8. New Business Dr. Dykes, Principal
-Dr. Hornyak presented Better Than Expected Data highlighting Northside High School. The data accounts for factors that impact student achievement. NHS did well compared to similar schools on the Algebra EOC but slightly below other similar schools in the other EOC tests. There is also room for improvement in the graduation rate when compared with similar schools.
-EagleFest was discussed. This is a community event that has occurred over the past couple of years. The discussion included a “costs analysis” of sorts. Ultimately it was decided that EagleFest will not continue but other community events should be considered to promote a positive school culture.
-The Scholarship Workshop presented by Marianne Ragins was discussed. The major concern was the cost. The fee for the event is \$4,800. The possibilities of splitting the cost with other schools and finding a sponsor were discussed.

9. Adjournment Dr. Dykes, Principal
- The meeting was adjourned at 7:50 AM.
