JANUARY

Veolia Visits Kindergarten and First Graders

The Kindergarteners and 1st grade students had another lesson with an employee of Veolia. During this visit, they were read the book, *The Water Hole*. She discussed with the students the importance of keeping our waterways clean and how the animals need water to live.

Spotlight on Preschool "Winter Wonders"

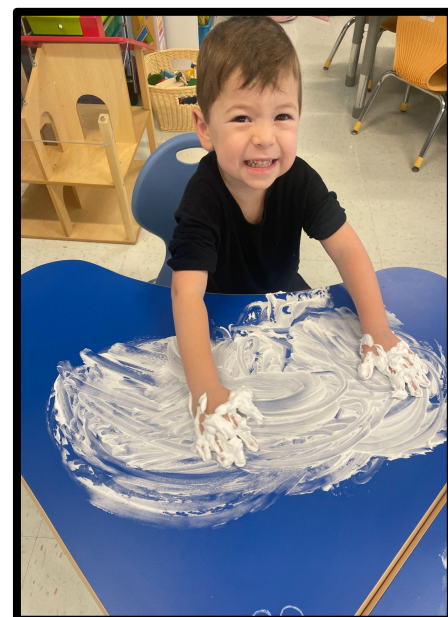

During the Curiosity Corner Curriculum unit "Winter Wonders" the preschool 3 and 4 classes explored the magic of the winter season. They sequenced events in the story, *The Mitten* and made connections to the happening in the story, *The Snowy Day*. The students had many fun center activities including building play-doh snowmen, building igloos and dens out of blocks, and working at the pretend coffee shop.

Dear CRS and LLE Families,

Happy last day of January. Please note the items below:

- **Reading Time**-Please click [here](#) for some ideas to engage your children when it comes to reading. I hope that you find these helpful as finding time to do so can be difficult with the schedules of everyone in the house.
- **Colder Weather**-Please make sure that your child is dressed appropriately for the cold weather especially because we do go out as much as possible for recess. They must have their coats during this weather as recess may be outdoors.
- **Lunar New Year**-Today, our staff and students partook in an annual celebration that has been a longstanding tradition in Demarest. The students loved seeing their fellow peers perform in this beautiful cultural presentation.
- **Preschool/Kindergarten Registration:**
 - **Preschool:** If you are interested in enrolling your child in the preschool program for the 2025-2026 school year please contact Mrs. Rraci at CRS at 201-768-6060 ext. 51535.
 - **Kindergarten:** Please call Mrs. Rraci at CRS at 201-768-6060 ext. 51535 to register your child.

Have a relaxing weekend!

Sincerely,

Mr. Frank J. Mazzini

Principal
