Highlights from Letters to Power 88

I am a mother of 4...I have 2 daughters of my own and then my husband has 2 sons. Between us we have 10 grandchildren. We have been praying for our children constantly to come back to the Lord! Recently both daughters have started going to church with their children!!! I have been telling them about Power 88 for a long time and telling them that this music would calm their spirit when they listen to it...now finally one has her car stereo set on Power 88!! I listen all day at work!!
