

RETURN TO SCHOOL WAIVER
COVID-19
August 9, 2021

John T. Morgan Academy will implement management and control measures in accordance with regulations to mitigate the risk of the spread of COVID-19. Please keep in mind that there is no such thing as zero risk, but we can take measures that will lessen the chances of the spread on our school grounds. In order to achieve these goals, parents are responsible for taking steps to mitigate the risk that their children may present to their own health or the health of others when on school grounds.

1. I, _____ (parent full name), hereby certify that my child _____ (child's full name), has permission to return to John T. Morgan Academy and participate in all learning activities as determined and permitted by the school.
2. I agree to monitor my child's health each day and keep my child home if he/she has a fever at or above **99.6** degrees, cough, fatigue, and/or other physical symptoms that require observation, health isolation, or medical treatment.
3. I understand that the school will take my child's temperature at early drop off and/or during homeroom. If my child has a fever of **99.6** or above, he or she will be isolated, the parent/ legal guardian will be contacted, and the child must be picked up by a parent or legal guardian within one hour.
4. If my child is sent home, he or she may return to school after being fever free without medication for **24 hours**. If fever persists longer than 24 hours, see your primary care physician.
5. I understand that I must have a physician's release after any such illness.
6. I agree to accept the management and control measures taken by the school in accordance with relevant regulations to reduce the spread of COVID-19. **If a student has been diagnosed with COVID-19, he or she must stay home for 10 days and be fever free without medication for 72 hours. The student must have a doctor's note to re-enter school on the 11th day.**
7. **Students will be required to wear masks.**
8. I understand that these are risk-management measures and that the school cannot guarantee safety for all students or prevent them from contracting any illness.
9. It is understood that parents may not enter the building or enter school grounds but must follow the drop-off and pick up procedure as outlined by the school. Parents may come to the gate.
10. I understand that as long as the school is permitted to remain open or will utilize distance learning, my family's tuition obligation remains unconditional whether or not my child is able to attend school due to my child's health.
11. If school must transition to distance learning, students will be required to log into their classes daily. High school students will login daily according to their class schedule. Students will be dressed and presentable. Uniform shirts are required.
