☀️ Teacher Appreciation Week ☀️

May 6th – 10th

Next week, we have the special opportunity to celebrate the heart of our school, **our incredible teachers**. During **Teacher Appreciation Week**, we invite all our Evaline families to join us in recognizing the dedication, compassion, and creativity our teachers pour into every day. One of the most meaningful ways you can show your appreciation is by sending a heartfelt note of thanks or encouragement to a teacher who has made a difference in your child's life. A few kind words can go a long way!

With deep gratitude, we recognize and thank our outstanding educators:

Mr. Burlingame, Mrs. Duren, Mrs. Mars, Mrs. Mittge and Mrs. Tinnin

Your commitment to nurturing, inspiring, and guiding our students is truly a gift to our entire school community. We are beyond grateful for everything you do. ❤️

Annual Dessert Auction!

****Next Friday** 5-9-25
6:00pm at Evaline School**

We're gearing up for a sweet time and hope everyone can join us for a fun-filled evening in support of our amazing Evaline students! Bring the whole crew, Grandparents, Aunts, Uncles, neighbors, and friends, everyone's welcome!

🍪 Evaline Families: If you can, please bring a delicious dessert to donate for the auction. You can drop it off at the school before the event or bring it with you on the big day—Friday, May 9th! Need to make other arrangements? Reach out to the Booster Club and they will make it work.

evalineboosterclub@gmail.com

☰ And don't forget—keep selling those raffle tickets! Every ticket helps support our students and school.

Let's make this event the sweetest one yet!

EOY Kitchen Clean Up

Ms. Annie will begin to use food we have in stock for lunches in order to minimize waste and prepare for summer break. Daily lunches may be different than on the menu.

Friendly Reminder for Families

To help maintain a focused and safe learning environment, we kindly ask that students **not bring toys or personal items from home**, as they can become distractions and may get lost. Additionally, please do not send chewing gum with your child. Thank you for your support in keeping our classrooms calm and clutter-free!

TK and Kindergarten

Mrs. Tinnin

Kindergarteners are learning the sounds ee and the silent e. They are also working on their animal research packets. When we start our presentations next week, students will share what they learned about their animals with the class. TK finished learning about ocean habitats. They will take a short break from habitats and listen to Why Flies Buzz.

Kindergartners are learning to compare height, weight, and length. TK is learning how to write the numbers one through five.

Throughout the year, your child has learned many nursery rhymes and motions to go with them. TK has enjoyed sharing some of the nursery rhymes with the kindergartners. Both classes know several rhymes. Hopefully, they will share what they have learned with you.

Kindergarteners continue to journal the growth of their seeds. Some seeds haven't sprouted yet, while a couple are almost ready to come home.

First and Second Grade Explorers

Mrs. Mittge

Thank you for your generous contributions to our thematic auction basket "Topsy Turvy Dinner Night: Breakfast for Dinner." We are collecting items related to an evening of breakfast fun. We would love items to build a fun basket for the auction and would appreciate your donations.

First graders will be finishing their math curricula next week! They will be starting second grade work. Second graders will also be finishing their math and starting third grade curricula!

We have chicks! Students have been giving our first three chicks a lot of cuddles and love! Some of our mealworm larva have completed their metamorphosis. It has been magical for students to open their insect habitats and see adult beetles!

We continue to read, write, problem-solve and- like the living things we are studying-GROW!

Third and Fourth Grade Classroom

Mrs. Mars

Students had fun doing some review games this week to help them remember all the things they have learned so far this school year.

In ELA they wrote a realistic narrative piece about then just landing on Mars. Student's writing has come a long way. Next week they will get to practice their opinion writing. This will be their last writing practice before the SBAC.

The SBAC test is scheduled for May 12th-23rd. During this time it is very important that your child is at school on time having had plenty of rest. All testing is done in the morning so it is vital that they are awake and ready to go. Because testing can be long and tiresome we will keep the class light in the afternoon and still do students normal specialists.

Fifth and Sixth Grade Classroom

Mr. Burlingame

SBAC is scheduled for May 12 through May 30 this year. During these two weeks, please do all you can to get your student to school on time in the morning with plenty of rest. Testing can be tiring so we only test in the morning and keep our more fun classes intact in the afternoon.

Come see our students' fantastic artwork at the Spring Youth Fair!
