Board of Trustees meetings are held to officially conduct school district business, as governed by Montana law. Trustees are responsible for key decisions, some of which include hiring employees, reviewing negotiated agreements, approving new curriculum or changes to existing curricula, and paying of monthly expenses.

Board meetings are held in public but are not public meetings. The meetings are designed to give everyone the opportunity to participate in seeing how the Brockton trustees facilitate school business.

If you'd like to address the trustees on any matter, please raise your hand during the public comment period of the agenda. This will allow the Chairperson to recognize you and to guarantee you the opportunity to address the board. There are federal and state laws that must be followed when addressing the board to protect the privacy of individuals and to conduct business in an orderly manner.

Public comments can be made on public matters that are not on the agenda. Members of the audience are encouraged to briefly address the trustees on an issue that is not on the agenda. The Chair of the Board will seek comments from the audience on significant items as they occur. Public matters do not include any pending legal matters, private personnel issues or private student issues. Please do not attempt to address such issues at this time or you will be ruled out of order.
