

MyPowerHub Parent & Guardian Overview

MyPowerHub Overview

MyPowerHub brings together key information about your child(ren) from multiple PowerSchool tools, conveniently consolidated into one easy-to-access view. Effortlessly access grades, assignments, newsfeeds, two-way messaging, and more—all in a single, centralized hub. Key features of MyPowerHub are:

- **PowerTiles:** These dynamic tiles function as interactive hubs, bringing together data from a range of educational technology solutions into a single, convenient platform.
- **Centralized Location:** Find information on class schedules, grades, assignments, announcements, directory and more!
- **Access from Anywhere:** MyPowerHub is currently available through any web browser and is mobile-responsive, so can be easily viewed on a mobile phone or tablet as well.

Navigate to <https://mcpss.guardian.powerschool.com>

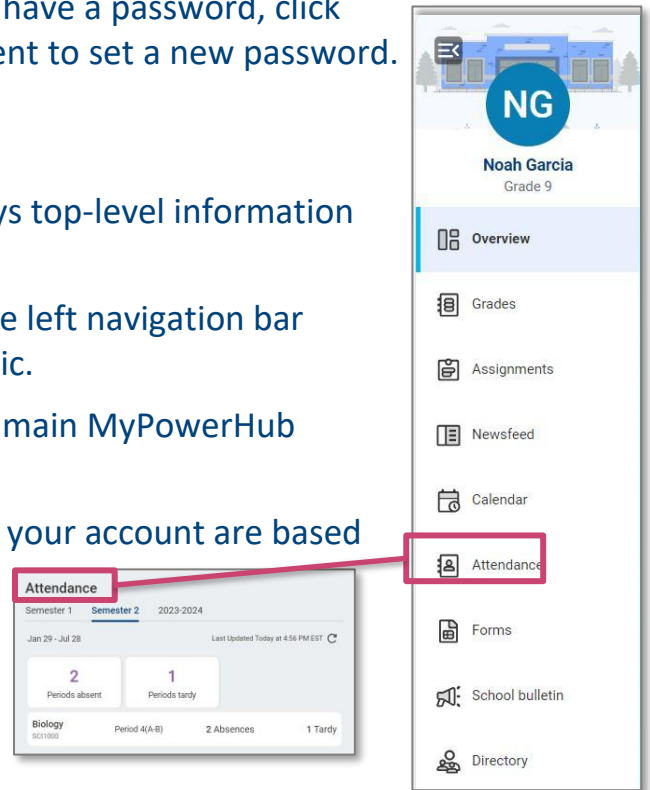

For Mobile Devices download the MCPSSConnect App

Enter the email you use for Online Registration/Schoology and click Continue. If you previously logged into Schoology, you will use the same password. If you get an invalid password, or don't have a password, click the "Forgot Password?" link and an email will be sent to set a new password.

Navigating MyPowerHub

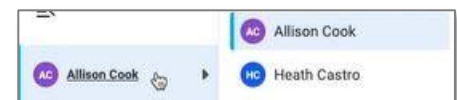

1. Within MyPowerHub, each **PowerTile** displays top-level information for at-a-glance consumption.
2. Selecting the **PowerTile menu item** within the left navigation bar will provide additional details about that topic.
3. Select **Overview** at any time to return to the main MyPowerHub view.

NOTE: The menu items and PowerTiles available in your account are based on the PowerSchool applications your district has purchased, so your menu items may vary.

Navigating Between Students

1. Toggle between students using the **Student Switcher** menu. Select the child's name, then select a different child to view corresponding information.

NOTE: If you have only one child associated with your PowerSchool account, you will not have a Student Switcher menu.
