

Graduating Class of 2024 U. S. Presidential Scholars Program

The United States Presidential Scholars Program (USPSP) was established in 1964, by Executive Order of the President, to recognize and honor some of our Nation's most distinguished graduating high school seniors. In 1979, the Program was extended to recognize students who demonstrate exceptional talent in the visual, creative, and performing arts. In 2015, the program was again extended to recognize students who demonstrate ability and accomplishment in career and technical education (CTE) fields. Each year, up to 161 students are named as *U.S. Presidential Scholars*, one of the nation's highest honors for high school students. The Scholars represent excellence in education and the promise of greatness in young people. High school seniors who are U.S. citizens or legal permanent residents graduating between January 2024 and August 2024 who attend public, parochial, independent, or home-school programs with the aforementioned qualities are eligible for this honor.

Again, this year, Dr. Ray Morgigno, Interim State Superintendent of Education, will nominate up to 20 students (10 males and 10 females) for the general component of the program and up to five students for the CTE component. The nomination application is attached and should be mailed to the **Mississippi Department of Education, c/o USPSP Committee, Office of Secondary Education, P.O. Box 771, Jackson, MS 39205 and received by Friday, December 1, 2023**. Students who are selected to be nominated by Dr. Morgigno to the U.S. Presidential Scholars Program will receive additional information via postal mail OR email **directly** from the USPSP national office in January 2024.

All *U.S. Presidential Scholars* are awarded the Presidential Honors Medallion and honored for their accomplishments during the National Recognition Program in 2024 in Washington, D.C. To learn more about the *U.S. Presidential Scholars Program*, please visit <http://www.ed.gov/psp>. If you have questions for the MDE, please contact Wendy Clemons, Associate State Superintendent, at wclemons@mdek12.org.

Candidate Self-Assessment Information

Directions:

1. Review and respond to **each** prompt listed below.
2. Attach your **typed** response to this application.
3. Include your name and signature in the top right-hand corner of each attached page.
4. Font size must be Times New Roman and 12 points.
5. The maximum word count is **125 words per prompt.**
6. Proofread your response and ensure that you have answered each prompt completely.

Prompt #1: Describe any characteristics of your family or your community that have been important to your personal development.

Prompt #2: Discuss some creative work that illustrates the way you see the world and the way you see yourself in the world. The work may be a scientific theory, novel, film, poem, song, or other art form.

Prompt #3: What is the most significant contribution that you feel you have made to your community's well-being or the well-being of an individual or individuals in your community? Why were you motivated to do this? What effect do you think it has had on that person or the community?

Prompt #4: Describe a mistake you made or challenge you faced. How did you respond to that mistake or challenge, and what did you learn from your experience?

By signing this document, you are certifying that the student is a senior graduating between January 2023 and August 2023, and that all information contained in this application is accurate and correct to the best of your knowledge.
