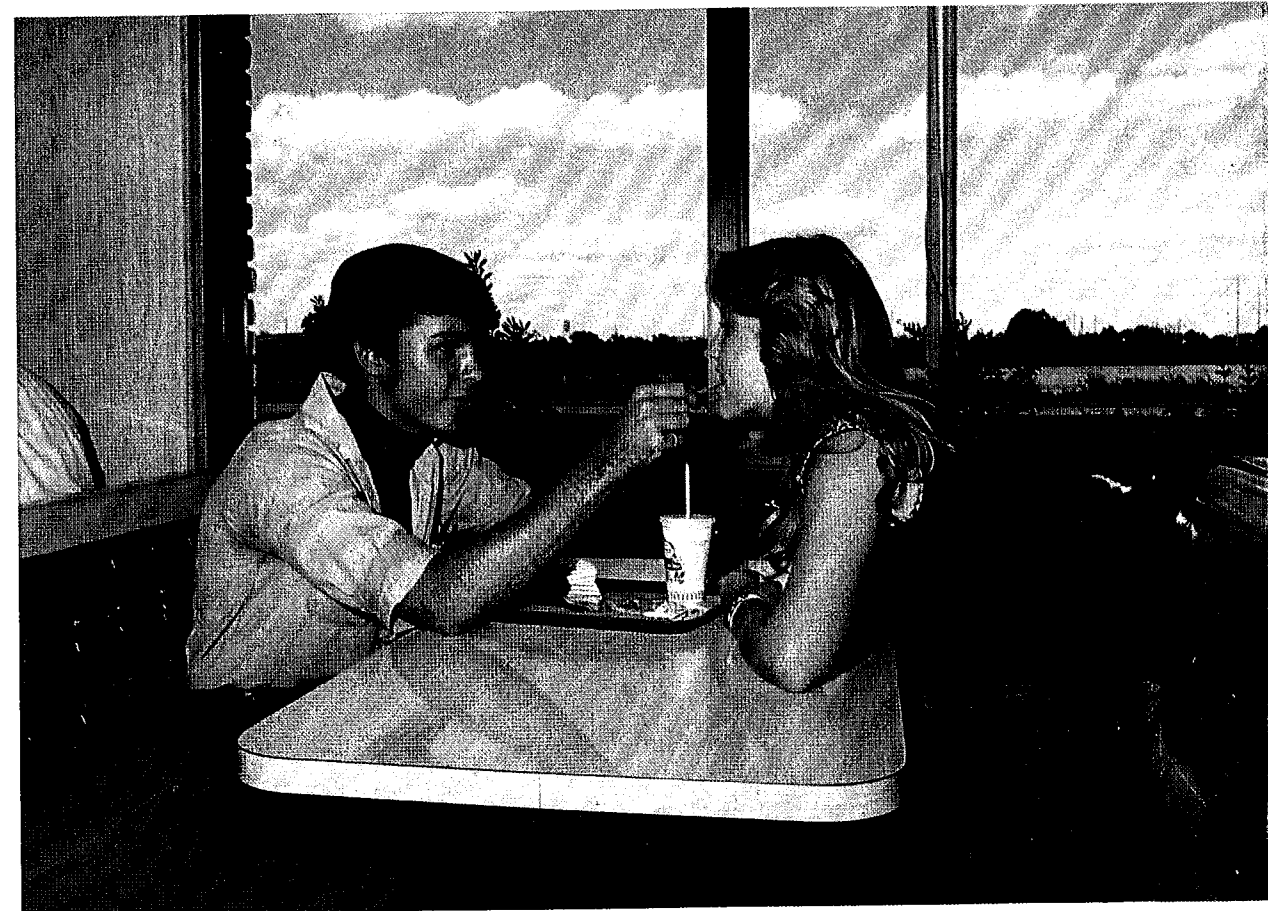

*Sometimes We Are
So involved, caught up
In a whirlpool
Of work and study.*

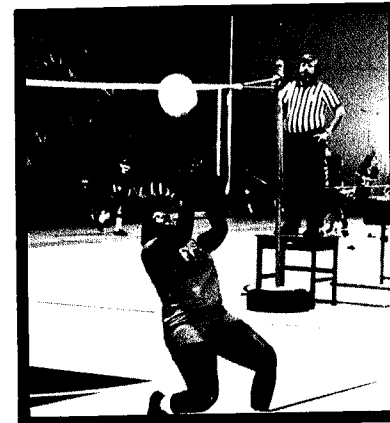

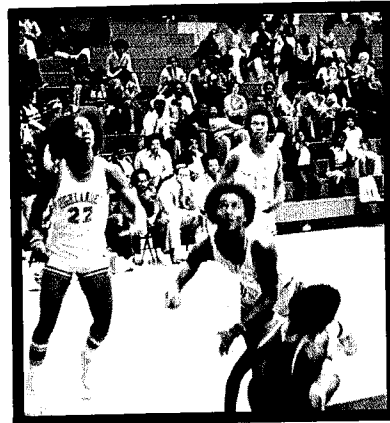

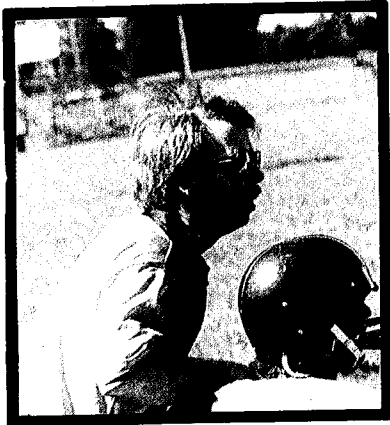

Above All We Value Friends

*I'm happy to know you.
I'm happier still
To know you're coming.
I'm happiest of all
To have you in view.*

*And there should definitely be
One more
To describe the feeling I have
When I'm with you.*

Suspense Ends: King And Queen Crowned

Excitement filled the half time air. Legion field was packed to its capacity. On the field stood the twelve anxious senior representatives. We held our breath. The microphone in the press box announced Katy McKenna as our homecoming queen and Chris Daly chosen king. We breathed for the first time this week.

1. Players crash sign. 2. Homecoming king and queen. 3. Senior representatives: C. Williams, S. Jack, M. Reeves, J. Beasley, K. McKenna, H. Green, R. Meeks, C. Daly. 4. J. Beasley Drum major. 5. King, Chris Daly. 6. Underclass representatives: K. Gipson, L. Smith, J. Klutterman, B. Clifton, W. Betrand, D. Sharpe. 7. Football Sponsors: G. Jahna, J. Moment. 8. Katy McKenna: Queen.

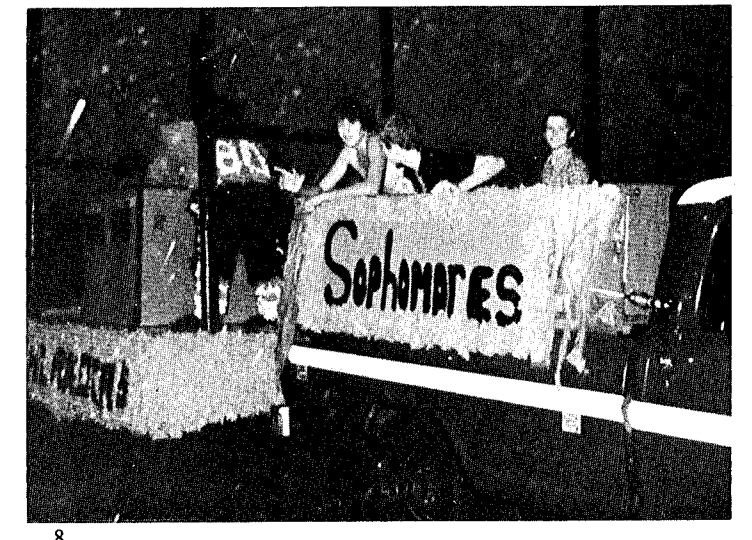

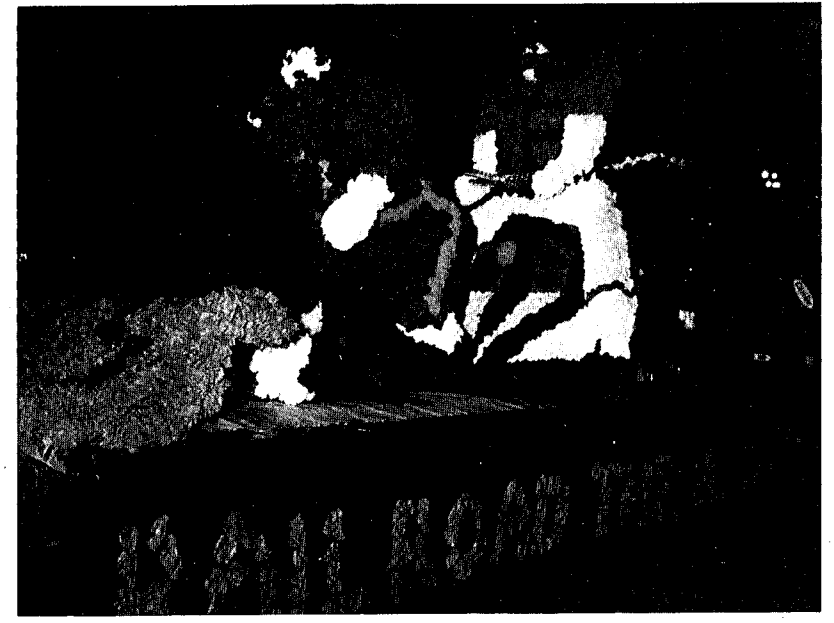

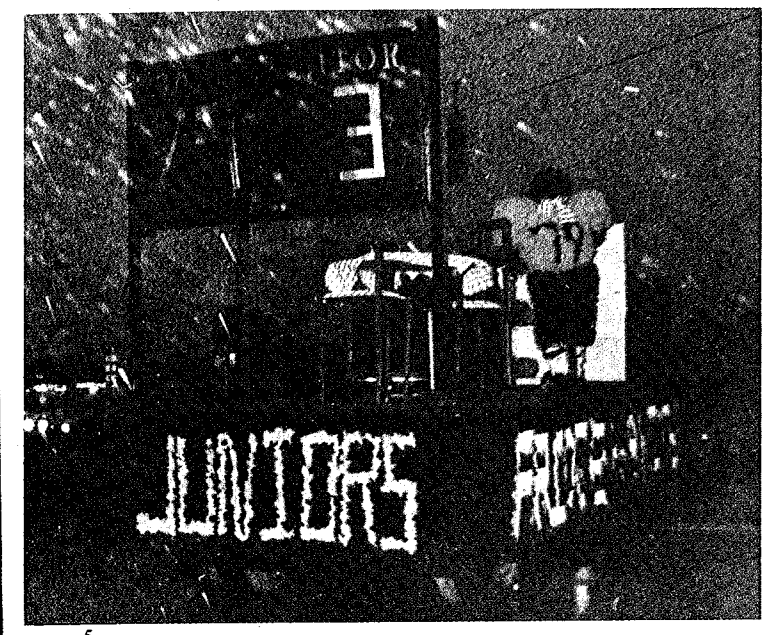

Rain Fails To Soak Spirit

"I wish this rain would stop. Look at our float. It will be ruined." The Homecoming rains started as the parade did. But it didn't stop us or our spirit. We got colds and sore throats, but we had fun.

The "Class-of-1978" did it again keeping their number one title. The Juniors placed second with the theme "Fridge-a-Raider." The Sophomores came in at third. Followed by the Baby Highlanders for fourth.

In the club division the CO-OP float rated number one. F.F.A. placed second. The faculty float came in third.

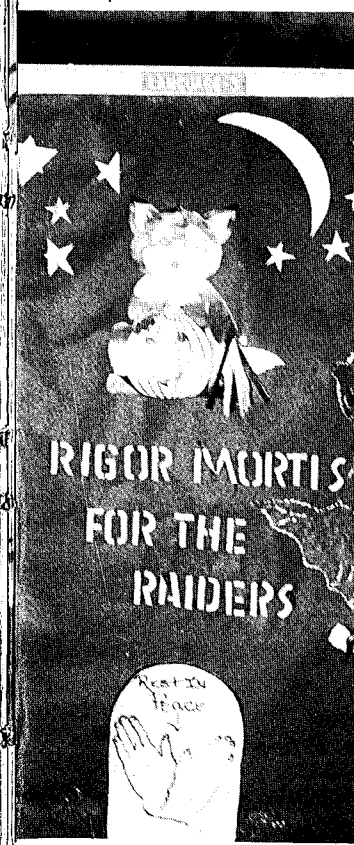

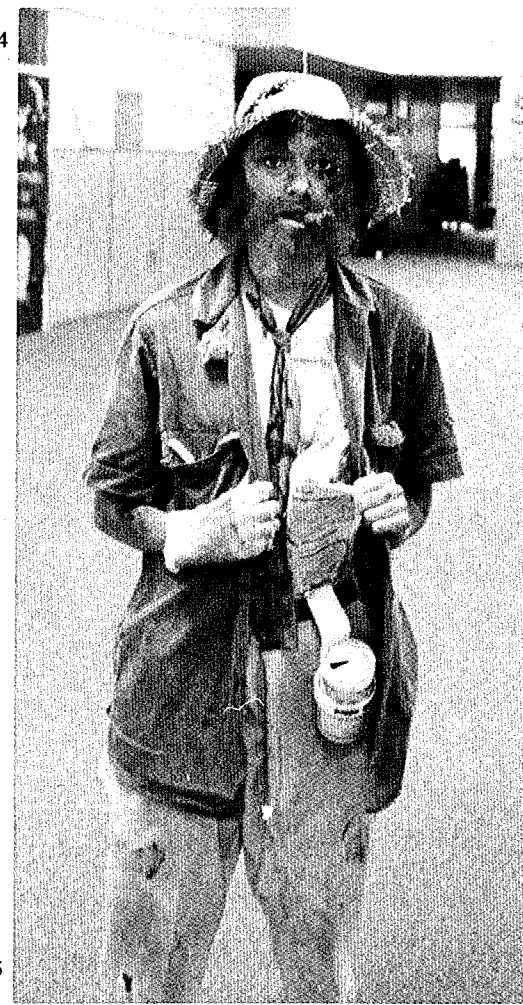

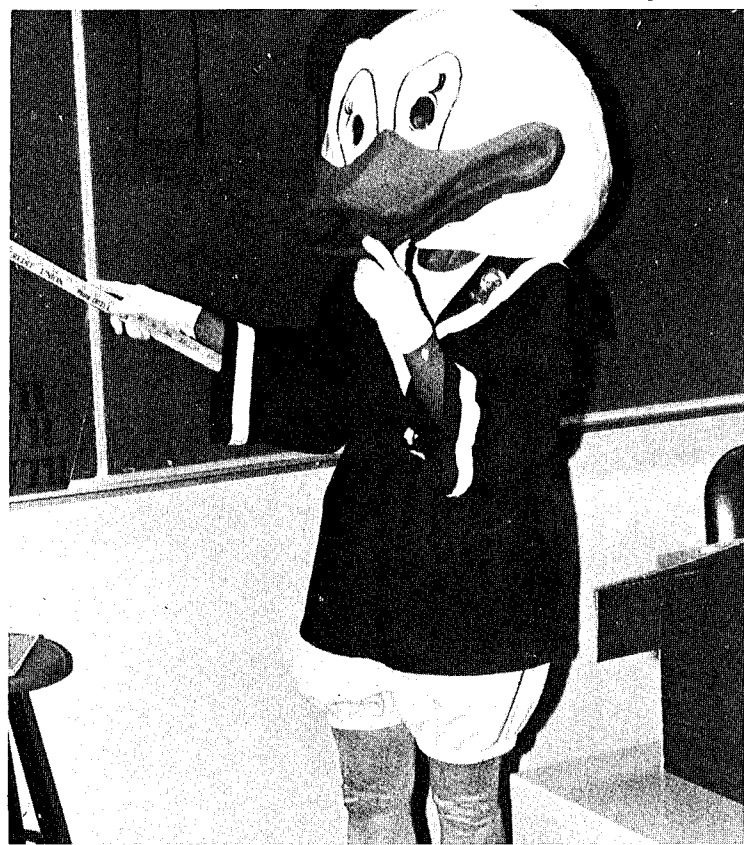

1. J.V. Cheerleaders style on hood of a Trans-Am. 2. Freshman representatives. 3. CO-OP float takes first place. 4. Faculty float. 5. Second place Junior float. 6. F.L.C. truck. 7. Freshman float. 8. Sophomore float takes third place. 9. Assistant Drum Major Bonnie Bauldauf. 10. Senior Float "Railroad-the-Raiders." 11. Mrs. Gloria Hunt poses as a tramp.

To promote the spirit of Homecoming we dressed L.W.S.H. up. Witches, clowns, ducks, hobos and other characters materialized at Lake Wales Senior High School during Homecoming week. Classroom doors changed from tan brown to orange, black, garnet and gold. Our mouths were sore from licking so many suckers, but with the close of Silent Day came the traditional pep rally. Our voices were ready. Our spirits were high. We couldn't lose.

LWHS Dresses Up

1. Hardman and McClendon. 2. Hobo Spate. 3. Mrs. Sauls. 4. Daly and legs. 5. Turner on Hobo day. 6. The Great Pumpkin, Skinner. 7. Mr. Freeman's award winning door. 8. Mrs. Hoaglin's top rated door. 9. Prince, Cloud, Hoaglin, Lowery, Wheeler, Clemmons, Hunt — among best in costume contest. 10. Huston and Menze talk it over.

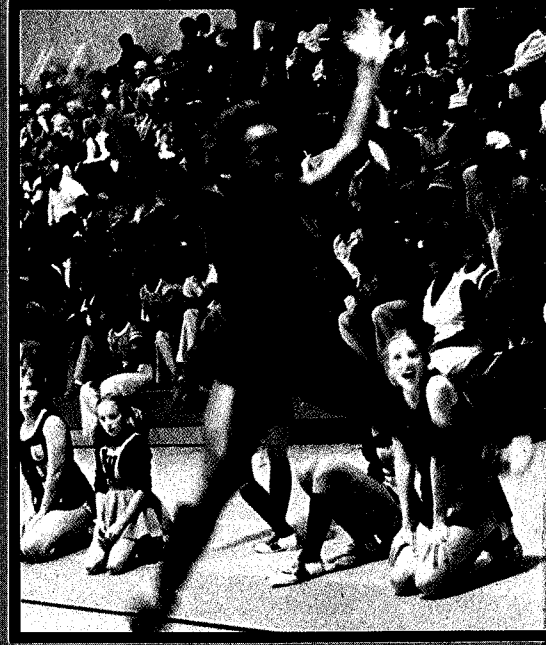

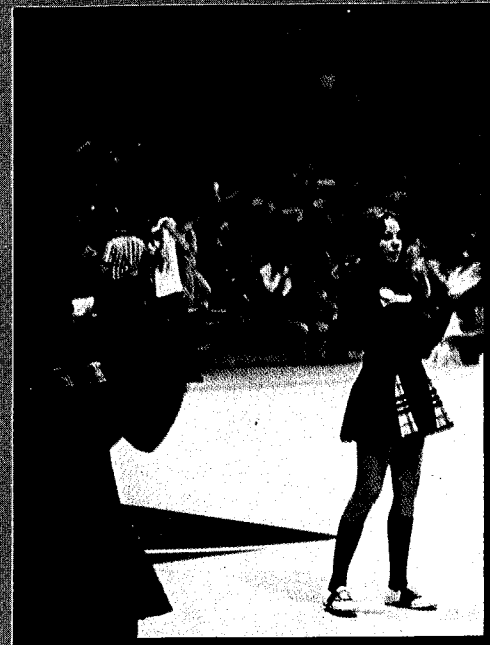

Varsity Cheerleaders Increase School Spirit

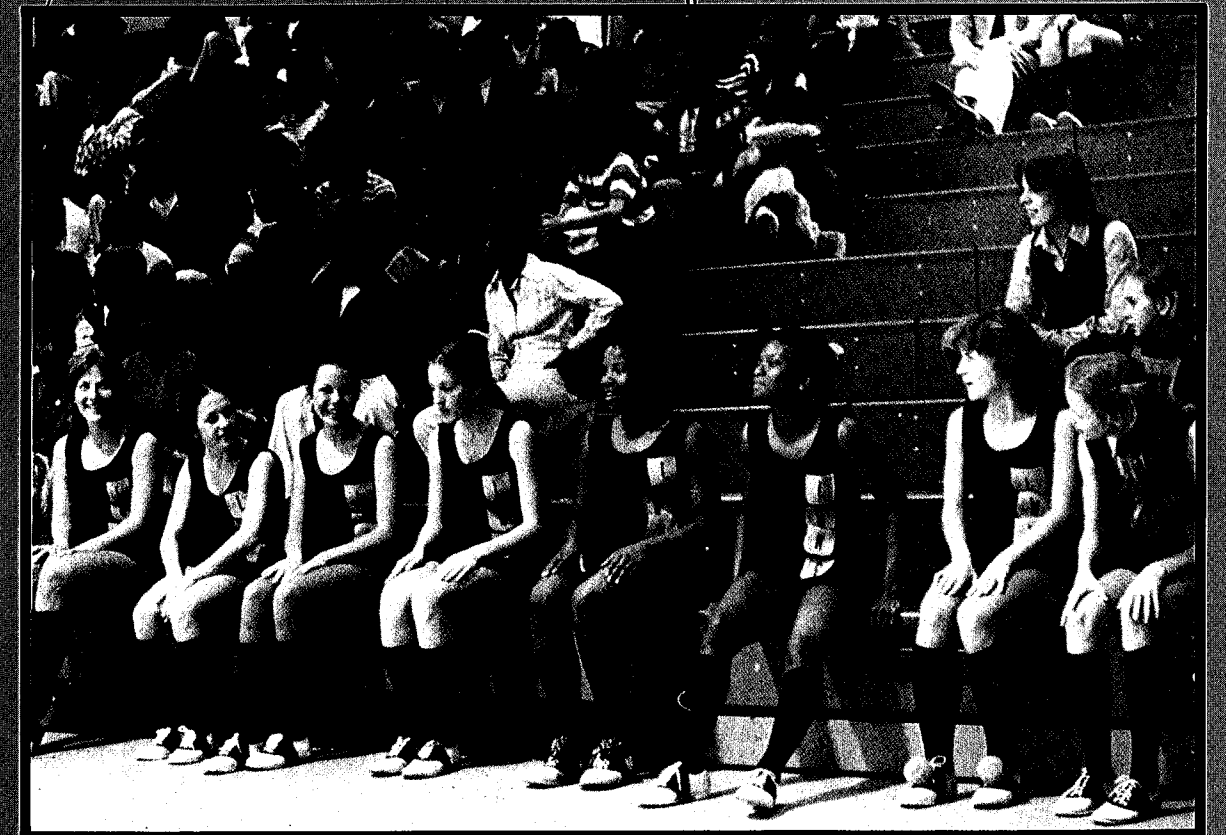

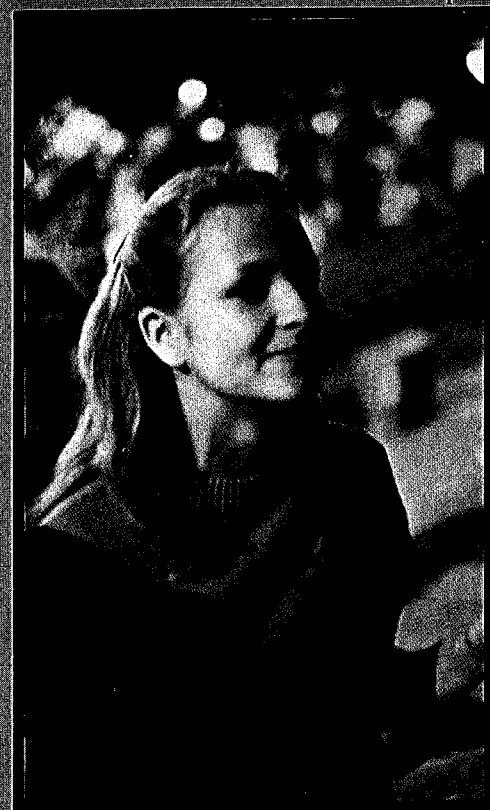

"Grab a 'V', Dot an 'I', Curve a 'C', T-O-R-Y. Victory, victory, Loud and repeat it." Everyone really liked that cheer! So did we. The squad learned that during a grueling, yet fun, cheerleading

camp in which we were, for the second year, named to overall best squad. The greatest time we had was our three hour return trip from our 40-6 win over New Port Richey Gulf.

Mrs. Waller was a really hard worker for our squad. Through her work, we added baseball games to our schedule — that is, in the concession stand.

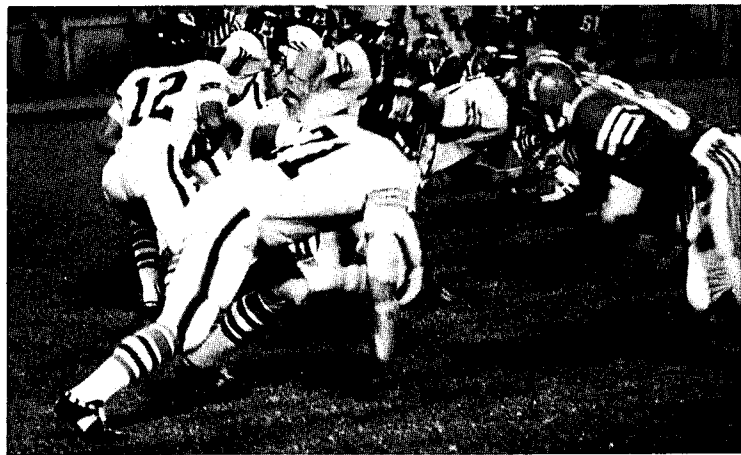

1. B. Vann and J. Cheeks add pep during a time-out. 2. D. Menzie. 3. S. Mose really expresses her pep as L. Bates, little J. Torbert, and C. Hamrick look on. 4. Cool and collected, S. Hutchison cheers the team on. 5. Supported by B. Jahna, captain C. Hamrick and co-captain L. Torbert move out onto the floor to lead some cheers. 6. Group: FRONT: B. Jahna, D. Menzie. KNEELING: L. Bates, S. Mose. BACK: C. Hamrick (capt.), B. Vann, L. Torbert (co-capt.), S. Hutchison, J. Cheeks. 7. The squad struggles through their sit-down cheer as Mrs. Waller and little J. Torbert look on.

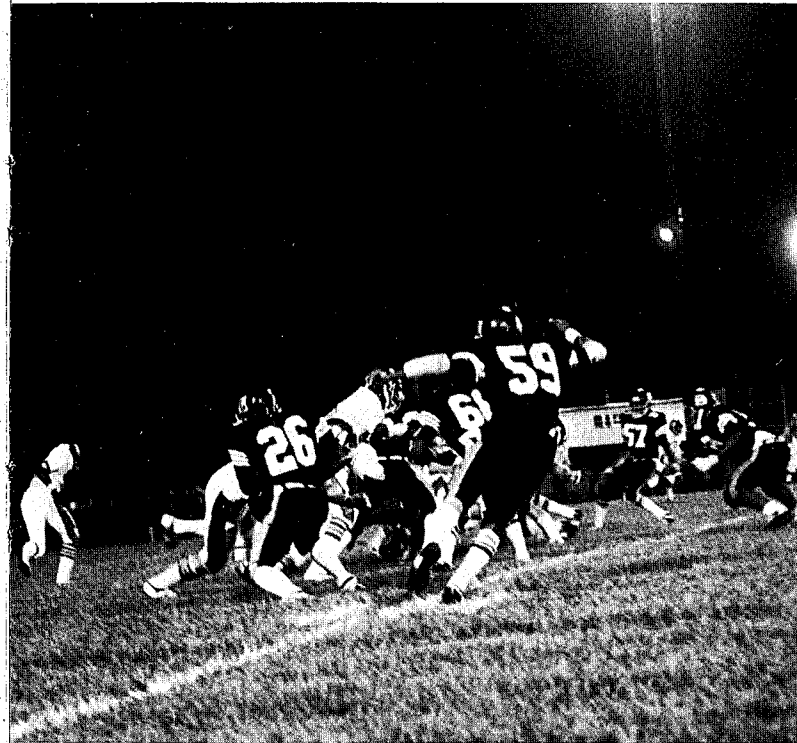

Highlanders Fought Hard

We put up a tough fight this year. The coaches pushed hard to improve our small number of players into a tough squad. We beat Auburndale in the Jamboree, but our opening game against Avon Park was shaky. We continued to improve, however, as the year advanced. When we later again faced third state-ranked Auburndale, we were winning until the third quarter. It was almost an upset — not quite.

ROW 1: Copeland, Jones, Love, Davis, Morrow, Leeks, Nealy, Randolph, Schultz, Powell, Daniels. ROW 2: Williams, Magwood, Wells, Edwards, Arnold, J. Polston, Farr, McGriff, G. Stoudemire, Spiker, Swan, Smith. ROW 3: E. Stoudemire, Luckett, Clay, McCullough, Singletary, Hunt, Harris, Craig, H. Johnson, A. Polston, Sikes. NOT PICTURED: L. Johnson.

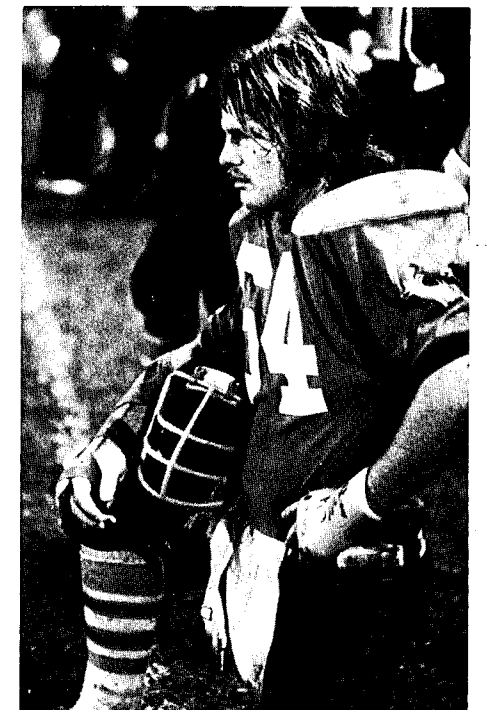

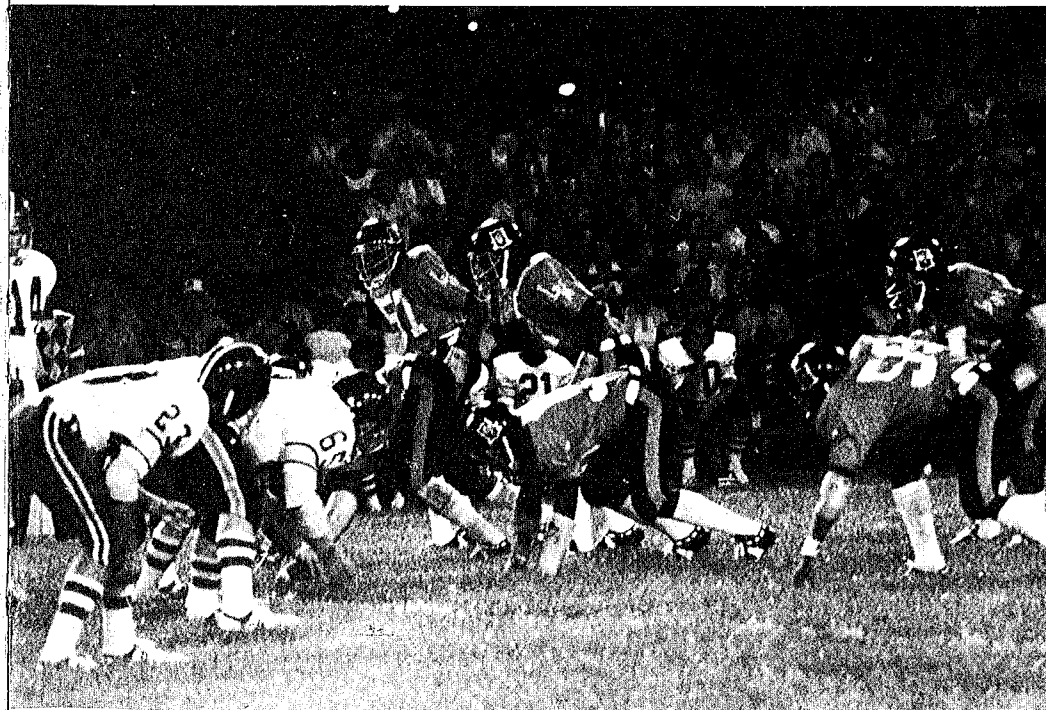

The students, the people in town, everybody, stood behind the team to help us bring home a 40-6 win over New Port Richey-Gulf. Orange-and-black days, secret Highlander fans, and spirited pep rallies helped us give every opponent a hard fight. When the season was over, we had three victories.

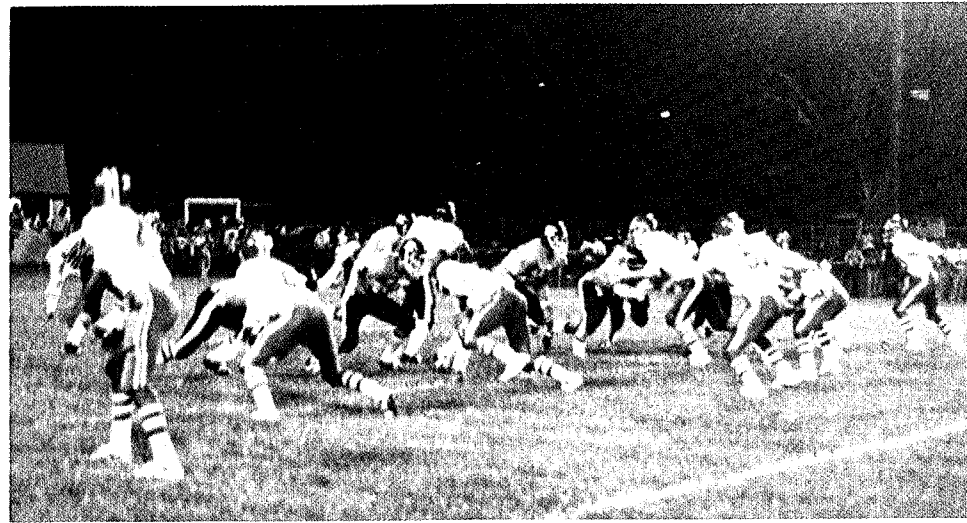

1. Coach McNerney in a contemplative pose. 2. Sikes, A. Polston, and other Highlanders defend and offend with hard blocks, even in enemy territory. 3. Powell, Nealy, Davis, and Wells make a tight circle around their opponents. 4. This quarterback (#14) seems somewhat fazed by the Highlanders' defense lineup. 5. Arnold watches the game while resting on the sideline. (Appreciation goes to Mr. Doty's Graphic Arts class for some of the pictures in this section.)

It was our Homecoming and it had been a long time since we had won one. With this year's school spirit, we could not miss. We had a slow start against Ft. Myers — Riverdale, but we effected a triumphant win by scoring twenty points in the last eight minutes of the game.

We ended our season, on Parent Night, with a crushing victory over

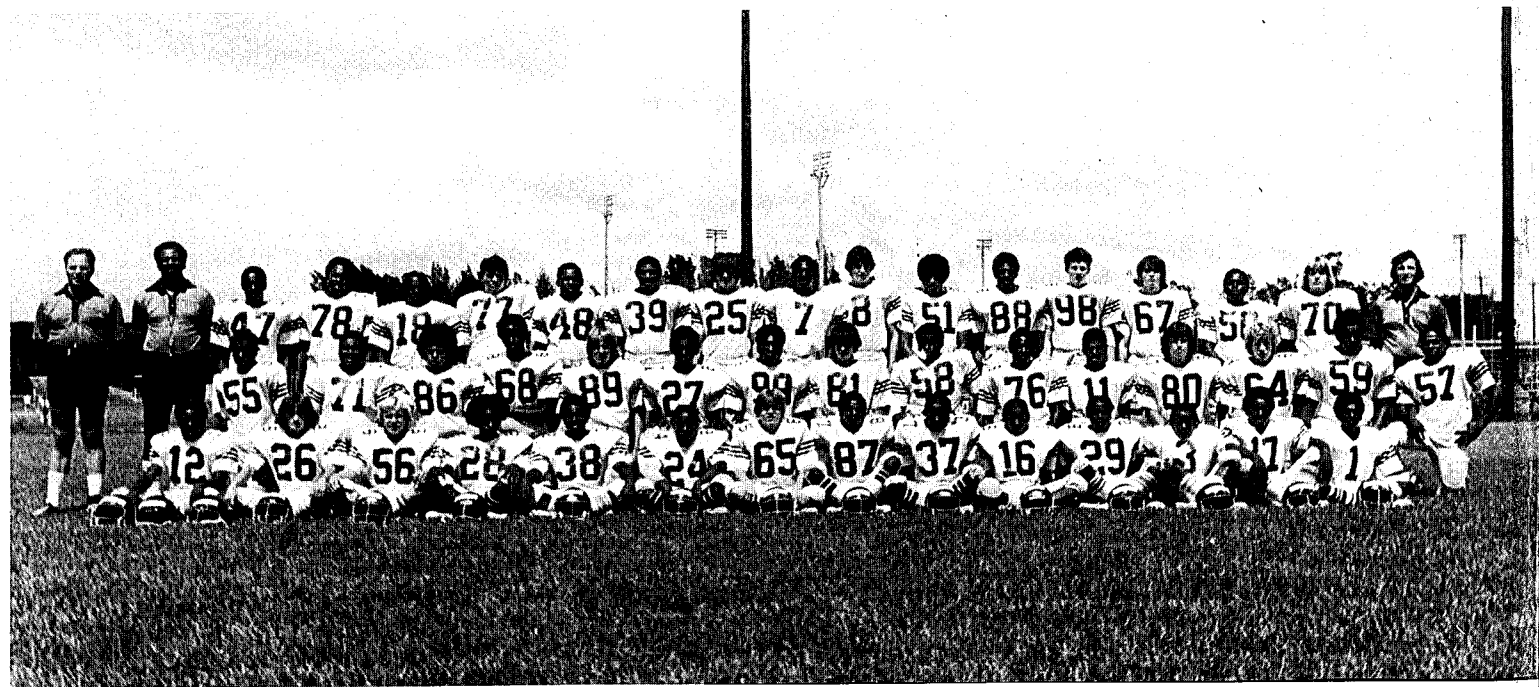

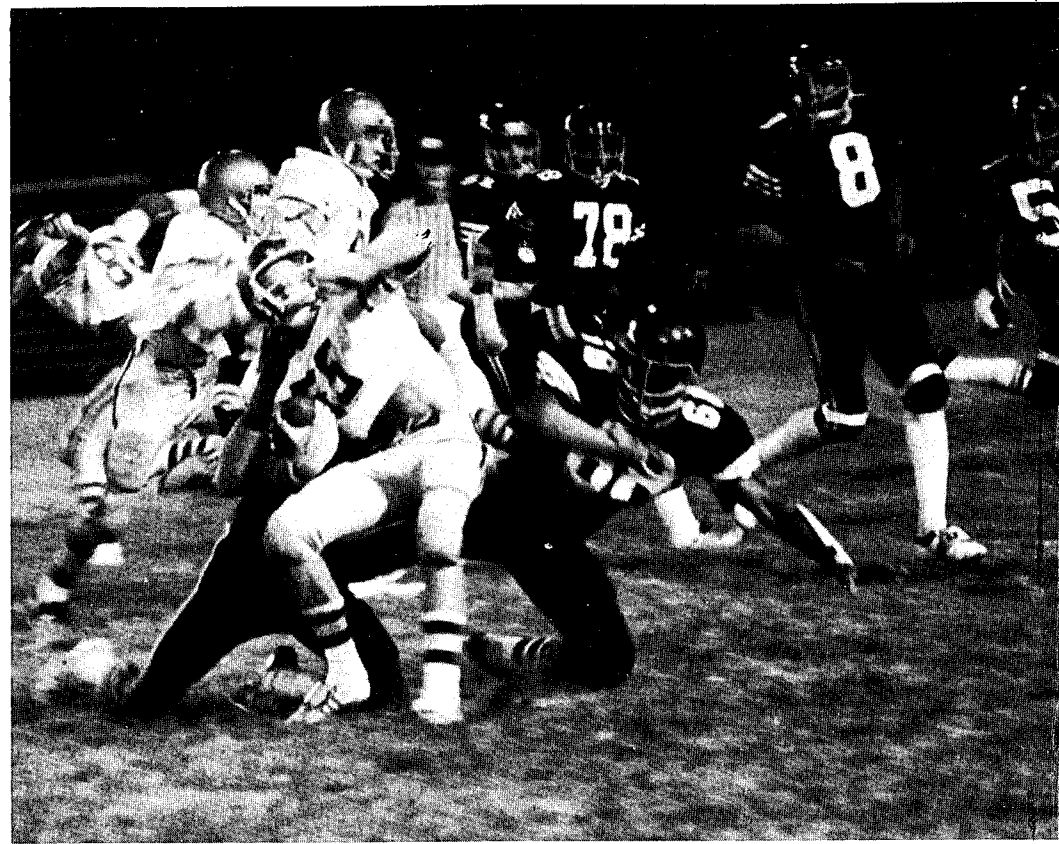

Melbourne Central Catholic, 48-6.

The band was yelling, the stands roared with excitement, the cheerleaders jumped and screamed with delight.

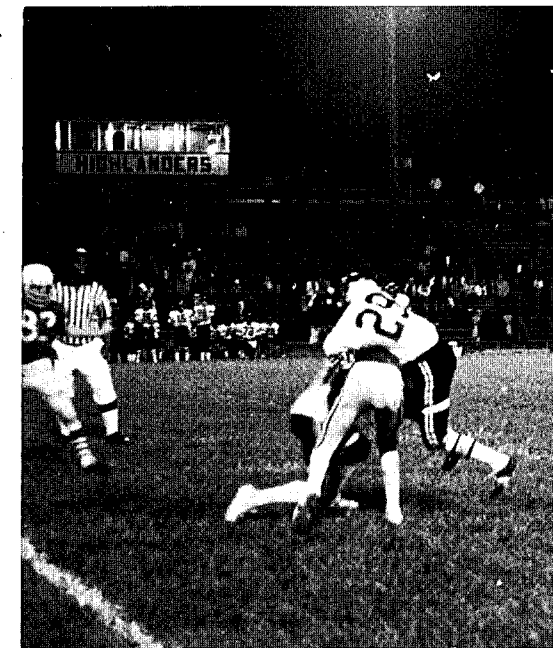

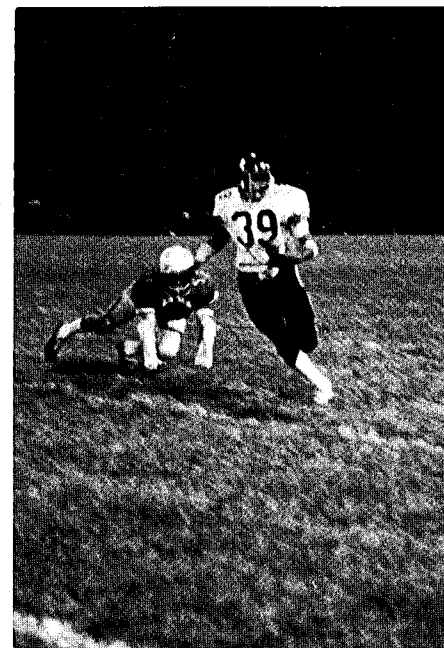

This was a year of mixed emotions, however. With our season finished, we were sad we hadn't done better; and yet, we were also proud to have made our school and city happy through victory.

Jayvees Drub, Shut Out, WIN!

With the exception of two, we won all of our games. It was a season of excitement for everyone — cheerleaders, students, parents. We had to really fight for some games though. In our first game, our "outlaw" defense had to hold Winter Haven to the one-yard line the last several minutes of the game. Four of the squad moved to Varsity during the season. That's a good sign for the rest of us, especially since the coaches think we've improved greatly this season.

Jayvees Cheer For A Great Season

"Pep, come on now. Pep a little louder. Pep for the boys. Pep's on the field . . ." With the support we needed from parents and students, we were able to help brighten the school record by cheering the JV boys to outstanding (6-2) Football and (17-1) Basketball seasons.

To get ready for our games, we practiced four days a week. We tried out our new uniforms with new cheers that created interest. To earn the funds needed, we worked — with the help of Mrs. Sauls and Mrs. Waller — selling candy, having bake sales, and washing cars.

Freshmen Learn To Create Spirit

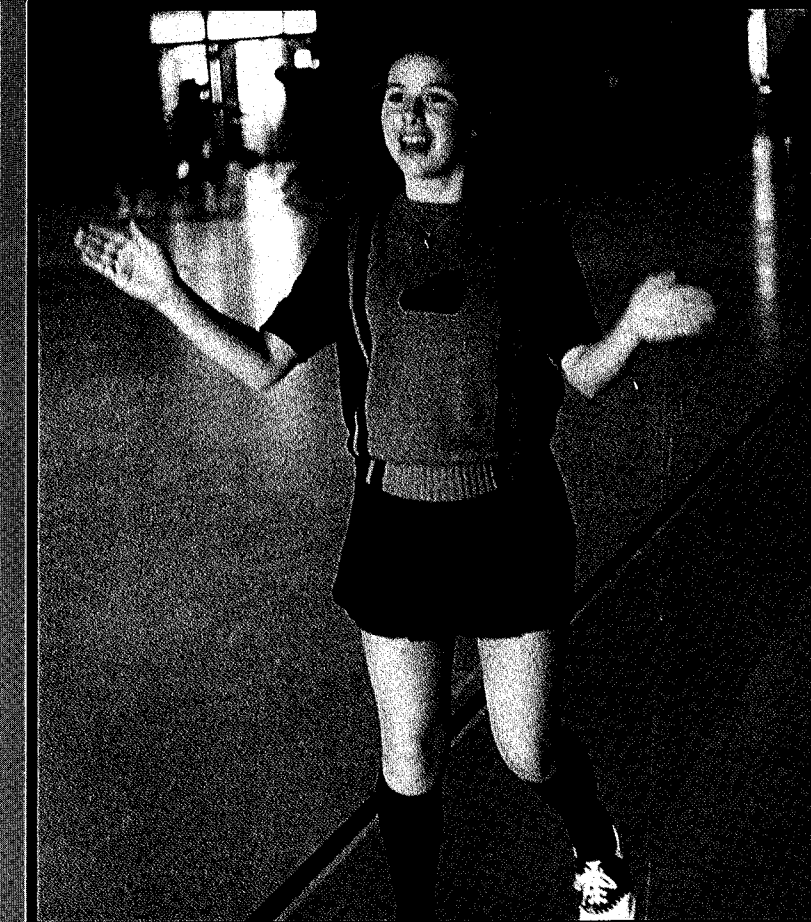

We were ready for JV and Varsity tryouts. We even practiced four times a week. With new uniforms that accented our appearance, we gained on-the-job experience at pep rallies and at our games. It was really great to have the students twice let out from school to see our games. We are especially thankful to Mrs. Goss for the support and guidance she gave us.

It was hard ending the season with only one win (Denison). There were some who laughed and made jokes at us. But overall, though, the school was behind us. The defense was strong this year, though sometimes we were outdone by our opponents. Despite our record, team unity was strong and improvement, according to Coach McGuirk, was continuous through-out the season.

1. Freshman players wait and watch from the sidelines. 2. The makings of a great play is in process.

Volleyball Uses New Techniques

Sometimes we felt low and like losers, but at other times our morale was good and we won. Best of all, we had fun. Our new coach, Miss Quietzsch, taught our unskilled team techniques of professional volleyball, (such as using a clenched-hands position for returns) and team organization. We had an extra thrill this season with the students cheering us on at the County and District Meets in our own school gym.

Cross Country Takes To Sandy Trails

We had a new coach and a lot of new members. We placed first once — a rainy home meet against Frostproof. Although ours is not a spectator sport, we still enjoyed running three mile courses through groves and roadsides. Bob Barker, our Gold Award winner, said the team displayed good organization and unity. In the County, we placed 5th, at District, 7th.

We came out of every meet with a win except for our loss to Winter Haven. Each of us continually pressed the other lifters to improve their lifting power and their school work. Strong team spirit and coaching by Mr. Bryan helped tremendously. E. Stoudemire, A. Tubbs, and C. Brunson placed 4th at state, and M. Randolph placed 6th.

Highlanders Short, But Sure Fought Hard

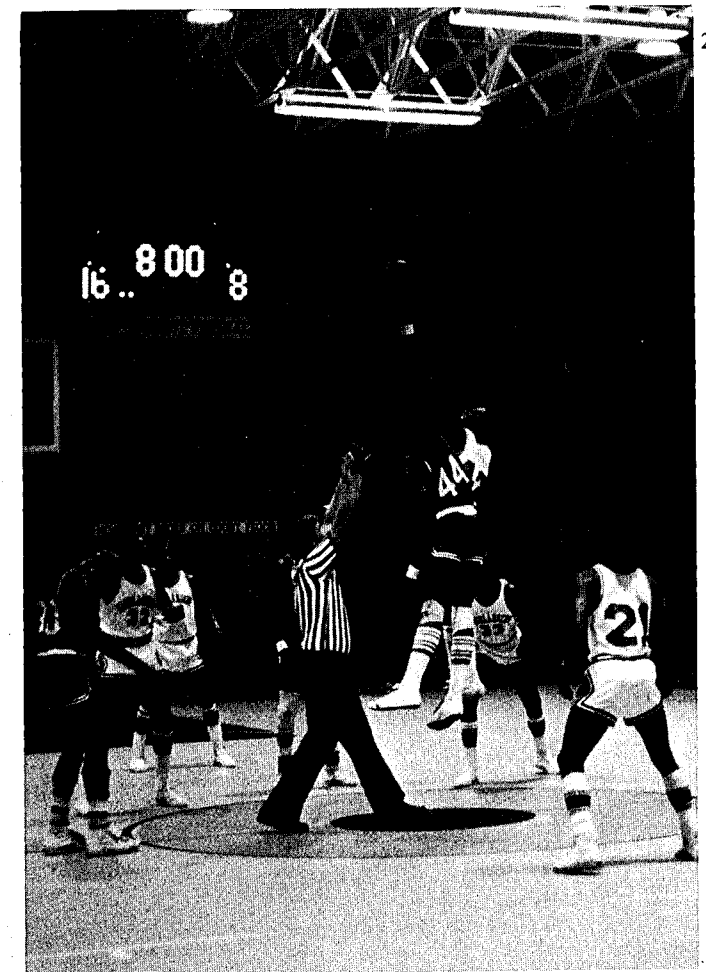

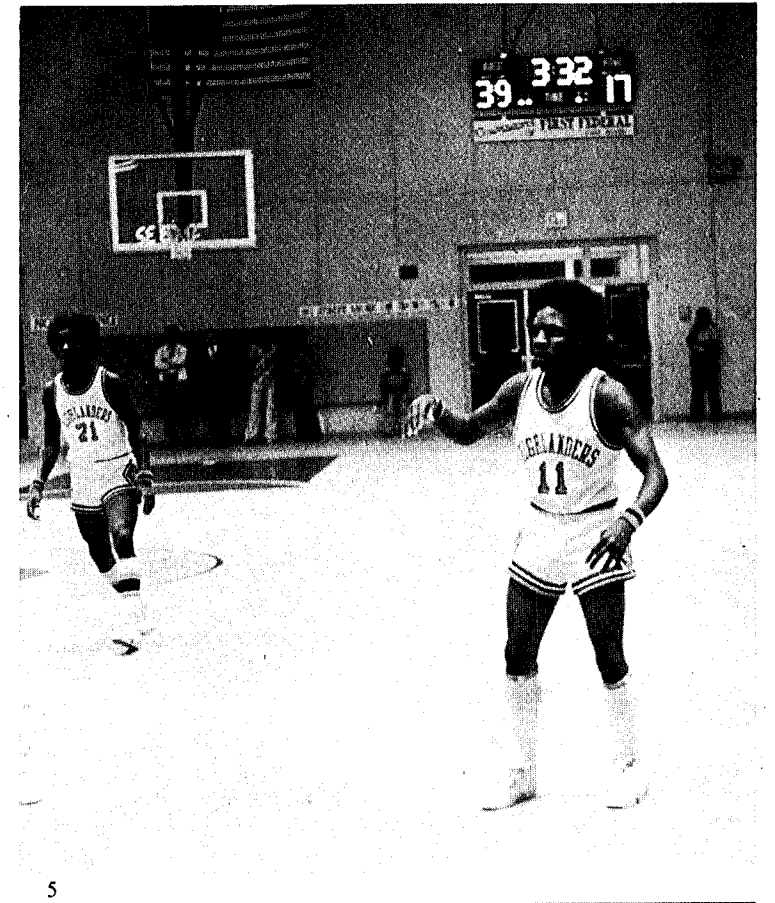

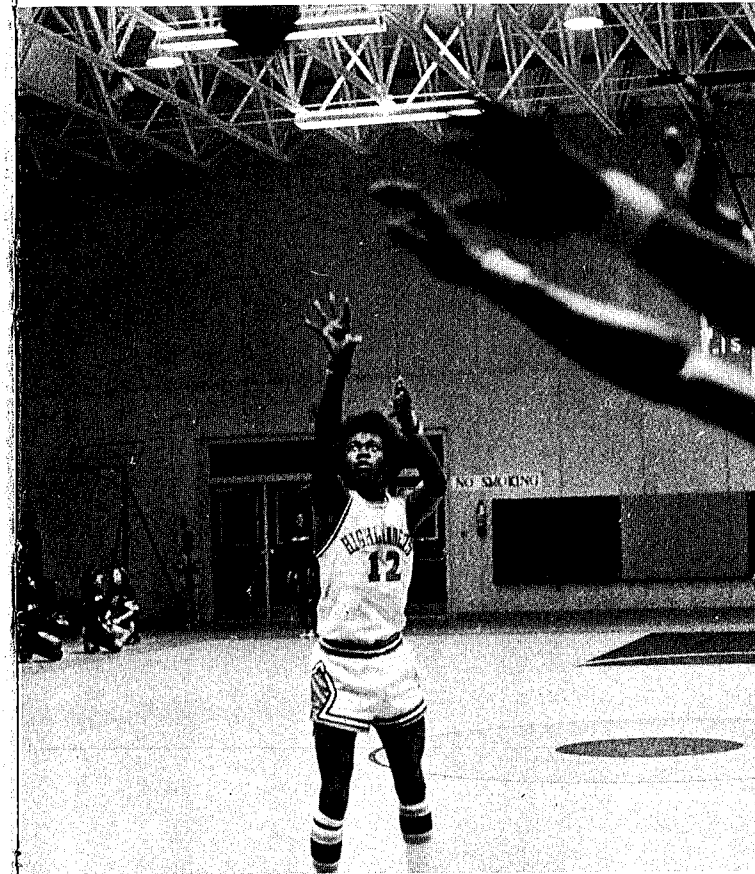

Although the record did not show it, the Varsity basketball team had a progressive season. Our younger team members learned a great deal as the season advanced. Even though we had no single fantastically-played game, we were competitive all through the season. Height was a big problem. Our tallest player was only a little over six feet. Our team was also slowed by injuries to our better players, Burney Hayes and Reginald Chadwick.

Winning's The Thing For The Lady Highlanders As They Claim Regional

We were in Sebring . . . at District. At half-court, the game over, tears were flowing as we sang Lake Wales High's alma mater. We had won the District title! At the Regional we pulled a 51-43 win over Crystal River. Unfortunately, by the time we got to Sectional (before State), some of us were sick (B. Griffin), and the rest of us were tired.

Our team prayed before every game, so we came out active and alive, singing and cheering each other on. We lost when we were lazy or lost our teamwork. We're extremely grateful to Mrs. Ferguson, as well as Coach Minton. Because of them, we were able to improve our technique and unity. In fact, B. Griffin was named Top Female Athlete of the Year. Winning wasn't everything to us; it was the *only* thing.

Jayvee Basketball Team Racks Up Seventeen Straight Victories

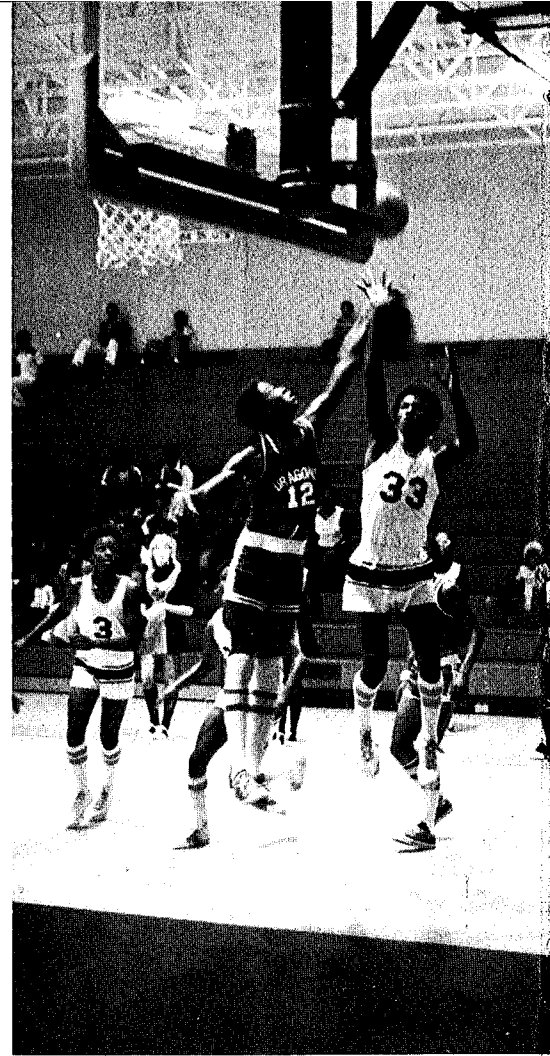

Much practice and good team spirit carried the JayVee Highlanders to seventeen straight wins. Our first game was a loss (45-69) to Lakeland, but after that, losses were nevermore. We practiced often and hard on the court, as well as on the weight machine. To make up for our small size, we worked on improving our quickness on the court.

Our Outstanding Scorers were G. Singletary, L. Hampton, and J. Griffin, and our Outstanding Rebounders were G. Singletary and T. Christian.

Plagued with many losses, we managed to keep up our spirits. We were noted for being a team who started games slowly, but rapidly sped the tempo up. For us, the games were not long enough. Netters No More Elite

A good turnout for tryouts made competition keen during the season. Inexperienced new players made our matches rough. We entered District with a 10-3 season. And during the first half of the play-offs we tied with 3 other teams for sixth place. In the end, however, we outdid them and took fifth place for District. Another high point for our team occurred when Cy Smith won District best player for singles, position No. 3.

Girls Defeat Lakeland

Team members competed with each other for team positions, but we the girl netters, were also a team. Coach White insisted on hard practices and much running, to psyche us up for our matches. Our fourth place in District highlighted our 12-2 season. Another of our high points was our upset over Lakeland.

1. ROW 1: S. Martin, K. Gibson, D. Griffin, M. Geils. ROW 2: L. Kenny, Coach White, M. Wells. 2. K. Gibson takes a cut. 3. S. Martin awaits the arrival. 4. S. Martin plays it well.
