### **Moment of Silence**

HB529 requires school principals to have a moment of silence each day for at least 1 minute but no longer than 2 minutes. Parents please take time to discuss with your child how they can use this time as it pertains to your household.

### **Field Trips**

Field trips are a part of our schools' programs of activities. The same Code of Conduct required at school will be enforced during these functions. Bus rules are to be observed on such trips as well. Parents will receive information regarding field trips in advance and we encourage parents, if space is available, to accompany their children on field trips. Parents may sign their child out during the trip or at the end in order for their child to ride home with them, but all students are to ride to the event on the school bus as they are participating in a school-sponsored event. - c. Conferences between parents and teachers may be scheduled after the end of the school day.
- d. If parents or teachers want the principal to participate in the conference, the teacher or parent should notify the principal in advance.

### **Sign-Out Policy**

**Early sign outs are strongly discouraged.** When a student is signed out early, valuable teaching opportunities are lost. Please make every effort to leave your child in school until school dismissal time. However, if a child is sick (excused by clinic), or a child has a doctor/dentist appointment then a parent/guardian or someone that has written authorization **MUST** sign out the student to leave campus in the front office. They are the parents, grandparents, neighbors and friends that help with fund-raisers, field trips, family night activities, recognition programs, teacher appreciation activities and a variety of other projects.

Serving on a **School Advisory Council (SAC)** is another opportunity for parents to become involved. By state mandate, our membership must consist of at least 51% non-school-based personnel. Parents, business and community leaders must make up this percent and must maintain a racial/ethnic balance percentage-wise, based on the student population at the school. We also strive to balance the membership according to the socio-economic status of our students. The parents at large will be given the opportunity to vote after school begins. In accordance with the Florida Sunshine laws, our SAC meetings are always open to the public. All parents and other stakeholders are invited to attend these meetings.

Volunteering in the classroom is another opportunity for parents to become involved in the school. Our staff will help to make your participation at the school a most enjoyable and productive experience. All volunteers will need to complete our Volunteer Survey and application and provide a copy of drivers' licenses then return it to the school so we may get you started. The school district will put into operation programs, activities and procedures for the involvement of parents in all of its schools with Title 1, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children. ## **Attendance: Taylor County School Board ATTENDANCE REGULATIONS**

The Legislature finds that poor academic performance is associated with nonattendance and that school districts must take an active role in promoting and enforcing attendance as a means of improving student performance. The Legislature finds that early intervention in school attendance is the most effective way of producing good attendance habits that will lead to improve student learning and achievement.

Attendance procedures shall be carried out in accordance with Taylor County School Board Rule 5.02, Florida Statute 1003.26, and the Code of Student Conduct and Attendance Policies.

Changes will be made with the consideration of COVID with guidance from Taylor County School District and the Health Department.

Failure to comply with this requirement shall result in the absence being unexcused.

If a student fails to bring a note within two (2) school days after being absent, or if the reason is not a valid one, the student will receive an unexcused absence for the days/classes missed and the following rules will be in effect.

- The student will receive a "0" in all classes missed during the unexcused absence; and Students with unexcused absences and determined to be truant or skipping are subject to disciplinary action.

## Taylor County School District Discipline

To establish reasonable consistency in the schools, a uniform Discipline Code has been developed. Definitions of terms used can be found in the Glossary. Consistent with the Code of Student Conduct, the principal or designee is responsible for discipline and determines the level of the behavior and its appropriate consequence. Schools and teachers may develop individual rules and disciplinary practices which supplement the Code but do not conflict with it. It is the intent of the DSBTC that the principal or designee of each school has a reasonable degree of choice in determining the level of a student's behavior and the resulting consequences. The factors to consider include, but are not limited to:

- \* Seriousness of offense
- \* Premeditation, impulse, or self-defense
- \* Age and/or disability
- \* Strength of evidence
- \* Cooperation/remorse
- \* Disciplinary history

Behaviors and their consequences are divided into four levels. Each level represents progressively more serious misbehavior and consequence. School support staff and/or community resource agencies may be involved. Under the Individuals with Disabilities Education Act (IDEA), students who have been identified as educationally disabled and are receiving ESE services are subject to additional disciplinary guidelines that are different than those for non-disabled students.

### **Level I Discipline – School wide Behavior Management**

Level I offenses are minor acts of misconduct which interfere with orderly classroom procedures, school functions, extracurricular programs, approved transportation, or a student's own learning process. These offenses may be handled first by the teacher or other staff member involved. If additional action is necessary because of continued violation or other concerns, the student will be referred to the principal or designee for appropriate disciplinary action. The teacher or school administrator/designee, after review of the student's explanation, consultation with other persons involved and further investigation (when needed), will determine appropriate disciplinary action consistent with this Code and attempt to contact parents.

### **Level II Discipline**

Level II offenses are intermediate acts of misconduct which require administrative intervention, including, but not limited to, repeated minor misconduct and acts directed against persons or property but which do not seriously endanger the health or safety of others. After review of the student's explanation, consultation with other persons involved, and further investigation (when needed) the school administrator/designee will determine appropriate disciplinary action consistent with this Code and attempt to contact parents.

### **Level III Discipline**

Level III offenses are serious acts of misconduct, including, but not limited to, repeated similar misbehavior, serious disruptions of the orderly conduct of school, threats to health, safety, or property and other acts of serious misconduct. These offenses must be reported to the principal/designee and may result in immediate removal of the student from the school or extracurricular activities. The principal/designee will investigate the behavior and determine appropriate disciplinary action consistent with this code and contact parents.

### **Level IV Discipline**

The most serious acts of misconduct are included in this level; they must be reported immediately to the principal/ designee. These violations are so serious that they may require district administrators, outside agencies and/or law enforcement. The principal/designee will investigate the behavior and determine appropriate disciplinary action consistent with this code and contact parents. Such acts may also result in criminal penalties being imposed. The principal/designee may recommend the expulsion of any student who has committed a serious breach of conduct.

Students are expected to behave appropriately at school. Misbehavior that violates the rights of others, disrupts the school, or interferes with learning is not acceptable.

Changes will be made with the consideration of COVID with guidance from Taylor County School District and the Health Department.
