May ISD 2024-2025

Community Eligibility Provision

(CEP)

May ISD has qualified to operate the Community Eligibility Provision (**CEP**) Program and provide breakfast and lunch to all children at **NO CHARGE**. This eliminates the collection of meal applications for free, reduced-price and paid student meals. The new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.

For additional information, please contact:

April Chambers, Child Nutrition Director @ (254) 259-3711 Ext. 1201.

MEAL CHARGE POLICY

All May ISD students will receive a Free breakfast and lunch. Second meals or A La Carte are under the (**NO CHARGE**) Policy, and a student will not be allowed to purchase any of these food items on credit.

This institution is an equal opportunity provider.
