Vision:

Carver Elementary's faculty and staff will work collaboratively with all stakeholders to provide every child with the environment, skills, knowledge, and support needed to establish a "STRONG" foundation for future learning and positive social development.

Mission:

To collaboratively develop, implement, monitor, evaluate, and adjust systems in a way that promotes student achievement while simultaneously providing an environment conducive for all learners and stakeholders.

Carver's View

Greetings from the Admin Team of Carver Elementary,

As you all know, we are in the third quarter of this school term. The HEAT is on and we are determined to claim a victory! With that in mind, we want to remind everyone of the sense of urgency that is needed to claim our big win! Students should be present and on time for school daily! We need them here so that they can receive the high quality instruction that is being provided by our dynamic Carver Staff of Educators. With our 3rd 9weeks benchmarks vastly approaching during the week of March 6th-10th, we are asking that our students be encouraged to read daily, and spend some time on I-Ready Reading and Math when they are at home. Parents, we are so grateful for your efforts in meeting us halfway in moving your child forward. We look forward to an awesome ending! Thank you!
