Principal's Notes

OIS Mission:

To unite our school and community by communicating, establishing routines, promoting positive parent involvement in an academically enriched and safe environment.

This spring semester is always a busy time of year and we have planned several activities for this semester. Slowly but surely, we are allowing more opportunities for parents to participate in on campus events such as Math & Science Night, Father Daughter Dance, and Field Day. We are extremely appreciative of your patience and your eagerness to partner with us in whichever way during these times. As always, we value your partnership and we look forward to seeing you at one of our future events. Thank you for your continued support as we continue to move forward to close out the year.

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted.

The school schedule is 7:55am-3:30pm!

Instruction takes place until 3:30pm. Picking up students early will result in missed class content.

“You have the POWER to CHANGE the world use it to make a DIFFERENCE!”
