The National Weather Service is forecasting a marginal risk for flash flooding through most of the state of New Mexico and widespread showers and isolated thunderstorms across the state of Arizona for the weekend of October 30, 2026. Take these steps to prepare:

Stock up on essential supplies for at least 72 hours, including:

- Water. Store at least one gallon per person per day for at least 3 days.
- Non-perishable, shelf-stable food, such as canned goods, peanut butter, crackers, granola bars. Include a manual can opener.
- Flashlights and candles
- Firewood
- Batteries
- Cash
- Prescription medications
- Battery chargers
- Charged cellular phones
- Trash bags
- Paper plates and disposable utensils
- Tools such as multi-purpose knives, duct tape, basic hand tools
- Hand sanitizer
- Toilet paper
- Bleach

Prepare a go-bag with extra clothing and supplies for each family member to last at least 72 hours.
Monitor the weather. Ensure you have multiple ways to receive weather information.
Ensure your vaccinations are up to date.

Prepare a first aid kit that includes:

- Adhesive bandages
- Sterile gauze pads
- Roller bandages
- Medications for at least 7 days
- Over the counter medicine such as acetaminophen, ibuprofen, antihistamine, antacid, etc.
- Vitamins

Open Enrollment continues.

Thank you for trusting your child with us here at KDLO Country!

Security Department

Attention Parents/Staff

We kindly ask that parking in accessible spaces without a valid state-issued placard is illegal and subject to a verbal warning and will be ask to re-park your vehicle. Thank you for your understanding.

Transportion Department

Hello Parent! Please call the front office to make a bus change on routes by 2:00PM. It's a protocol for you and your child's safety to make that change. Also, we kindly requesting that parents park on the gravel parking lot area (south of main parking) to pick up your child after school at 3:00 PM. Students without proper bus pass will be required a sign out by their parent/ guardian at the front office.
The buses loading zone poses danger by creating potential blind spots, it is a designated area, staff assisting students boarding the buses. Your patience and understanding is greatly appreciated as we board the students and bring your child home. Thank You
