Counselor's Corner
Miss Martin, School Counselor

Upcoming & Summer Activities!

Upcoming

May 9th – May 13th

Middle School Transition

Counselor will meet with all 6th grade students to discuss middle school fears, questions, and concerns. Students will practice opening combination locks (their greatest worry).

Toolbox

We have ended the school year learning about our last Toolbox Tool: *Courage*

"I have the courage to do the right thing."

There are different kinds of courage. Veterans that risk their life to protect our country, first responders that respond to our every medical need, parents being a role model for their children and your child getting back on that bicycle. Teaching our students that courage is needed to be:

- **Honest**
- **apologize**
- **try new things**
- **voice**

Thank you

It is hard to believe that it is May! As I find myself ready for summer, I am brainstorming for the upcoming year. I want to thank you so much for your support by allowing me to not only educate but learn from your children. I have grown fond to many students. The greatest part is having the opportunity to watch students make strides academically, socially, and behaviorally. Seeing students utilize me for the right reasons is a wonderful acknowledgement as a school counselor. Again, thank you from the bottom of my heart. I hope your family has a wonderful and safe summer! See you in the fall.
