School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2022-23 School Year

Projected Revenue by Fund Source

This chart shows the total general purpose revenue Happy Valley Elementary School District expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Happy Valley Elementary School District is \$1,681,957.7, of which \$12,481,55 is Local Control Funding Formula (LCFF), \$111,380.24 is other state funds, \$160,498.46 is local funds, and \$161,924 is federal funds. Of

the \$12,481,55 in LCFF Funds, \$22,764 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Happy Valley Elementary School District plans to spend for 2022-23. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Happy Valley Elementary School District plans to spend \$1,833,836.84 for the 2022-23 school year. Of that amount, \$434,272.00 is tied to actions/services in the LCAP and \$1,399,564.84 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Increased or Improved Services for High Needs Students in the LCAP for the 2022-23 School Year

In 2022-23, Happy Valley Elementary School District is projecting it will receive \$22,764 based on the enrollment of foster youth, English learner, and low-income students. Happy Valley Elementary School District must describe how it intends to increase or improve services for high needs students in the LCAP. Happy Valley Elementary School District plans to spend \$ towards meeting this requirement, as described in the LCAP.

The amount require to provide services for high needs students is 1.82%, which the LCAP has accounted for.

California’s 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. The following is a one-time mid-year report to the local governing board or body and educational partners related to engagement on, and implementation of, these Acts.

A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP).

Happy Valley engaged numerous stakeholder groups, including the Board, teachers, staff and parents, to address all funding allocated through the Budget Act of 2021. Part of their charge was to review and identify areas of need beyond what was already accounted for in the 2021-22 Local Control and Accountability Plan (LCAP). Our goal is to come up with plans and support that have and will provide the best supplemental instruction and support to students as possible, focusing on academic learning loss, social-emotional supports. The funds have gone toward implementing both with personnel and support materials.

A description of how the LEA used, or plans to use, the additional concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.

Happy Valley does not receive any concentration funds.

A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.

The LEA engaged the following groups on the following days to discuss one-time federal funds.

Parent Club 8/18/2021, 10/20/2021
Staff 10/1
Board 10/13

Because funds and resources are limited, the groups determined the best use of the funds is for personnel, including a full-time academic coach and intervention aide. There have also been additional garden and counseling hours added.

A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.

Happy Valley is primarily using ESSER III to support students through a full time academic intervention teacher, an intervention aide, and garden hours. While 1/2 the class in engaged in the garden, the teacher is able to target skills in the classes with small groups. A small portion of the money has been used to purchase PPE.

A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA's 2021–22 LCAP and Annual Update.

The action steps in this update were developed in consultation with stakeholders after soliciting public comment via electronic surveys, staff meetings, and board meetings and parent nights. Greater detail for involvement can be found on our LCAP.

Instructions for the Supplement to the Annual Update for the 2021–22 Local Control and Accountability Plan Year

For additional questions or technical assistance related to the completion of the Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan (LCAP), please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at lcff@cde.ca.gov.

Introduction

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. Section 124(e) of Assembly Bill 130 requires LEAs to present an update on the Annual Update to the 2021–22 LCAP and Budget Overview for Parents on or before February 28, 2022, at a regularly scheduled meeting of the governing board or body of the LEA. At this meeting, the LEA must include all of the following:

- The Supplement to the Annual Update for the 2021–22 LCAP (2021–22 Supplement);
- All available mid-year outcome data related to metrics identified in the 2021–22 LCAP; and
- Mid-year expenditure and implementation data on all actions identified in the 2021–22 LCAP.

When reporting available mid-year outcome, expenditure, and implementation data, LEAs have flexibility to provide this information as best suits the local context, provided that it is succinct and contains a level of detail that is meaningful and accessible for the LEA's educational partners.

The 2021–22 Supplement is considered part of the 2022–23 LCAP for the purposes of adoption, review, and approval, and must be included with the LCAP as follows:

- The 2022–23 Budget Overview for Parents
- The 2021–22 Supplement
- The 2022–23 LCAP
- The Action Tables for the 2022–23 LCAP
- The Instructions for the LCAP Template

As such, the 2021–22 Supplement will be submitted for review and approval as part of the LEA's 2022–23 LCAP.

Instructions

Respond to the following prompts, as required. In responding to these prompts, LEAs must, to the greatest extent practicable, provide succinct responses that contain a level of detail that will be meaningful and accessible for the LEA's educational partners and the broader public and must, to the greatest extent practicable, use language that is understandable and accessible to parents.

In responding to these prompts, the LEA has flexibility to reference information provided in other planning documents. An LEA that chooses to reference information provided in other planning documents must identify the plan(s) being referenced, where the plan(s) are located (such as a link to a web page), and where in the plan the information being referenced may be found.

Prompt 1: *"A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP)."*

In general, LEAs have flexibility in deciding what funds are included in the LCAP and to what extent those funds are included. If the LEA received funding through the Budget Act of 2021 that it would have typically included within its LCAP, identify the funds provided in the Budget Act of 2021 that were not included in the LCAP and provide a description of how the LEA has engaged its educational partners on the use of funds. If an LEA included the applicable funds in its adopted 2021–22 LCAP, provide this explanation.

Prompt 2: “A description of how LEA used, or plans to use, the concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.”

If LEA does not receive a concentration grant or the concentration grant add-on, provide this explanation.

Describe how the LEA is using, or plans to use, the concentration grant add-on funds received consistent with California Education Code Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

In the event that the additional concentration grant add-on is not sufficient to increase the number of staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, describe how the LEA is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Prompt 3: “A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.”

If the LEA did not receive one-time federal funding to support recovery from the COVID-19 pandemic and the impacts of distance learning on students, provide this explanation.

Describe how and when the LEA engaged its educational partners on the use of one-time federal funds it received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on students. See the COVID-19 Relief Funding Summary Sheet web page (<https://www.cde.ca.gov/fg/cr/relieffunds.asp>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<https://www.cde.ca.gov/fg/cr/>) for additional information on these funds. The LEA is not required to describe engagement that has taken place related to state funds.

Prompt 4: “A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.”

If an LEA does not receive ESSER III funding, provide this explanation.

Describe the LEA’s implementation of its efforts to maintain the health and safety of students, educators, and other staff and ensure the

continuity of services, as required by the federal American Rescue Plan Act of 2021, and its implementation of the federal Elementary and Secondary School Emergency Relief (ESSER) expenditure plan to date, including successes and challenges.

Prompt 5: “A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA’s 2021–22 LCAP and Annual Update.”

Summarize how the LEA is using its fiscal resources received for the 2021–22 school year to implement the requirements of applicable plans in a manner that is aligned with the LEA’s 2021–22 LCAP. For purposes of responding to this prompt, “applicable plans” include the Safe Return to In-Person Instruction and Continuity of Services Plan and the ESSER III Expenditure Plan.

Plan Summary [2022-23]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

The Happy Valley School District, established in 1864, is a single school, Basic Aid district with a well established history of community and parent involvement. The Local Control and Accountability Plan (LCAP) fits into this small school culture as stakeholder input is both valued and appreciated. The Board, LCAP Parent Advisory Committee, Parent Club, and Staff routinely have open meeting discussions regarding student achievement, Common core standards aligned implementation, and alignment of spending priorities. Happy Valley School District serves the students and community with a mission and vision of continuous improvement, dedication to the arts and music, developing the whole child, and providing students with an academic setting that will ensure success both in secondary and college settings. Happy Valley has a long standing reputation for excellence and has traditionally been one of the top ranked schools in Santa Cruz County, and in the top 10% of schools in the state for over the past 10 years.

With a current enrollment of 115, Happy Valley School District has been awarded the Ocean Guardian grant and is in the process of becoming a Green School. The District is K-6 and is comprised of inter-district and in district students. A wait list of over 100 students is maintained. Because of an increase of properties for sale in the Happy Valley School district boundaries, the demographics have changed and the school district rarely accepts new inter-district transfer students, thus changing a long tradition. Parents fundraise to maintain art, music, garden, and library. The goal of the Parent Club is to raise \$100,000 a year with the ability to put a percentage of the money into the Happy Valley Endowment Fund that is held at the Community Foundation. Started in 1990, the Endowment Fund currently has a balance of over \$1.8 million, thanks to a \$571,000 gift from a community member who left HVS as a beneficiary. This funds the instructional aides each year. The short term goal was to raise the fund to a \$1 million and that has been reached, with a long term goal of \$3 million, thus lessening the burden on the parents to fundraise at the current level. In June of 2018, a parcel tax was passed to "support academic excellence, maintain quality art and music programs, integrate technology into the classrooms, retain high quality teachers and provide local funding that cannot be taken away by the state." In the 2021-22 school year, HVS utilized the parcel tax for teacher stipends, a Tech Design and Science teacher, Tech Support and materials, curriculum support resources.

All required metrics outlined by the CDE have been included with the exception of those listed that do not apply to our K-6 District: Advanced Placement scores, Career and Technical Ed (CTE) preparation, Early Assessment Program (EAP) scores, Middle or High School dropout rates, and High School graduation rates. In addition, there are no statistically significant Racial/Ethnic subgroups, or Foster Youth attending school in our District. In 2015-2016, 10 goals were implemented to meet the needs of all students including Special Education students with identified learning targets on their Individualized Educational Plans (IEP) and unduplicated students. In 2016-2017, the goals were consolidated from 10 to 3: Engagement, Access and Opportunity, and Pupil Achievement. Since Happy Valley School is a small school district, and because HVS is an LEA that doesn't have significant subgroups, we principally direct the use of the supplemental funds to have instructional aides in each and every class. Although all students benefit from a classroom aide, this model was put in place to intentionally meet the needs of our unduplicated students as well as at risk students.

Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

Happy Valley is committed to support the safety, academic, and social-emotional needs of students and staff. This was especially important when the school returned to in-person learning following the pandemic. Although there is a small number of students who are socio-economically disadvantaged, English Learners and Foster Youth, Happy Valley ensures that the students in these groups are considered first when planning resources and actions. Because of the Pandemic, the California School Dashboard does not have data regarding student performance. However, local benchmarks are given throughout the year, and it is clear that students are making progress in both English Language Arts (ELA) and Math. Staff, Parent and Student surveys have been given throughout the year, and it is apparent that the community is happy with the current focus areas and support that are outlined in the LCAP.

Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

The greatest need for Happy Valley still is the aging facility and the need for Modernization. At this time, the school district has a restroom approval plan submitted to DSA. The Modernization of the Administrative office will follow with added scope to maximize funding opportunities. Two portable replacements have been added to the plan. In response to parent and staff surveys, the District determined that training for Tiered intervention, equity training, and a focus on SEL for families and children to build community have been top priorities for the 2021-2022 school year. Although students showed sufficient progress throughout the year, the scores appear lower than the baseline benchmarks. However, with distance learning, it was difficult to find a true assessment of all students. We feel that by collecting data throughout the year, we have a clearer picture of student progress. For 2022-23, continued support will be given in both academics and Social Emotional Learning.

LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

Because of the small size of Happy Valley School, and the lack of significant subgroups, the LCAP is written to meet the needs of all students, with supplemental funds principally directed towards unduplicated students. All strategies and staffing decisions made are designed to support those students, including staffing for small class sizes and instructional aides. In 2021-2022, a 1.0 FTE Academic Coach and Intervention Specialist were hired to assist teachers with assessments, intervention, SST's, 504's and Tiered Support. Another focus has been on community wide SEL (Social Emotional Learning), equity training and continued in class Peacebuilder programs.. All programs that were shut down due to the pandemic fully reopened.

LCAP Goals are:

Goal 1: **ENGAGEMENT:** Happy Valley School District will provide a safe and engaging environment for students and families will be actively involved in the educational process.

Goal 2: **PUPIL ACHIEVEMENT:** Happy Valley School District will fully implement Common Core Standards. The teachers will be fully trained and provided with appropriate, aligned materials and technology integration to ensure all students are college and career ready. Social and emotional well being of the students will be a priority.

Goal 3: **ACCESS AND OPPORTUNITY** Happy Valley School District will ensure facilities, communication, and course access are responsive to the needs of all of our students.

Engaging Educational Partners

A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP.

Happy Valley School District works hard to keep our community informed, up-to-date, and engaged in the educational process. Multiple Stakeholders have been engaged with both remote and face to face meetings. Surveys to parents, staff, and students were given to receive input regarding programs, identified needs, areas of growth, success and needs going forward. The Santa Cruz County SELPA is a direct partner with HVS. The SELPA director works hand in hand with the HVS Superintendent and on a continuous basis to collaborate with regards to Special Education placements, and best practices. This plan was reviewed by the SELPA in late May of 2022.

STAFF: 8/13/2021, 4/15/2022, 4/20/2022
BOARD: 9/8/2021, 4/20/2022
SCHOOL SITE COUNCIL: 10/20/21, 3/10/2022
PARENT SURVEY: 11/2021, 5/2022
PARENT CLUB: 11/17/2021, 3/16/2022
STUDENTS: March, 2022

A summary of the feedback provided by specific educational partners.

Previous feedback was information obtained through the parents survey, 2020-21. Areas of strength: Student access to reading, writing, and math, respect, awareness of fundraising needs, and school responsiveness. Most notably, almost all parents feel that the school helps students to be their best selves during the day.. Areas of focus: Communication regarding social emotional curriculum and discipline policies and procedures.

2021-22:

The Staff and Parent Club both expressed appreciation for the current focused goals and services.

The Board of Trustees had questions regarding funding and suggestions for action steps. School Site Council (SSC) gave input to the parent survey.

Two parents surveys were given, one in the fall and one in the spring. Participation in fall was over 59%, while in the spring it was 52%.

Areas of strength continue to be communication and school responsiveness, and that parents feel their children's academic and social needs are met. One of the highest responses was that OVER 95% of parents responded, "My student feels safe at school." The main focus area is allowing volunteers, which was severely impacted by COVID restrictions. Parents asked that the school consider after school activities, provide school lunches, offer Spanish, upgrade the field, and offer challenge to students who are currently at or above grade level. Numerous ideas were given to facilitate parent engagement.

All students were surveyed. Most students feel adults care for them and they feel safe in the classroom. Some students do not feel as safe on the playground, due mostly to balls that might hit them or lots of students on the equipment. Most feel the work is "just right". More students said that some students respect each other, rather than most of them. Many said that what they love best about the school is how caring, fun and close the community is.

Input on Goals and Services:

Goal 1 ENGAGEMENT: Because attendance was greatly impacted by the pandemic, consider moving the money set aside for attendance initiative to the SEL program. (Board); Continue offering extra counseling support. (Staff)

Goal 2 PUPIL ACHIEVEMENT: Add an action step for the planned dedicated library space, more library books (Board, Parents, Students); Add an action step about the Garden and becoming a Green Business (Board); Consider adding a dedicated science room (Staff)

Goal 3 ACCESS AND OPPORTUNITY: Consider adding additional supports, such as a PE coach or PE equipment (Staff, Students); Consider adding a Spanish teacher (Parents, Board); Provide after school activities (Parents)

A description of the aspects of the LCAP that were influenced by specific input from educational partners.

In 2022-23, there will be a continued focus on Social-Emotional Learning. With the adoption of a new Social Studies Curriculum, teachers will be trained in implementing diverse lessons into their curriculum. There will be a new library and the adoption of Reader's Workshop., and new books will be purchased that are specifically focused on inclusion, diversity and kindness. The District will investigate hiring a Spanish teacher, as well as creating a dedicated science room. Happy Valley will serve hot lunch next year. Most of the actions in the LCAP will continue.

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Happy Valley is very proud of the actions that were implemented in this year as we returned to school after the shut downs in 2020 and 2021. The mental health counseling hours were increased, parent and staff handbooks were updated, and every teacher used the PeaceBuilder program. A student council was elected with representatives in each class, and there were monthly PeaceBuilder assemblies. The staff received social justice training in October and the District purchased kits for every classroom with diversity curriculum and lessons. We could not have volunteers for most of the year due to the Pandemic. Letters were sent to parents regarding chronic absences, although an attendance initiative program was not recommended because of the spread of COVID-19.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

The money set aside for attendance will be used to support social-emotional learning.

\$100,000 was a general estimate toward the cost of library, music, art, garden and teaching assistants. Some of the expenditures were paid from one time money.

Because money was not needed for Social Justice training, the expenditures were charged to counseling.

An explanation of how effective the specific actions were in making progress toward the goal.

Every family who requested counseling was able to have their student served. There were small groups offered, and the mental health counselors presented lessons in every classroom. With one-time funding, an occupational therapist visited every classroom and supported students and families with activities to support students. In addition to monthly PeaceBuilder assembly, there was a weekly flag raising ceremony that all students participated, and the classes took turns presenting. The school voted on a new mascot, Harriet the Hawk, named by the 6th grade class. Parents, staff and students have all expressed that there is a positive culture at Happy Valley. Of the 14 students who qualify as unduplicated, all were considered for counseling, and 3 of them received regular support.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Although attendance is important, incentivizing attendance is not recommended at this time,.
In 2022-23, the District will invest in a company to support the school website, with an increased cost of \$2200. Feedback from stakeholders has informed the decision, as communication will be increased.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

There were no substantive differences in planned actions and actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Due to the fact that the pandemic prevented teachers from fully implementing FOSS over the last few years, Happy Valley has not yet purchased the 3rd unit of FOSS. There was not a need to participate in extensive TTP development. Although Staff continued to use the Lucy Calkins Writers workshop curriculum and work as a team on conferencing skills with students, there was not a cost to the work. The cost of the additional instructional assistant was more than was originally allocated.

An explanation of how effective the specific actions were in making progress toward the goal.

All staff were trained in Writer's and Reader's workshop, with planned ongoing training and support in 2022-23. The teachers participated in a schoolwide writing calibration. Benchmark assessment results were analyzed three times a year as a staff, and information was used individually, classwide, and schoolwide. Intervention was provided as appropriate. Of the 14 unduplicated students, 10 needed and received intervention services. The other 4 students were at grade level, and regularly assessed. Two of other students were English Learners and

received additional support. Of the 10 students who received support, they all either maintained or improved their scores on the benchmarks in ELA and Math.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

The metric for 6th grade was removed because it is not required by the state. Intervention will focus on Reading and Math.

Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

HVESD is anticipating 10% unduplicated pupil percentage (UPP) in 2022-2023 and principally directs the supplemental funding to its disadvantaged population on a school wide basis. The staff meets regularly to review classroom and school wide data to consider what is working and what needs we still have. During these date discussions, we review observational data, student work samples, local formative assessments results, and IEP progress. Additional funds from the base are allocated towards services provided to small groups that include disadvantaged and individual students in those designated subgroups. As the district is a small, one school TK-6 district of approximately 120 students (projected for 2022-2023), these methods ensure that the services can be delivered in a grade-appropriate manner to our students in designated subgroups.

Low income students perform slightly lower than all students in benchmarks. However, all students in this category showed gains over the course of the year in ELA and math, either on benchmarks or on their IEP goals. Additionally, all were considered for intervention support and the majority received intervention services. 3 students required and received counseling services throughout the year. 5 of the students will not be at Happy Valley next year, but we will be sure to assess the remaining students early and provide intervention as quickly and as often as possible. We expected that services provided by the intervention teacher and assistant will increase or improve outcomes for all of our low income students..

The district is delivering increased and improved services for unduplicated students beyond the basic program for its unduplicated population, well in excess of the 1.84% required. Because the district is so small and because the students in the subgroups are so few, most supplemental funds are used on a school wide basis and are principally directed to meet the needs of those unduplicated students. While we acknowledge that other students will benefit from services provided by those principally directed actions delivered on a school wide basis, these actions were intentionally developed to meet the needs of our unduplicated student groups. \$37,500.00 is budgeted to increase or improve services, \$22,764 of which are supplemental LCFF funds. The district provides direct ELD services in the classroom for its English Language Learners and additional support through one on one instruction if needed. The district also hired a 1.0 FTE intervention teacher with COVID funds as well as a .3875 FTE intervention instructional aide to assist with students which will also allow for more focus on unduplicated students.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

The staff at Happy Valley School District recognize the importance of support for our foster, low income, and English language learners. Our intervention staff and instructional aides prioritize additional support and supplemental supports for this special population of students on our campus.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Policy 6112: School Day

Status: ADOPTED

Original Adopted Date: 06/27/2013 | **Last Revised Date:** 02/09/2022 | **Last Reviewed Date:** 02/09/2022

The Governing Board shall fix the length of the school day in accordance with law. (Education Code 46100)

At each school, the length of the school day shall be the same for all students, except as otherwise permitted by law. For any student with a disability, the length of the school day shall be as specified in the student's individualized education program or Section 504 plan.

The daily schedule for elementary schools shall include at least one period of recess of at least 20 minutes, during which students shall be provided supervised opportunities to engage in unstructured physical activity.

In establishing the daily instructional schedule for each secondary school, the Superintendent or designee shall give consideration to course requirements and curricular demands, availability of school facilities, and applicable legal requirements.

The Board encourages flexibility in scheduling so as to provide longer time blocks or class periods when appropriate and desirable to support student learning, provide more intensive study of core academic subjects or extended exploration of complex topics, and reduce transition time between classes.

Prior to implementing a block or alternative schedule that will allow secondary students to attend school for fewer school days than the total number of school days for which the school is in session, the Board shall consult in good faith, in an effort to reach agreement with the certificated and classified employees of the school, parents/guardians of the students who would be affected by the change, and the community at large. Such consultation shall include at least one public hearing for which the Board shall give adequate notice to the employees and to the parents/guardians of affected students. (Education Code 46162)

G. ASSUMPTIONS

Please provide below the assumptions used to determine the projections for the first and second subsequent fiscal years.

Local Control Funding Formula Revenue:

Increases in Property Tax revenues received through the County of Santa Cruz have been lower the past two years than they have historically been, currently being closer to 3.3%. The district is currently projecting property tax increases at 3% each year for the 2022/23 budget year and for both the 2023/24 and 2024/25 fiscal years in the multi-year projections (MYP). Since Happy Valley is a Basic Aid / Community Funded district, revenue increases for operational funding will be received through property tax increases.

The District is projecting that Average Daily Attendance (ADA) will be 113 in the 2022-23 budget year in relation to budgeted enrollment of 120, projecting an enrollment to ADA ratio of 94.2%. Currently, this ratio is 93.6% as the pandemic has caused lower ADA due to illness, quarantine and other factors. Enrollment in the subsequent two fiscal years is projected to remain flat at 120 however ADA is projected to increase to 114 in 23/24 and remain flat in 24/25. ADA ratios are projected to gradually return to pre-pandemic levels over the next few years. The District is projected to maintain its Basic Aid status through the multiyear projections. This Basic Aid status could change with a large increase in ADA, a large ongoing increase in state funding or with property rates lower than currently estimated.

In November 2012, Proposition 30 passed and created the Education Protection Account (EPA). Proposition 55 passed in November of 2016, which extended this additional state revenue. For Local Control Funding Formula (LCFF) funded districts, these dollars are a component of the revenue that makes up funding of the LCFF revenue, as well as property taxes and state aid. Basic Aid districts receive \$200 per ADA in addition to their property tax revenues. All EPA funds the District receives will be used to pay for instructional staff only.

LCFF Supplemental funding is generated by the district's percentage of students in three demographics: socio-economically disadvantaged, English language learners and Foster youth. The district's unduplicated pupil population is estimated at 12 students in the budget year. The three-year rolling average of the district's unduplicated pupil percentage (UPP) is estimated at 11.08% in the budget year. This generates \$22,764 in Supplemental revenue through the Local Control Funding Formula. Even though the district is funded solely through property tax revenues, it is still necessary to separately account for these funds and so they are recorded in unrestricted resource #0700. These dollars are required to be reported in the district's Local Control Accountability Plan (LCAP), although other funds may also be included in the plan. This resource is expected to require a contribution in 21/22 and that will be calculated when the books are closed. Currently, this resource is projecting a negative ending fund balance in the current year and that balance is carried forward into the budget year and the MYP. At unaudited actuals, a contribution will be made and the ending balance will be zero.

State Unrestricted Revenue:

Other than Lottery and the Mandated Block Grant, the district no longer has any ongoing unrestricted categorical funding. Non-Prop. 20 Lottery funding is estimated at \$163 per ADA in all budget years. The district will request their allocation of the Mandated Block Grant for the budget year instead of opting to file claims. The grant amount is \$3,586 in the budget year.

Federal Unrestricted Revenue:

Funding for MAA is not included in any future budget year. This funding is only budgeted when cash is actually received.

Local Unrestricted Revenue:

A \$5,000 budget for interest revenue has been included in 22/23 and both future years. All donation revenues in the unrestricted resources have been removed from the budget year and both future years.

Transfers:

The district is projecting to transfer out \$20,000 to the Special Reserve Fund in all fiscal years.

The district is projecting a transfer in from the Endowment Fund in all years: \$22,242 in the current year, \$38,791 in the budget year, and \$42,160 in each year of the MYP.

Staffing –

Salaries and benefits:

Salary Increase – The 22/23 Budget includes step & column costs for certificated employees and classified employees as calculated by the county financial software. The Budget also includes an estimated 5% salary increase for certificated staff and classified administrative staff. In the MYP for 23/24, a 2% projected increase in step and column adjustments and an estimated 5% increase in salaries were included in the projected budget. In 24/25, a 2% projected increase in step and column adjustments were included in the projected budget.

Health and Welfare benefits – The district continues to pay 100% of the current costs for dental and vision plans for the “employee plus one” in all budget years; the monthly per person cost for vision is \$23.06 and for Dental is \$102.82, and is based on FTE. In the 22/23 Budget year, the medical is budgeted at \$1,400 per month, based on FTE. These costs are currently budgeted to remain flat in the MYP.

STRS & PERS rates – The State Teachers Retirement System (STRS) rate is projected to increase from 16.92% in the current year to 19.10% in 22/23, and is currently projected to remain at that level through the MYP. The Public Employees Retirement System (PERS) rate is projected to increase from 22.91% in the current year to 25.97% in 22/23, and is projected to be 25.2% in 23/24 and 24.6% in 24/25.

FTE – There is no change to FTE in the budget year. In 23/24, there is a reduction in certificated FTE of 1.0 in total, although there is a small budget for some additional hours. Of this FTE, 25.83% is in the unrestricted resources.

Books, Materials, Supplies, Contracts, Services, and other Operational Costs (objects 4000's and 5000's):

4000s – 22/23 has been projected based on the current year 21/22 budget and prior year actuals incurred. A 2% increase has been budgeted in all years for inflation. Universal meals has added \$7,500 in anticipated costs to this expenditure category in the budget year and MYP.

5000s – 22/23 has been projected based on the current year 21/22 budget and prior year actuals incurred. A 2% increase has been budgeted in all years for inflation and increased utility costs. Universal meals has added \$65,000 in anticipated costs to this expenditure category in the budget year and MYP.

Conclusions:

Basic Aid districts receive less state aid revenue because of the old “fair share reduction/share the pain” revenue reduction which was put into place during the 2008/09 financial crisis. When the Local Control Funding Formula (LCFF) replaced the former Revenue Limit calculation in 2013/14 as the formula for school funding, this reduction was continued in the calculation and has now been permanently included as an ongoing reduction in state revenue. The amount of this annual reduction is \$73,875 for Happy Valley, leaving LCFF funding to solely rely on property tax revenue increases year over year. The district has been fortunate that the community was able to minimize the effects of losing this revenue by raising funds to continue the district’s many vital programs.

The district is projecting to deficit spend in the unrestricted resources in the budget year and both subsequent fiscal years in the MYP. This is a result of projected increases in salaries, PERS and STRS rates, costs for Special Education program, projected inflation, smaller projected property tax increases and the elimination of most of the additional COVID funding which has flowed to the district over the last two years. Annual costs are out-pacing the modest increases in ongoing state and local revenues that school districts are receiving.

The unrestricted ending balance includes the non-spendable fund balance for petty cash in the amount of \$150. The Reserve for Economic Uncertainties is maintained in Fund 17, the Special Reserve Fund for Other than Capital Outlay.

GENERAL FUND
MULTIYEAR PROJECTIONS
RESTRICTED RESOURCES

G. ASSUMPTIONS

Please provide below the assumptions used to determine the projections for the first and second subsequent fiscal years.

The 2022/23 Happy Valley Restricted Preliminary Adopted Budget contains programs funded from three sources, federal, state, and local.

STATE REVENUES:

The district receives restricted state funding for Proposition 20 Lottery – Resource #6300 and AB602 Special Education – Resource# 6500. The 22/23 Prop. 20 Lottery is estimated at \$65 per ADA. With the implementation of GASB 68 during the 2016/17 fiscal year, the district is required to include the STRS On Behalf expenditure and corresponding revenue amount that the state makes for the district into the STRS retirement fund. The STRS on Behalf revenue and expenditure amounts are budgeted in all fiscal years. The Special Education revenue is calculated by the AB602 funding model for the North Santa Cruz County Special Education Local Plan Area (SELPA). All revenue projections are based on estimates provided by the SELPA. Because of the way this funding is distributed, the district actually receives and records these state funds as local revenue. The contribution amount needed to cover Special Education costs fluctuates due to several factors including the SELPA-wide budget for COE Regional Programs for moderate and severely handicapped students, the changing population of students with special needs, the many different services that students may need and whether a student requires a regional cost placement, or receives services from another district or if the student can be served within Happy Valley, and various other factors that impact Special Ed costs. The district has very conservatively budgeted this revenue for the budget year and MYP to allow for a regional program placement, if needed. No state COVID revenues are budgeted in 22/23 or the MYP.

FEDERAL FUNDING:

The ongoing Federal programs in the budget year are Title I – Resource #3010, Title II, Part A/Teacher Quality – Resource #4035, Special Education Local Assistance Entitlement – Resource #3310 and REAP – Resource #5811. All of the revenues for these programs are projected to remain flat in the budget year and MYP. There is also \$108,991 in Federal COVID revenues which are budgeted in 22/23 as those funds are not expected to be completed expended in 21/22 and so will be recorded as revenue in the budget year. No COVID revenues are budgeted in the MYP.

LOCAL FUNDING:

All donation revenues have been removed from the budget year and both future years with the exception of the Parent Club pledge for the 2022/23 budget year and very conservative estimates for the classroom budgets from the Drive for Schools fundraiser each October. The Parent Club revenue, in the amount of \$67,146.09, and corresponding expenditures have been included in the 2022/23 preliminary adopted budget, but have been removed from the MYP. Donation carryover in 22/23 is being used in the AIDE and MURT programs. Teachers are expected to use their donation accounts for classroom supplies and less for discretionary purchases. The unrestricted educational supply budget remains reduced to reflect this ongoing policy change. Parcel Tax Funding has also continued to be budgeted as well as the corresponding expenditures of \$52,173. The Parcel Tax expires at the end of 23/24 and so the revenue and expenditures have been removed from the 24/25 budget pending re-authorization.

STAFFING:

The factors used in the projections for the district's restricted salary and benefits are as follows:

Salary Increase – The 22/23 Budget includes step & column costs for certificated employees and classified employees as calculated by the county financial software. The Budget also includes an estimated 5% salary increase for certificated staff and classified administrative staff. In the MYP for 23/24, a 2% projected increase in step and column adjustments and an estimated 5% increase in salaries were included in the projected budget. In 24/25, a 2% projected increase in step and column adjustments were included in the projected budget.

Health and Welfare benefits – The district continues to pay 100% of the current costs for dental, and vision plans for the “employee plus one” in all budget years, which the monthly per person cost for vision is \$23.06 and for Dental is \$102.82, and is based on FTE. In the 22/23 Budget year the medical is budgeted at \$1,400 per month, based on FTE. These costs are currently budgeted to remain flat in the MYP.

STRS & PERS rates – The State Teachers Retirement System (STRS) rate is projected to increase from 16.92% in the current year to 19.10% in 22/23, and is currently projected to remain at that level through the MYP. The Public Employees Retirement System (PERS) rate is projected to increase from 22.91% in the current year to 25.97% in 22/23, and is projected to be 25.2% in 23/24 and 24.6% in 24/25.

FTE – There is no change to FTE in the budget year. In 23/24, there is a reduction in certificated FTE of 1.0 in total, although there is a small budget for some additional hours. Of this FTE, 74.17% is in the restricted resources.

BOOKS, SUPPLIES, CONTRACTS AND OPERATION COSTS –

Expenditures that correspond with donation funds that are not budgeted have been removed from the budget and MYP. Expenditures associated with COVID revenues that have been fully expended have also been removed from the budget and MYP.

4000s – 22/23 has been projected based on the current year 21/22 budget and prior year actuals incurred. A 2% increase has been budgeted in all years for inflation. \$20,000 for a textbook adoption has been budgeted in restricted lottery and \$13,000 in projected costs have been budgeted from the Parent Club pledge for moving the Library.

5000s – 22/23 has been projected based on the current year 21/22 budget and prior year actuals incurred. A 2% increase has been budgeted in all years for inflation and increased utility costs. \$13,000 in projected costs have been budgeted from the Parent Club pledge for moving the Library. \$15,000 has been budgeted each year for potential repairs.

Capital Outlay – Currently, no expenditures are budgeted in this category in the budget year or the MYP.

2022-23 Budget Adoption Reserves

Substantiation of need for reserves greater than the state required minimum reserve for economic uncertainty

District: Happy Valley Elementary School

CDS #: 69757

The governing board of a school district that proposes to adopt a budget that includes a combined assigned and unassigned ending fund balance in excess of the minimum recommended reserve for economic uncertainties, shall, at the Budget Adoption public hearing, provide:

The minimum recommended reserve for economic uncertainties;

The combined assigned and unassigned ending fund balances that are in excess of the minimum recommended reserve for economic uncertainties for each fiscal year identified in the budget; and

A statement of reasons to substantiate the need for reserves that are higher than the minimum recommended reserve.

Statement of Reasons

The District's General Fund Balance includes assigned, unassigned and unappropriated components, that in total are greater than the Minimum Recommended Reserve for Economic Uncertainties because:

Since Happy Valley is a Basic Aid district, reserves above the minimum are recommended by School Services of California (SSC) and the California School Boards Association (CSBA). These reasons are included below along with other listed reasons.

1) Reserves for future increases in the rates for both the State Teachers Retirement System (STRS) and the Public Employees Retirement System (PERS) need to be set aside as those rates continue to increase.

2) Additional reserves are needed to support special needs students who enroll in the district. Special needs students may require a placement in regional programs or may require additional services and/or support. Special Education programs are underfunded at both the State and Federal level and these programs already require a contribution from the General Fund.

3) The rate of inflation is currently exceeding the projected increase in property tax revenues. Due to this, the Cost of Living Adjustments (COLA) that the state is projecting for next year and the subsequent two fiscal years exceed typical increases that Happy Valley can expect to receive as a Basic Aid district. The increased cost of supplies, utilities, services, etc. will need to be absorbed by reserves. Non-Basic Aid districts are projected to receive these increased COLA's on their Local Control Funding Formula (LCFF) revenues.

4) The district is projecting to provide COLA increases to employees that currently exceed the projected increase in property tax revenue. This structural deficit is currently built into the projected budget year and multi-year projections (MYP).

5) LCFF funded districts are projected to receive additional funding for Transitional Kindergarten beginning in the budget year. Basic Aid districts will not receive additional revenue and will need to absorb any increased costs due to TK attendance.

6) The State is not providing any revenues for Universal Meals, which will begin in the 2022-23 Budget year. The costs for Happy Valley are currently projected at approximately \$72,000. The district will need to draw on its reserves to fund these ongoing costs.

7) Cash reserves are needed to ensure cash flow needs are met throughout the year for payroll and accounts payable.

Cash flow can be challenging for Basic Aid districts as cash is received much less frequently than it is for non-Basic Aid districts.

ANNUAL BUDGET REPORT:

July 1, 2022 Budget Adoption

Insert "X" in applicable boxes:

X

This budget was developed using the state-adopted Criteria and Standards. It includes the expenditures necessary to implement the Local Control and Accountability Plan (LCAP) or annual update to the LCAP that will be effective for the budget year. The budget was filed and adopted subsequent to a public hearing by the governing board of the school district pursuant to Education Code sections 33129, 42127, 52060, 52061, and 52062.

X

If the budget includes a combined assigned and unassigned ending fund balance above the minimum recommended reserve for economic uncertainties, at its public hearing, the school district complied with the requirements of subparagraphs (B) and (C) of paragraph (2) of subdivision (a) of Education Code Section 42127.

A8	Fiscal Distress Reports	Does the district have any reports that indicate fiscal distress? If yes, provide copies to the COE, pursuant to EC 42127.6(a).	X	
A9	Change of CBO or Superintendent	Have there been personnel changes in the superintendent or chief business official (CBO) positions within the last 12 months?		X

ANNUAL CERTIFICATION REGARDING SELF-INSURED WORKERS' COMPENSATION CLAIMS

Pursuant to Education Code Section 42141, if a school district, either individually or as a member of a joint powers agency, is self-insured for workers' compensation claims, the superintendent of the school district annually shall provide information to the governing board of the school district regarding the estimated accrued but unfunded cost of those claims. The governing board annually shall certify to the county superintendent of schools the amount of money, if any, that it has decided to reserve in its budget for the cost of those claims.

To the County Superintendent of
Schools:

Our district is self-insured for workers' compensation claims as defined in Education Code
Section 42141(a):

Total liabilities actuarially determined:	\$
Less: Amount of total liabilities reserved in budget:	\$
Estimated accrued but unfunded liabilities:	\$ 0.00

This school district is self-insured for workers' compensation claims through a JPA, and offers
the following information:

☒ This school district is not self-insured for workers' compensation claims.

Deviations from the standards must be explained and may affect the approval of the budget.

CRITERIA AND STANDARDS

1. CRITERION: Average Daily Attendance

STANDARD: Funded average daily attendance (ADA) has not been overestimated in 1) the first prior fiscal year OR in 2) two or more

previous three fiscal years by more than the following percentage levels:

Percentage Level	District ADA
3.0%	0 to 300
2.0%	301 to 1,000
1.0%	1,001 and over
District ADA (Form A, Estimated P-2 ADA column, lines A4 and C4):	113.00
District's ADA Standard Percentage Level:	3.0%

1A. Calculating the District's ADA Variances

DATA ENTRY: For the Third, Second, and First Prior Years, enter Estimated Funded ADA in the Original Budget Funded ADA column; enter district regular ADA and charter school ADA corresponding to financial data reported in the General Fund, only, for the Third, Second, and First Prior Years. All other data are extracted.

Fiscal Year	Original Budget Funded ADA (Form A, Lines A4 and C4)	Estimated/Unaudited Actuals Funded ADA (Form A, Lines A4 and C4)	ADA Variance Level (If Budget is greater than Actuals, else N/A)	Status
Third Prior Year (2019-20)

1B. Comparison of District ADA to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Funded ADA has not been overestimated by more than the standard percentage level for the first prior year.

Explanation:
(required if NOT met)

1b. STANDARD MET - Funded ADA has not been overestimated by more than the standard percentage level for two or more of the previous three years.

Explanation:
(required if NOT met)

2. CRITERION: Enrollment

STANDARD: Projected enrollment has not been overestimated in 1) the first prior fiscal year OR in 2) two or more of the previous three fiscal years

by more than the following percentage levels:

Percentage Level	District ADA
3.0%	0 to 300
2.0%	301 to 1,000
1.0%	1,001 and over

2A. Calculating the District's Enrollment Variances

DATA ENTRY: Enter data in the Enrollment, Budget, column for all fiscal years and in the Enrollment, CBEDS Actual column for the First Prior Year; all other data are extracted or calculated. CBEDS Actual enrollment data preloaded in the District Regular lines will include both District Regular and Charter School enrollment. Districts will need to adjust the District Regular enrollment lines and the Charter School enrollment lines accordingly. Enter district regular enrollment and charter school enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

2B. Comparison of District Enrollment to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - Enrollment has not been overestimated by more than the standard percentage level for the first prior year.

Explanation:
(required if NOT met)

- 1b. STANDARD MET - Enrollment has not been overestimated by more than the standard percentage level for two or more of the previous three years.

Explanation:
(required if NOT met)

3. CRITERION: ADA to Enrollment

STANDARD: Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the budget year or two subsequent fiscal years has not increased from the historical average ratio from the three prior fiscal years by more than one half of one percent (0.5%).

3A. Calculating the District's ADA to Enrollment Standard

DATA ENTRY: All data are extracted or calculated. Data should reflect district regular and charter school ADA/enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

3C. Comparison of District ADA to Enrollment Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - Projected P-2 ADA to enrollment ratio has not exceeded the standard for the budget and two subsequent fiscal years.

Explanation:

(required if NOT met)

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹ Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

4A. District's LCFF Revenue Standard

Indicate which standard applies:

- LCFF Revenue
Basic Aid
Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: Basic Aid

4A1. Calculating the District's LCFF Revenue Standard

DATA ENTRY: Enter data in Step 1a for the two subsequent fiscal years. All other data is extracted or calculated. Enter data for Steps 2a through 2b1. All other data is calculated.

Note: Due to the full implementation of LCFF, gap funding and the economic recovery target increment payment amounts are no longer applicable.

4C. Comparison of District LCFF Revenue to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Projected change in LCFF revenue has met the standard for the budget and two subsequent fiscal years.

Explanation:
(required if NOT met)

5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

5A. Calculating the District's Historical Average Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: All data are extracted or calculated.

7. CRITERION: Facilities Maintenance

STANDARD: Confirm that the annual contribution for facilities maintenance funding is not less than the amount required pursuant to Education Code Section 17070.75, if applicable, and that the district is providing adequately to preserve the functionality of its facilities for their normal life in accordance with Education Code sections 52060(d)(1) and 17002(d)(1).

Determining the District's Compliance with the Contribution Requirement for EC Section 17070.75 - Ongoing and Major Maintenance/Restricted Maintenance Account (OMMA/RMA)

NOTE:

EC Section 17070.75 requires the district to deposit into the account a minimum amount equal to or greater than three percent of the total general fund expenditures and other financing uses for that fiscal year. Statute excludes the following resource codes from the total general fund expenditures calculation: 3210, 3212, 3213, 3214, 3215, 3216, 3218, 3219, 5316, 7027, and 7690.

DATA ENTRY: Click the appropriate Yes or No button for special education local plan area (SELPA) administrative units (AUs); all other data are extracted or calculated. If standard is not met, enter an X in the appropriate box and enter an explanation, if applicable.

1. a. For districts that are the AU of a SELPA, do you choose to exclude revenues that are passed through to participating members of the SELPA from the OMMA/RMA required minimum contribution calculation?

- b. Pass-through revenues and apportionments that may be excluded from the OMMA/RMA calculation per EC Section 17070.75(b)(2)(D)
(Fund 10, resources 3300-3499, 6500-6540 and 6546, objects 7211-7213 and 7221-7223)

DATA ENTRY: Click the appropriate Yes or No button for items S1 through S4. Enter an explanation for each Yes answer.

S1. Contingent Liabilities

1a. Does your district have any known or contingent liabilities (e.g., financial or program audits, litigation, state compliance reviews) that may impact the budget?

No

1b. If Yes, identify the liabilities and how they may impact the budget:

S2. Use of One-time Revenues for Ongoing Expenditures

1a. Does your district have ongoing general fund expenditures in the budget in excess of one percent of the total general fund expenditures that are funded with one-time resources?

No

1b. If Yes, identify the expenditures and explain how the one-time resources will be replaced to continue funding the ongoing expenditures in the following fiscal years:

S3. Use of Ongoing Revenues for One-time Expenditures

1a. Does your district have large non-recurring general fund expenditures that are funded with ongoing general fund revenues?

No

1b. If Yes, identify the expenditures:

S4. Contingent Revenues

1a. Does your district have projected revenues for the budget year or either of the two subsequent fiscal years contingent on reauthorization by the local government, special legislation, or other definitive act (e.g., parcel taxes, forest reserves)?

Yes

1b. If Yes, identify any of these revenues that are dedicated for ongoing expenses and explain how the revenues will be replaced or expenditures reduced:

The district has a parcel tax in the amount of \$52,173 annually which expires in 23/24. Those expenditures have been removed from the budget in 24/25 pending reauthorization of the parcel tax.

S5. Contributions

Identify projected contributions from unrestricted resources in the general fund to restricted resources in the general fund for the budget year and two subsequent fiscal years. Provide an explanation if contributions have changed from the prior fiscal year amounts by more than \$20,000 and more than ten percent. Explanation should include whether contributions are ongoing or one-time in nature.

Identify projected transfers to or from the general fund to cover operating deficits in either the general fund or any other fund for the budget year and two subsequent fiscal years. Provide an explanation if transfers have changed from the prior fiscal year amounts by more than \$20,000 and more than ten percent. Explanation should include whether transfers are ongoing or one-time in nature.

Estimate the impact of any capital projects on the general fund operational budget.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review. DATA ENTRY: Click the appropriate Yes or No button for items A1 through A9 except item A3, which is automatically completed based on data in Criterion 2.

A1.	Do cash flow projections show that the district will end the budget year with a negative cash balance in the general fund?	No
A2.	Is the system of personnel position control independent from the payroll system?	No
A3.	Is enrollment decreasing in both the prior fiscal year and budget year? (Data from the enrollment budget column and actual column of Criterion 2A are used to determine Yes or No)	No
A4.	Are new charter schools operating in district boundaries that impact the district's enrollment, either in the prior fiscal year or budget year?	No
A5.	Has the district entered into a bargaining agreement where any of the budget or subsequent years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?	No
A6.	Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?	No
A7.	Is the district's financial system independent of the county office system?	No
A8.	Does the district have any reports that indicate fiscal distress pursuant to Education Code Section 42127.6(a)? (If Yes, provide copies to the county office of education)	No
A9.	Have there been personnel changes in the superintendent or chief business official positions within the last 12 months?	Yes

When providing comments for additional fiscal indicators, please include the item number applicable to each comment.

***Happy Valley School District
Resolution #21-22-06***

REGARDING THE EDUCATION PROTECTION ACCOUNT

WHEREAS, the voters approved Proposition 30 on November 6, 2012;

WHEREAS, Proposition 30 added Article XIII, Section 36 to the California Constitution effective November 7, 2012;

WHEREAS, the provisions of Article XIII, Section 36(e) create in the state General Fund and Education Protection Account to receive and disburse the revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36(f);

WHEREAS, before June 30th of each year, the Director of Finance shall estimate the total amount of additional revenues, less refunds that will be derived from the incremental increases in tax rates made pursuant to Article XIII, Section 36(f) that will be available for transfer into the Education Protection Account during the next fiscal year;

WHEREAS, if the sum determined by the State Controller is positive, the State Controller shall transfer the amount calculated into the Education Protection Account within ten days preceding the end of the fiscal year;

WHEREAS, all monies in the Education Protection Account are hereby continuously appropriated for the support of school districts, county offices of education, charter schools and community college districts;

WHEREAS, monies deposited in the Education Protection Account shall not be used to pay any costs incurred by the Legislature, the Governor or any agency of state government;

WHEREAS, a community college district, county office of education, school district, or charter school shall have the sole authority to determine how the monies received from the Education Protection Account are spent in the school or schools within its jurisdiction;

WHEREAS, the governing board of the district shall make the spending determinations with respect to monies received from the Education Protection Account in open session of a public meeting of the governing board;

WHEREAS, the monies received from the Education Protection Account shall not be used for salaries or benefits for administrators or any other administrative cost;

WHEREAS, each community college district, county office of education, school district and charter school shall annually publish on its Internet website an accounting of how much money was received from the Education Protection Account and how that money was spent;

WHEREAS, the annual independent financial and compliance audit required of community college districts, county offices of education, school districts and charter schools shall ascertain and verify whether the funds provided from the Education Protection Account have been properly disbursed and expended as required by Article XIII, Section 36 of the California Constitution;

WHEREAS, expenses incurred by community college districts, county offices of education, school districts and charter schools to comply with the additional audit requirements of Article XIII, Section 36 may be paid with funding from the Education Protection Act and shall not be considered administrative costs for purposes of Article XIII, Section 36.

NOW, THEREFORE, IT IS HEREBY RESOLVED:

1. The monies received from the Education Protection Account shall be spent as required by Article XIII, Section 36 and the spending determinations on how the money will be spent shall be made in open session of a public meeting of the governing board of Happy Valley School District;

2. In compliance with Article XIII, Section 36(e), with the California Constitution, the governing board of the Happy Valley School District has determined to spend the monies received from the Education Protection Act as attached.

Green Business Procurement Guidelines

- **Coffee Machines:** If using single use Keurig devices, use refillable pods only (no single use) and bulk coffee grounds (no single serving).
- **Reusable or fiber-based single use foodware:** Coffee lids, cups, plates, utensils, straws, etc. should always be reusable. If single use is necessary, only use BPI certified and fiber based.
- **Energy Star** on any new equipment and EPEAT for printers, computers, and phones.
- **Paper products:** chlorine free/unbleached and a minimum of 30% post-consumer waste recycled content. Applies to paper towels, toilet paper, napkins and printer paper. Printer paper should also be FSC certified (unless it's 100% recycled).
- **Disinfectants:** Always hydrogen peroxide, thymol, alcohol, or citric acid based (no bleach nor mystery chemicals as active ingredients). Try to use sprays instead of single use wipes when possible.
- **Cleaning products:** Green Seal certified, Environmental Working Group with an 'A' or 'B' rating, US EPA Safer Choice, SF Approved, or EcoLogo. *Seventh Generation products are also acceptable. For all other brands search for these labels or find their rating at ewg.org:*

Happy Valley Elementary

Green Schools Policy Statement

We incorporate sustainability into our core operations. Specifically, we commit to the following:

- ✓ Utilizing recycled paper products, rechargeable batteries, and reusable towels, dishware, and utensils.
- ✓ Setting up well signed recycling near all garbage bins and a well signed container for universal hazardous and electronic waste.
- ✓ Purchasing only LED or CFL bulbs.
- ✓ Recycling and composting everything that is accepted by our hauler.
- ✓ Resell or donate reusable office items (appliances, electronic equipment, and furniture).
- ✓ Reusing packaging and purchasing bulk and refilling containers.
- ✓ Using high efficiency and Energy Star equipment, and sensor-driven dispensers, as available.
- ✓ Purchasing only Green Business Program approved cleaning and paper products.
- ✓ Offering telecommuting and/or off-commute scheduling options if applicable.
- ✓ Offering resources to educate staff on environmentally friendly practices such as biking, carpooling, composting, purchasing clean energy, electric, etc.
- ✓ Promoting these policies and this program to other schools.
- ✓ Following LEED guidelines on any renovations.
