

2025 - 2026 CONTINUOUS IMPROVEMENT PLAN

OUR PURPOSE:

Every Student Empowered, Every Student Succeeds!

The continuous improvement plan is a roadmap that outlines specific goals that a school, with the help of the community and other stakeholders, will undertake within a school year. The purpose of this plan is to guide the school's problem-solving and planning process throughout the year and help identify and organize strategies and resources that will lead to increased student achievement.

STRATEGIC THEME 1: CULTURE FOR LEARNING

Priority Statement

Stakeholders are included and actively engaged in creating and sustaining a healthy culture for learning that meets the needs of all students.

Objective

To support the Elmore County Public School's efforts to include all stakeholders in the educational process by enhancing communication.

Critical Initiative

To establish clear, consistent, and accessible communication strategies across all platforms (email, Parent Square, social media, school website, newsletters) to ensure timely information reaches all stakeholders.

STRATEGIC THEME 2: LEADERSHIP FOR LEARNING

Priority Statement

Schools are equipped with student-focused leaders who engage in their own learning, positively impact others, communicate consistently, and express clear expectations for staff and students.

Objective	To collaborate at the school and district levels to enhance teaching and learning.	Critical Initiatives
		To encourage collaboration through professional development and shadowing.
		To elevate small group instruction and formative assessment usage to adjust instruction to meet student needs.
STRATEGIC THEME 3: ENGAGEMENT OF LEARNING		
Priority Statement		
All learners are engaged in a student-centered environment that encourages them to participate with confidence and have ownership in their own learning.		
Objective	To decrease chronic student absenteeism as reflected in PowerSchool and, thereby, increase student engagement.	Critical Initiatives
		To provide positive behavior supports and incentives to bolster student attendance.
		To enhance student engagement by utilizing goal setting through the use of progress monitoring.
STRATEGIC THEME 4: GROWTH IN LEARNING		
Priority statement		
Learners are positively impacted with engaging material, college and career readiness, and development of knowledge and skills to prepare them for the next transition.		
Objective	To increase proficiency in math and ELA, including subgroups, as measured by the 2026 ACAP Summative.	Critical initiatives
		To implement ELA and math instructional supports for students receiving Tier III services.
		To provide Tier II instructional support and spiral review in math and ELA for all students with the use of small group instruction by general education teachers, the math instructional coach, and interventionists.
		To implement state-mandated and monitored instructional practices that enhance student growth in math as a limited support school.
