

"IF YOU ARE HAVING A PROBLEM OR THINK YOU WILL HAVE A PROBLEM, PLEASE COME TO THE OFFICE."

MESSAGE BY ADMINISTRATION

Happy Holidays Silver Streak Families,

We are so excited for this month as we have so many amazing events planned! We are so thankful for the support from our families with increasing our literacy and math goals from October and November. We have passed 5,249 Accelerated Reader tests. We are slightly below where we were last year but we had interruptions with instructional days due to the hurricanes. We look forward to our Night with Santa event on December 12th. We will have our Kindergarten and dance elective students performing and guest appearances from the Elf on the Shelf, the Grinch, and Mr. and Mrs. Clause. Please make sure you RSVP for this event. We will also be celebrating selected students who made their AR goals for the second quarter with our second AR party this month. Our students will also be participating in their second progress monitoring assessments. Our selected fifth graders will continue to practice for their upcoming A-Team competition. We want to give our sincere gratitude to Ms. Gunn for her efforts with preparing our students for this competition.

Janie Howard Wilson is waiting for an update regarding the IB application. Once we hear an update, we will look forward to welcoming families on campus for this authorization visit. We want to thank our instructional staff for their efforts and their hard work.

We appreciate all the families and staff who participated in our before school tutoring program. In January, we will begin setting up conferences to review the test results from the second progress monitoring and recommended next steps. It is critical to have your child in school each day. Our goal as a school is to have 90% attendance or higher each month. Your child coming to school each day will ensure that your child is present for assessments and instruction.

Our fifth graders and their families will need to prepare to apply for Bok N. and/or Bok S. during open enrollment. We have scheduled school visits this month to Lake Wales Charter Schools and McLaughlin Middle. Our staff is happy to assist any family if they need help with the upcoming enrollment policy. Please make sure you know your child's school ID number that can be found in the parent portal or your child's report card. Grades close for the second quarter on Friday, December 20th. Please check the parent portal frequently so we can address any concerns you may have prior to the grading quarter closing.

We want to wish all of our families a wonderful holiday season and we look forward to our work ahead in the New Year. Please continue to read with your child each night and complete any holiday work during the winter break!

EARLY RELEASE

December 20, 2024
12:40pm

DECEMBER CALENDAR

- Dec. 2-13 Candy Cane Gram sale
- Dec. 4- 5th Grade visit Bok South
- Dec. 6- Pre-K- Parent Night Out Fundraiser
- Dec. 6- PTO Meeting at 8-15am
- Dec. 9-13- Holiday Shop
- Dec. 11- Paint Along 3-5
- Dec. 12- STEM Night with Santa
- Dec. 13- SAC Meeting at 1.00pm
- Dec. 16- School- wide Spwlling Bee at 9:00 am
- Dec. 19- AR Party
- Dec. 20- Eartly Release at 12:40pm
- Dec. 23-Jan. 6- Winter Break
- Jan. 7- Staff and Students Return to School

Classroom News

Kindergarten

Hello Parents!

As we approach the holiday season, we are excited to celebrate Christmas around the world. We will be learning about Jamaica, Mexico, United States, and Honduras. Kindergarten will be performing on December 12th at Stem With Santa in the cafeteria at 6pm. MOY testing will begin on December 10, so please make sure your child is present that week and ready to go.

First Grade

In First Grade, for the month of December we will be exploring a variety of Winter celebrations around the world for our Social Studies lessons. In Math we introduce measurement and a variety of ways to measure using a variety of measuring tools, will continue to build skills on fluency with single digit addition and subtraction. In ELA we will be discussing "Where we are in space and time" as it relates to our past, present, and future. Our genre focus will be Fiction (Fantasy & Folktale) and Informational Text. We are stressing the importance of learning sight words and to READ at least 20 minutes every day. Following the story, it is good to ask your student a few comprehension questions, such as but not limited to character, setting, problem, solution, main idea, details, sequence of events, etc. In Science our focus will be on gravity, force, and motion. We are making the students responsible for their homework just like they are responsible for their classwork.

Classroom News

Second Grade

ELA: Narrative Nonfiction exploring Author's Purpose.

Math: continuing add two digit numbers up to 100

Science: Earth Science/ Studying and identifying rocks

Social Studies: Learn how to be a historian and when it gets closer to Christmas we will focus on Christmas around the world activities.

Third Grade

In the month of December third grade will be working in our transdisciplinary unit of "how we organize ourselves". Throughout this unit we will focus on the way things are organized across all aspects of our learning. In ELA, the students will be working on text structure and features. In Math, the students are continuing to work hard on their Multiplication skills and relating them to division. In Science, the students will work on weather and how it relates to the world around them. In Social Studies, the students will work on their geography benchmarks. Please continue to encourage your child to read nightly and encourage them to write about what they have read to deepen their understanding of the text and sharpen their writing skills. This month we will also be taking the middle of the year assessments so please try to send your student to school well prepared to do their best!

Some important dates this month are:

December 12th Stem Night with Santa

December 16th Writing Middle of the Year Testing

December 10th ELA FAST Middle of the Year Test

December 11th MATH FAST Middle of the Year Test

December 20th Early Release

December 23rd through January 7th- Winter Break

Classroom News

Fourth Grade

Fourth grade will be working on identifying text structures and text features through many hands-on activities to help students develop conceptual understanding of the two, and how they each contribute to reading comprehension. In language arts, we are hoping to launch our Book Tasting Bistros in class, and get a "taste" of the different books and their genres, identify how they are similar or different, as well as what was the author's purpose? Did you know that it takes a student 14 operations to solve a fraction problem? Students will be much more successful in math if they practice their multiplication facts consistently and with fidelity. We have resources through Clever that are available for home use, especially as the winter break approaches.

Parents, MOY (middle of year) testing is coming up in December, and attendance is vital to your child's academic growth! Please ensure your child is at school every day.

Remember to sign up for Parent Portal to access your child's grades and state testing results. Please continue to reach out to your child's teacher should you have any questions or concerns.

Fifth Grade

Dear Families:

Middle of year testing is upon us, please ensure your child is at school on time and ready to be successful. Students will be testing for the next 2 weeks. Please encourage them to do their absolute best, take their time and try their hardest.

We have Middle School Tours on:

Wednesday, 12/4 - Bok South

Tuesday, 12/17 - Bok North

Wednesday, 12/18 - McLaughlin

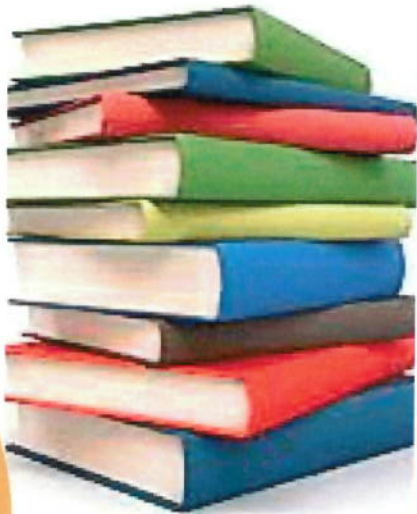

Please reach out to your child's teacher should you have any questions. Parents are welcome to attend; just follow the bus.

Also, all homework must be completed and turned in weekly. Encourage your child to be respectful, responsible and safe. Thank you in advance for your support.

Have a HAPPY HOLIDAY SEASON!!

WHAT'S EVENTS HAPPENING

PTO

PTO Meeting will be held on Friday, December 6th at 1:00pm in the PLC room

SAC

Our first SAC Meeting will be held on Friday, December 13th at 1:00pm in the PLC room

parent Tips

Read 30 minutes each night.

Have your child teach you math. Here's a great way to learn something—teach it. Ask any teacher. Most will agree that even when it's something “simple” that they could swear they knew inside and out, once they have to explain it to someone else, they're forced to consolidate knowledge and try new ways of explaining it. When faced with a question that you can't answer, explain that you're stuck too, and challenge your kids to figure it out just well enough that they can try to explain it to you. Even if they help you only a little bit, they may spark insights that allow you to finish where they left off.

PYP-IB Information

Kindergarten IB Christmas Around the World program is scheduled for Thursday, December 12, 2024.
