Critical Conversation Events with Superintendent

LUMPKIN, GA - We are excited to invite you to participate in a series of Critical Conversation Events with Superintendent, Dr. Michael H Robinson. These events provide an excellent opportunity for open dialogue and collaborative discussions on important matters within our school district.

The first Critical Conversation Event is scheduled for **Thursday, December 14th, at 5:30 pm**. The event will take place at the Stewart County Elementary School's gymnasium.

Superintendent Robinson will address key topics, i.e., strategic planning and new athletic venues which will provide valuable insights into the future of our school district. This is a chance for the community to engage directly with the superintendent, ask questions, and share perspectives.

Your participation is crucial in shaping the direction of our educational community. We encourage parents, guardians, teachers, staff, and community members to attend and actively participate in these Critical Conversation Events.

We look forward to your presence and constructive contributions to these discussions.
