January 22, 2026

Dear Scholarship Coordinator,

Our Sea Mar Scholarships for the 2026 – 2027 academic year are now open! Here is a brief overview of our Sea Mar Scholarships:

### Sea Mar Farmworker High School & College Scholarships

Sea Mar recognizes and acknowledges the barriers children of farm working families face in their pursuit of a college degree. Economic strains, as well as the language and cultural barriers can often affect these students. Sometimes students need to work after-school and all summer to assist their family. Sea Mar is proud to provide annual scholarships to help make college a reality.

Award amount: \$1,000.

You can access this scholarship here [www.seamar.org/scholarships](http://www.seamar.org/scholarships).

### Latino/a Educational Achievement Project Scholarship

The Sea Mar Latino/a Educational Achievement Project Scholarship provides financial support for students who demonstrate a history of advocacy, responsibility, accountability, perseverance, are go-getters, and have shown or have the strong potential to be contributors to their community.

Award amount: \$2,500

You can access this scholarship here: [www.seamar.org/scholarships](http://www.seamar.org/scholarships).

**Both scholarships are now open and will be closing on April 15, 2026.**

Enclosed is a template announcement that can be used over your PA system and a flyer promoting our scholarships in English and in Spanish. The flyers attached have a QR code that will direct scholars to our scholarship website where they can learn more about our scholarships and apply. You can also access our scholarship web page here: [www.seamar.org/scholarships](http://www.seamar.org/scholarships).

Please help us recruit eligible students by posting the flyers around your school, institution, or community and announcing this great scholarship opportunity. We would highly appreciate it if you could pass this message along to other community leaders who can disseminate this information to eligible students. If you would like Sea Mar to present our scholarship opportunities to students, or to host a workshop/working session, please connect with me directly.

Thank you all so much for your continued efforts in leading/guiding the next generation! Please do not hesitate to connect with me should you have any questions.

Atentamente,

Kenia Diaz
