#### Report of the Principal

Mr. McCook

#### New Business

-Changed morning arrival to old gym and cafeteria to reduce opportunities for misbehavior. Going well and students are learning to get pass early if attending a club or tutoring. Positive change. Safety issues also resolved.

-Sept: Tardies are a priority. New tardy policy created by Tardy Task Force (combined ideas of teachers and students) Tardies are divided in 9 week segments to create motivation and incentive to arrive on time (versus all year long and no chance of recovery after max tardies reached) Zero Tardy Party will be available to students with no tardies and celebrate good choices with prizes! Discipline disconnect with tardies, every 2 weeks not working so new admin (Walker) is pulling tardy daily for immediate consequence-which is more effective. Tardy Policy: Creating competition between grade levels to increase participation.

-Will try to add recognition of Perfect Attendance with No Tardy as well

-Dress Code improvement. Students are doing good with compliance-also parent support helps.

#### PBIS Robert Walker/Chad Ekey leads

-Goal from NI to Emerging. Referrals, Iss, and Oss down compared to last year. Added more to Rockin R to develop relationships.

#### September Goal adjustments to tardies

-Making gains. Trying to work with students rather than simply punish. Build relationships and find core issues. More faculty participation at extracurricular events.

**-Saturday school?**

**Biology Update-**Study Island purchased to help with Science. MAPS growth but need to also improve achievement. Emphasis on Milestone classes to give students everything they need to be successful. Allows practice in Milestone style to help improve scores.

**IXL for Math and Reading practice.**

**Guiding Coalition** previewed Edulastic that breaks down data and will work on implementation during teacher work day (Oct 6th)

**Canvas coming 2nd semester to replace Google Classroom**

**PLC update-** Looking to change Master Schedule to use teacher strengths-reduce preps and teach to their strength.

**Tuesday is Demon time.** Take standards and learning targets that are challenging and give students extra time to explain and practice these skills. Divide/send students to area needed-regardless of teacher. PLC work is a learning space.

**Grad rate may come down a little bit but we will address and improve going forward. Focus on attendance and engagement in classes.**

**Increased camera numbers. Safety and security for students and parents.**
