

# UNION COUNTY SCHOOL DISTRICT

*Building a More Perfect UNION*

My School Bucks is the resource Union County Schools uses to allow payments to be made online at your convenience. It will allow you to pay using a checking account or credit/debit card. You can put funds in your students' meal account or pay fees and tuition. This is optional. You can also pay at the school using cash or check.

You can find the link on our website at [www.union.k12.ms.us](http://www.union.k12.ms.us). It is located multiple places including the home page under *Parent & Student Resources*, under the dropdown menu "*Parents*," and under the dropdown menu "*Child Nutrition*."

Once you are on the My School Bucks website, click on *Sign-Up for Free*, or if you already have an account, *login*. Complete the required information and then it will prompt you to add you student(s). You can add all your students under one login.

Meal accounts are found on the home screen. To pay student fees or tuition, choose the School Store drop down menu and choose *Store Home*, then *Browse All Items*. Any fee or tuition related to you student(s) will be available.

*\*If you are a new student, your online account may not be available until August\**

This institution is an equal opportunity provider.
