Parent/Student Handbook

2021-2022

Revised August 2021

Changes in policies and procedures will be made on an ongoing basis as deemed necessary by the principal of St. John XXIII Catholic School.
WELCOME FROM OUR PRINCIPAL

As an educator for over 25 years, I have come to value the importance of a religious foundation and strong community as two of the most important factors in the fabric of a successful school. At St. John XXIII Catholic School, I have had the good fortune to lead a faculty and staff who are dedicated and experienced in their profession, become one with families who believe in the foundation of faith and service in their lives, and create a truly special educational environment where we grow and shape compassionate, curious and capable young minds.

I believe that with hard work, determination, perseverance, grit and teamwork, we can ensure the success of all students. All children can learn, but I recognize that student needs in education are varied and I emphasize the importance of differentiated instructional methods and tailored support systems to meet the needs of all students and ensure their educational success. I am grateful for the breadth of extracurricular activities offered at our school and consider myself a very visible principal who enjoys spending time with students often and gets to know them on a personal level. Watching students participate in extracurricular activities is one of my passions, and I love to cheer my students on! My motto is “Go forth and do good things” and I encourage all of our students, faculty and staff to live those words.

To me, St. John XXIII is more than a school. It is a place for spiritual, emotional and intellectual growth as part of a larger vision to be of service to one another and to the community at large. For the ninth year, I am happy to say that I am the proud principal of St. John XXIII Catholic School. Together we are “Falcon Strong.”

Mrs. Dawn Pickerill
School History

Foundation

For over 150 years, St. John XXIII as the culmination of three legacy schools, has been the center of a Catholic education for the greater Middletown community. Growing alongside this All-American city, St. John XXIII has come to symbolize the traditions and positive success that comes from a dedicated and hard-working community. Our school is the beneficiary of decades of dedicated educators, clergy and parish supporters who have contributed to the robust history and strong foundation of St. John XXIII.

The Legacy Schools

St. John XXIII was created in 1972 as a combined entity to serve all students in the area who were attending the local Catholics Schools of Holy Trinity, St. John’s and St. Mary’s. The history of those preceding schools dates back to 1867, when organized classes were held inside the Holy Trinity church run by Father Boulger and the Sisters of Charity for over 20 years. The cornerstone of the new school was laid in 1891 and finally in 1901, the Holy Trinity Commercial School was established by Father Buckley and Sister Higgins.

St. John School

In 1880, at the request of Father Leitner of St. John’s Church, the Sisters of St. Francis of Oldenburg came to open St. John’s School to serve its growing parish community. In 1908, a new school building was built and in addition to the grade school subjects, a Commercial Course was offered and an increasing number of high school subjects were added, so that three years of high school were offered. The teaching staff was increased to eight sisters.

St. Mary’s School

On September 2, 1952, St. Mary’s School opened a single story building operated by the Sisters of St. Francis. On September 8, 1959, construction of the second floor was ready for occupancy. In September, 1967, four new classrooms and two basement rooms were added to the building. In 1973, this building became the East Campus of St. John XXIII, housing grades K-4.

St. John XXIII Today

In 1972, the three Catholic Schools in Middletown were consolidated to become St. John XXIII Catholic School. The lower grades were assigned to the East Campus (formerly St. Mary’s School) and the upper grades were assigned to the West Campus (formerly St. John’s School). The new singular school became the heart of the community’s Catholic education and served as the beneficiary of the multi-parish, thriving area.

New Campus and New Preschool

In 2004, Bishop Fenwick constructed a new high school and the St. John XXIII students moved into the former high school building, uniting all students in grades Kindergarten through Grade 8 for the first time in 31 years. The school boasts a 17-acre campus on Manchester Road with a host of amenities not typical of other Pre-k through eighth grade schools. In 2009, St. John XXIII added state licensed preschool classes for 3, 4, and 5 year olds, further expanding the early opportunities for Catholic education in the community.

ACCREDITATION
St. John XXIII Catholic School is chartered by the State of Ohio and takes part in the Ohio Catholic Schools Accrediting Association process. The OCSAA is a collaborative undertaking of the Catholic dioceses in Ohio and is governed by the Superintendents of Schools who serve as the OCSAA Commission. The focus of our dedicated and knowledgeable faculty is to ensure that all students succeed and recognize how special they are because they are made in the image and likeness of God.

MISSION STATEMENT
In partnership with our community, St. John XXIII Catholic School provides a spiritually guided and rigorous curriculum; we prepare students to act on their beliefs and demonstrate their knowledge beyond the classroom.

NON-DISCRIMINATION POLICY
St. John XXIII Catholic School does not discriminate on the basis of race, ethnicity, color, national origin, religion, gender, sex, age, disability, or ancestry.

BAND/MUSIC: Students in grades 5-8 have the option of taking either band or music at St. John XXIII Catholic School. Music meets one time per week and in this class your child will learn about different genres of music, instruments, music history, world music,
music composition, and become proficient in basic music theory. Taking music allows your child to have a study hall one time per week.

Band is a performance-based class. Your child will choose the instrument (brass, woodwind, percussion) that he/she would like to play. He/she must have their instrument at school on days in which they have band class. Students are not permitted to call home if they forget to bring their instrument. Band covers many of the same aspects of music class mentioned above. In addition to required winter and spring concerts, your child could have the opportunity to participate in honor band, perform a solo at a state sponsored adjudicated event, join the Bishop Fenwick Falcon Force Marching Band, and perform at Kings Island’s Music in the Parks Festival.

**The choice between band and music is completely between you and your child, however, it is a decision that must be made in the spring for the following year, and must be committed to for the entire school year.** Music is selected and purchased over the summer based on the information we receive from you at this time, so it is important that this decision is not taken lightly. **Absolutely no changes will be made during the summer months or school year.**

A form will be sent home to students in grade 4 in the spring for them to indicate their choice for these classes. If we do not receive the form by the due date, the student will be placed in music class. Students in grades 5-7 will be placed in the course they are currently taking unless they alert the music/band teacher in writing by May 15th.

SPANISH: Please note that Spanish is part of our curriculum and must be taken by all students unless directed in a Middletown School Psychologist approved learning plan. The following policy is in place for students who transfer into our school in Junior High:

- Students transferring to St. John XXIII Catholic Elementary School in 7th or 8th grade may take Spanish pass/fail (50% and above is passing, 49.9% and below is failing). 6th graders will be handled on a case-by-case basis. Differentiation of instruction will take place to help these students in grades 6-8 adjust to and learn the subject matter.

SOCIAL – The curriculum at St. John XXIII Catholic School offers each child opportunities for learning, applying and developing social skills and formal etiquette necessary for courteous and gracious living, such as: Church services, group discussions, assemblies, lectures, field trips, and receptions. Training in leadership is afforded through student-sponsored and student-executed activities open to students at their level of development. Also, an appreciation of music, arts, dramatics, and singing is fostered through attendance at various functions and school activities throughout the school year.

PHYSICAL – A well-rounded program of physical fitness, health education, and instruction in individual and team sports is presented in the physical education program. The school’s wellness policy provides a framework within which all aspects of the school promote the health and wellness of the students.

GRADED COURSES OF STUDY – The Archdiocesan Graded Courses of Study are aligned with the Common Core standards and are the state-approved guide for all Catholic schools in the Archdiocese. The intent of the Graded Courses of Study is to provide the teacher with identifiable and measurable objectives in each subject area.

RELIGIOUS EDUCATION – Religious education is the primary purpose for the existence of St. John XXIII Catholic School. Our religious education mission is to integrate Christian Gospel values in the lives of the children through the curriculum. The overall atmosphere of the school
fosters the importance of modeling the teachings of Christ, especially showing love and respect to all.

• St. John XXIII Catholic School may require a parent/guardian to withdraw his/her child based on the conduct of the parent/guardian. This may occur if the conduct of a parent/guardian is threatening, hostile, chronically disrespectful, or disruptive to the educational process

GENDER IDENTITY POLICY
In Catholic schools, all curricular and extra-curricular activity is rooted in and consistent with, the principles of Catholic doctrine. Catholic schools:
• Support students with gender dysphoria by treating them with sensitivity, respect, mercy, and compassion
• Require that participation on school teams be according to biological sex
• Designate Catholic sex education, uniforms, and gender appropriate dress, bathrooms, locker rooms, showers, and sleep accommodations on trips according to biological sex
• Provide reasonable accommodations to a private bathroom for use by any student who desires increased privacy.
• In case of a specific request, consider in a compassionate way, on a case-by-case basis, the physical and psychological needs of a student based on the following questions:
  1. What is the specific request of the student and/or parents?
  2. Is the request in keeping with the teaching of the Catholic Church?
  3. Is the school reasonably able to accommodate the request?

ACADEMIC POLICIES
• Academic Expectations
  Student success is at the forefront of our mission with teachers, support staff, technology, etc. all put in place to ensure that students reach their full potential. However, a major part of this equation is the student. Students who choose not to learn, may be asked to find an alternate educational placement.

• Homework Policy
  Homework provides reinforcement for what a child learns at school and helps a child develop responsibility through a “task completion” activity. Homework may fall into one of four (4) categories: practice, preparation, extension, or creative. Homework time averages 10 minutes per grade level starting in Kindergarten. It is the student’s responsibility to complete assigned homework. Handing in completed, neatly done assignments on time helps a child develop good study and learning habits. Parents should provide support and encouragement but never complete a child’s homework for them – this includes acting as a scribe for students. Parental support and encouragement may include providing a set time and place to do homework, helping their child check completed work, and/or assisting their child in organizing work and materials. If unexpected family events or interruptions prevent a student from completing his/her homework, a note should be sent to the respective teachers so allowances can be made. Assignment planners are provided to each student in grades 2 – 8. Assignments are listed in the classrooms and teachers encourage students to write assignments in their planners. All teachers will have assignments listed on FACTS SIS.
Homework Helpers/Study Tables
Homework Helpers is a group that meets Monday, Tuesday, and Thursday, from 2:45-3:45 for grades 5-8. This group is intended to support strong work habits and help all students succeed. This group offers homework assistance to students across all academic subject areas. Planners are checked against FACTS to ensure all assignments are available and attempted. Computer skills are supported, as well as guidance for basic assignments. This group is intended to support strong work habits and help all students succeed, but is not for individual tutoring. Students new to St. John XXIII Catholic School in grades 5-7 are required to attend at least two days per week in their first trimester. Students who are academically ineligible must also attend until their grades return to an eligible level. Students may also choose to come if help is needed. All students must arrange for their own transportation home at 3:45.

Make-up Work Due to Absences
Students who have an excused absence are required to make-up missed assignments to avoid receiving a zero for said assignment. For classes that meet daily, students will be given one day for each day absent to make-up this missed work. For classes that meet weekly, the assignment is expected to be turned in no later than the start of the next scheduled class meeting. Please see information from the “special” teachers (art, Spanish, music, band, physical education) for specific requirements in these classes.

Late/Missing Assignments
Each teacher will establish his/her own policy regarding work not turned in or incomplete work. These policies are distributed to parents at Curriculum Night in August. Please be advised that our experience shows that most subject failures are due to missed and/or late work.

Summer Assignments
To help prevent the “summer slide” and prepare our students for the following school year, summer assignments will be given at the end of the school year for 6th, 7th, and 8th grade math and 7th and 8th grade literature/written expression. Summer assignments may be given in other academic areas and at other grade levels.

Grades and Grading
Our student management system is FACTS SIS. Parents can choose to have email updates whenever a teacher enters a grade into this system. While timely grading of all assignments is expected of the teacher, the time allotted is commensurate with each given assignment. Interim reports will be given to parents midway through each trimester, with report cards given at the end of each trimester.

Withdrawal for Academic Reasons
In the event that a student is not meeting with academic success after all allowable interventions and support services have been put into place, St. John XXIII Catholic School has the right to ask the student to find an alternate educational placement that has the ability to meet the needs of the student.

ADMISSION POLICY/REGISTRATION
St. John XXIII Elementary School is supported by the parishioners of Holy Family Parish, Middletown. Admission to St. John XXIII Catholic School is open to all children regardless of race, sex, national origin, age, religion, and disability (if with reasonable accommodations the child’s needs can be met).

When St. John XXIII Catholic School cannot accommodate all those who apply for admission, the following order of preference will be observed.

1. Active Holy Family parishioners whose students are already enrolled in our school
2. Non-Parishioners with children already enrolled in our school
3. Siblings of current families (Catholic and Non-Catholic)
4. New families who are “active” Holy Family parishioners with no children presently in our school
5. Parishioners of neighboring Catholic parishes and Parishioners that are not considered “active members” of Holy Family Parish
6. Non-parishioners

*Active Holy Family parishioner – A parishioner must show proof of church attendance through use of envelopes at Sunday Liturgy at Holy Family parish. Only active Holy Family parishioners are eligible to apply for a tuition grant. Current and new families who are not “active” members of Holy Family Parish are not eligible to apply for a tuition grant and will be required to pay the non-parishioner per pupil cost. Final determination of active parishioner status is made by the Pastor of Holy Family Parish.

For admission, children must also meet the following requirements:
1. For admission to kindergarten, children must be age five by September 30th and have a passing score on our kindergarten screening.
2. For admission to first grade, children must be age six by September 30th and have a passing score on our 1st grade screening.
3. In all grades, children must not have been dismissed from other schools for serious disciplinary infractions.
4. In all grades, children must agree to participate in the entire educational program, particularly religious education.
5. At all grade levels, students are admitted on a 12 week probationary period. If there have been no behavioral concerns in that time period and the student is in good academic standing, the probation is lifted and full acceptance is granted.
6. All new students who have been promoted to the next grade in their previous school will be assessed on their content skills (based on the Archdiocesan Graded Course of Study) prior to admission. Students will be placed accordingly.
7. New students, in grades 6, 7, & 8 must have an interview scheduled with the principal prior to screening and acceptance.
8. While we strive to teach all students no matter their learning differences, it is the parent’s responsibility to provide St. John XXIII Catholic School a copy of the students ETR/IEP/ISP/504 at the time of registration if applicable. St. John XXIII Catholic School will review these documents and determine if we are able to meet the needs of the student prior to admission. Failure to provide said documents may result in the removal of the student during the probationary period.
9. Student records from the student’s previous school are needed prior to full admission to St. John XXIII Catholic School. A transfer of records form is attached to this handbook and is also available from the school office.

10. Refusing to provide requested information to the school, or providing false, incomplete, or inaccurate information to the school, may result in the denial or revocation of admission and/or disciplinary action, up to and including suspension and expulsion.

Registration Requirements for new students:
- Completed application and registration forms
- Copy of birth certificate and immunization records
- Baptismal certificate for Catholic students
- Custody/visitation papers, if applicable
- Previous report card
- Registration fee of $200 per family (non-refundable)
- Student interview for those entering grades 6-8

For both current and new families, registrations are considered official when accompanied by that year’s registration fee.
Tuition for current students must be up-to-date in order to register your child(ren) for the next school year unless other arrangements have been discussed with the Principal.

**ATTENDANCE/ABSENCE/TARDY**

Ohio House Bill 410 dictates how Ohio schools must deal with truancy. According the Ohio Department of Education, “Regular school attendance is an important ingredient in students’ academic success. Excessive absences interfere with students’ progress in mastering knowledge and skills necessary to graduate.”

Absences are figured by the hour and fall into one of three categories:

<table>
<thead>
<tr>
<th>Category</th>
<th>Consecutive Hours</th>
<th>Hours per school month</th>
<th>Hours per school year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Habitual Truancy</td>

<td>65 with or without legitimate excuse</td>
</tr>
<tr>
<td>Chronic Absenteeism</td>
<td></td>
<td></td>
<td>10% (108) with or without legitimate excuse</td>
</tr>
</tbody>
</table>

Our school day is 6.75 hours long, so here is a chart with the approximate number of days applied:

<table>
<thead>
<tr>
<th>Category</th>
<th>Consecutive Days</th>
<th>Days per school month</th>
<th>Days per school year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Habitual Truancy</td>
<td>4.4 without legitimate excuse</td>

<td>9.6 with or without legitimate excuse</td>
</tr>
<tr>
<td>Chronic Absenteeism</td>

</tr>
</tbody>
</table>

What constitutes a legitimate excuse? A legitimate excuse is any sickness accompanied by a doctor’s note or missed days due to a family emergency, funeral, etc. Parent notes will suffice as legitimate for up to three days; if the student is out for four or more days, they must have a doctor’s note to (1) return, (2) avoid the institution of an absence intervention team, and (3) be allowed to make up missed work. Missed school for vacation or travel for sports are **not** considered legitimate excuses. For this reason, we do not allow work/tests missed for these reasons to be made up for a grade, however the work will be given to the student UPON THEIR RETURN to complete for knowledge if he/she wishes.

Please note that legitimate excuses do not factor into the excessive and chronic absenteeism categories, however there is a provision for extended illnesses where hospital or home-based instruction is provided. If necessary, these will be handled on a case-by-case basis.

Should a student meet any of the above criteria, an absence intervention team may need to be put in place which will consist of the principal, teacher, school nurse, school counselor, parent, and student. This team will meet and develop an absence intervention plan which must be followed. In the case of habitual truancy, if the student/family does not follow the guidelines of the plan, we must alert juvenile court. In all cases, should a student miss 10% of the school year, they may not be promoted to the next grade level despite having passing grades.
Absence Procedures

- All absences must be reported to the school office by 9:00 A.M. on the day of the absence.
- When calling the school office, please give your name, child’s name, his/her homeroom and the reason for the absence.
- If we do not hear from you we are required, by law, to contact you to check on your child.
- **A written note (not an email) is required on all absences**: therefore, a student who has been absent must present a written excuse from his/her parent, guardian or physician stating the reason for the absence. **Only a written note from a physician will equal an excused absence.** This note should be given to the student’s homeroom teacher. If no note is presented, the absence will be unexcused and the student will not be given credit for work made up.
- Medical absences of more than 3 consecutive days **must** be accompanied by a physician’s note.
- Parents MUST call the office NO LATER THAN 9:00 if you would like to have your homework available for the student. Homework may be picked up at 3:00 P.M. or sent home with another student. Children will be given one day for each day absent to make up work missed during absences.
- Parents and students are HIGHLY encouraged to check FACTS SIS for assignments, notes, information, etc. missed during any absence.

Absences for any reason will result in the student not being eligible for Perfect Attendance Awards.

Vacations

Nothing can replace the direct instruction that a teacher provides to his/her students in the classroom setting, therefore, families are strongly encouraged to take their vacations when school is not in session. As vacations do not constitute an excused absence, any time missed over 4.4 consecutive days could result in the implementation of an absence intervention team. To avoid this happening, please alert the school office of your vacation at least one week prior. Should the vacation take the student over the allowable days per school month or year, an absence intervention team will be implemented. As vacations are considered unexcused, work/tests missed are unable to be made up for a grade, however the work will be given to the student UPON THEIR RETURN to complete for knowledge if he/she wishes.

Tardy

When children arrive late to school, there is a disruption of the educational program and a negative reinforcement of bad habits. Children who come to school by car should be dropped off no later than 7:55 AM to allow time to report to class. Students are considered tardy when they are not in their homeroom, in their seats, and ready to work by 8:00 A.M.. There are two (2) exceptions: late bus arrivals and early morning medical appointments. **Parents/students must provide a doctor’s note for a medical appointment to be considered an excused tardy.** Arriving to school after 8:00 A.M. for any other reason will be considered an unexcused tardy. All time missed will be figured into the HB 410 hours.

Excessive tardies (<nine unexcused/trimester) will require a meeting with the school. Chronic tardies (<twelve unexcused/trimester) will require the student to find another educational placement.

Appointments during School

Parents must send a dated and signed note to the school office stating the departure time and the name of the adult responsible for the student’s whereabouts. The responsible adult must come to the office to sign out the student and the responsible adult or student must sign in upon returning. **The student must return with a note from the Physician.** Students are responsible for any work
due/assigned during the time of their absence. Please note that absences for any reason will result in the student not being eligible for perfect attendance awards.

Absences That Coincide With Evening Events
Children who are absent during the school day MAY NOT attend evening events such as sporting events/practices, school programs, or dances. Students who are absent from school on Friday are exempt from participating in school-sponsored events for that weekend unless clearance to participate is obtained from a physician and permission is granted by the school principal and the athletic director. Failure to adhere to this policy may result in suspension in participation in extracurricular activities.

AWARDS
An end-of-year awards ceremony is held for grades 4 & 5, grades 6 & 7, and grade 8 respectively. Students receive award certificates for academic achievement, effort, Christian conduct, and service.

Honor Roll – Grades 6 through 8
- A trimester honor roll is posted for grades 6 – 8.
- All subjects on the report card are included in the overall grade average and are weighted by the number of times the class meets each week. For example, math meets 5 times each week so it will be weighted 5 times as much as music, which only meets 1 time each week.
- Grades are averaged using a 4.0 scale with the exception of advanced math which will use a 5.0 scale.
- For a student to earn First Honors they must earn a 3.75 or higher.
- Students who earn a GPA between 3.25 and 3.74 would earn Second Honors.

In addition to the awards listed above, awards are presented at the 8th grade graduation ceremony. Parents and friends are always welcome to attend the end of year awards assemblies.

BUS TRANSPORTATION
Students are currently transported on buses by the following public school districts: Middletown, Monroe, Franklin, Edgewood, Lakota, Lebanon, Springboro, and Madison. All bus schedules and routes are determined by each individual school district.

1. Children are expected to talk quietly and behave in a Christian manner while on the bus.
2. Students who cause a disturbance on the bus will be given a warning and parents will be notified of their child’s conduct. Any further incidents will result in the child losing bus privileges for a minimum of three (3) days.
3. A child from one school district is not permitted to ride a bus from another public school district.
4. Students in the Middletown district may obtain permission to ride a Middletown bus other than their assigned one by providing a written request from their parents to the St. John XXIII office.

Any questions about bus schedules should be directed to the transportation director at the following:
Middletown (513-420-4568), Franklin (937-743-8670), Edgewood (888-863-4910), Madison (513-420-4779), Lakota (513-755-5820), Lebanon (513-934-5832), Springboro (937-748-4462) and Monroe (513-539-0324).

CLOSINGS/DELAYS/EARLY DISMISSAL
Any changes in the school schedule due to inclement weather or other emergency will be posted on the school’s website (www.stjohn23school.org) as soon as we receive notification of the change. Additionally, you will receive a phone call through our automated system. Because of busing, St. John XXIII will typically follow whatever Middletown City Schools do regarding weather closings or delays; however, if several other districts that St. John XXIII serves and/or the principal does not feel the roads are safe for our families, she reserves the right to cancel school for St. John XXIII even if Middletown does not close. In school closing/delay announcements, we are included in “Middletown City Schools”. Since eight (8) bus districts serve St. John XXIII School, it is important that all families understand how the bus systems work.
Closings
St. John XXIII will be closed when Middletown City Schools are closed. Check local TV and radio stations, including radio AM stations WLW 700 and WPFB 910 and/or TV Middletown Channel 24 or our website for closing/delay information.

If St. John XXIII Catholic School remains in session and your student’s district bus is not running, it is the parent’s responsibility to get their students to school. Failure to do so will result in a day of absence.

Delays
In case of delays, follow the bus system that your student rides. If one of the districts has a one or two hour delay, all students who ride that system’s buses including St. John XXIII students are delayed. For example: a St. John XXIII Catholic School student normally rides a Lakota bus at 7:00 A.M. If Lakota were on a two hour delay, the St. John XXIII Catholic School student would be picked up at 9:00 A.M. at the regular bus stop. Since the bus was the reason for the delay, the student would not be counted tardy as long as they arrive at school by bus. If the parent chooses to drive the student and St. John XXIII is not on a delay, the student should arrive at the determined start time of St. John XXIII Catholic School to avoid being marked tardy or ½ day absent.

Early Dismissal
In this situation, the students are at school, the weather deteriorates, and the bus system decides to get the students home early. In the case of early dismissal, follow the bus system that your student rides. For example: a St. John XXIII Catholic School student rides his usual Edgewood bus to school. During the morning, it begins to snow. Edgewood School District decides to transport students home at 1:00 P.M. The St. John XXIII Catholic School student would ride his/her Edgewood bus home at 1:00 P.M. He/she would not be counted absent as the bus was the reason for his leaving.

Paperwork will be completed by all parents at the beginning of the school year alerting us as to what plan you would like us to follow in case of such an occurrence. PLEASE make a copy of this form for your records and refer to it should the need for school to close early arise. It is imperative that this emergency plan be followed as we cannot be fielding individual requests via phone at the time of the emergency dismissal.

NOTE: Please discuss this plan with your child so he/she knows his/her mode of transportation in the event of early dismissal and will know where to go/what to do if no one is at home.

COVID-19 ACKNOWLEDGEMENT OF RISKS
We, the undersigned parent(s) and student, acknowledge and agree that, as a student at St. John XXIII Catholic School and as parent(s) of that student, entering in the school or being on the premises, having personal contact with teachers, classmates, and other St. John XXIII Catholic School staff, involves a certain degree of risk, namely of parent(s) and/or student acquiring a communicable disease, including COVID-19, and then potentially passing it on to others, including family members. Due to the highly contagious nature of COVID-19, the characteristics of the virus, and the close proximity of students, teachers, and staff at St. John XXIII Catholic School there is an elevated risk of student contracting the disease simply by being in the building, on the premises, or at any St. John XXIII Catholic School function. The same is true for parent(s) of a student at St. John XXIII Catholic School.

By signing this Handbook, we acknowledge and agree that after carefully considering the risks involved, and having the opportunity to discuss these risks with any healthcare professional(s) of our choosing, we voluntarily and willingly accept those risks and acknowledge that returning to in-person classes and other in-person St. John XXIII Catholic School functions is the choice of each family, including ours. If student or parent(s) who visit St. John XXIII Catholic School have underlying health concerns which may place them at greater risk of contracting any communicable disease, including COVID-19, we acknowledge and agree that we will consult with a health care professional before student or parent(s) return to St. John XXIII Catholic School, attend any St. John XXIII Catholic School function, or visit St. John XXIII Catholic School. Moreover, we acknowledge that while adherence to safety and precautionary measures
(e.g., social distancing guidelines, facemasks, handwashing, etc.) may reduce possible exposure to the risk of contracting a communicable disease, the possibility of serious illness and death remains. We do hereby accept and assume sole responsibility for any illness acquired by student or parent(s) while at St. John XXIII Catholic School or any St. John XXIII Catholic School function, including possible infection with COVID-19.

We further acknowledge, understand, and agree that we have obligations to the school and parish, its employees/staff members, students, and others to take certain precautions and make certain disclosures to prevent the spread of COVID-19 as outlined by the State of Ohio and the applicable local public health department.

**DAILY SCHEDULE**

School hours for grades K-8 are 8:00 A.M. – 2:45 P.M.

Students who are car riders or walkers should arrive no earlier than 7:30 A.M. Students who arrive before 7:30 A.M. and are not registered for A.M. Latchkey, will report to Latchkey and the morning Latchkey fee will be assessed. ALL students arriving between 7:30-7:40 should report to the cafeteria, however, no fee will be assessed during this time. They will be released to their respective areas at 7:40.

Grade K-5 Procedures  Students arriving between 7:40 and 7:50 are to report to the gym. Students will be dismissed to their classroom at 7:50 A.M.

Grade 6-8 Procedures  Students arriving between 7:40 and 7:50 are to report to the lobby area at the East end of the building. Students will be dismissed to their homeroom at 7:50 A.M.

At 8:00 A.M., an administrator leads the school in morning prayer and the Pledge of Allegiance. Any morning announcements will follow.

**Morning Drop Off:** All procedures are in place for the safety of our students

- Parents should follow the map designed by Middletown Police. This is attached to the end of this handbook.
- The only area that students are permitted to be dropped-off during this time is the designated drop-off zone.
- The first car should pull all of the way up to the drop-off sign, allowing for 6 cars to be in the drop-off zone.
- Students should exit the car, stay on the blacktop and off of the grass, and immediately enter the building in a safe manner.
- Parents MAY NOT exit their cars in the drop-off zone.
- If your child is in a car seat, please park and walk them in, or unbuckle the car seat prior to getting to the drop-off zone.
- If parents wish to walk their children into school, they must park in the lot and walk their students to at least the sidewalk by the drop-off entrance. Due to the high demand of the secretaries’ time, the front doors should not be used during drop-off times.
- Students may NOT be unescorted in the parking lot.
- Parents MAY NOT drop off students in grades K-8 at the preschool entrance. If there is a preschool student using early morning care and a student in grades K-8 in the same family, parents are asked to park in the large parking lot and walk their preschool student in from there.

**Afternoon Dismissal:** All procedures are in place for the safety of our students

- The order of afternoon dismissal is as follows: Latchkey; bus riders from all districts outside of Middletown; Middletown bus riders; car riders; walkers. Walkers will only be dismissed when all busses and cars have exited the parking lots.
- If there will be a change in your child’s mode of transportation, a note about the change is to be sent to your child’s homeroom teacher.
• If there is a last-minute change in your child’s mode of transportation, please call the office before 2:00 P.M. so there is time to notify your child’s teacher of the change. **Do not email transportation changes.**

• Any car riders not picked up by 3:00 P.M. must report to Latchkey to await their ride. An afternoon Latchkey fee will not be assessed unless tardiness in picking up your child(ren) becomes habitual.

• For the safety of all students, the only permissible location to pick up students by car is in the parking lot. Students will not be released to any person not parked in the designated lot. Parents must walk over to the “safe zone” to pick up their student(s) regardless of their age.

• If you live within walking distance of school and wish for your child to walk home, you must call the school office and request, fill out, and return a “Walker Permission Form.”

Maps detailing procedures for morning drop-off and afternoon pick-up of car riders are located at the end of the handbook. **These procedures were designed in cooperation with the Middletown Police Department for the safety of all students.**

**ELECTRONIC DEVICES/TOYS**

One-to-One devices will be issued to students in grades 6, 7, and 8. These devices remain the property of St. John XXIII Catholic School and all students and parents must sign a policy on acceptable use. Failure to do so will result in the student not being issued a device. Any damage to the device will be the responsibility of the student and parent. Records will not be released or laptops issued the following year until all repairs are paid for.

Any assignments that require printing, must be printed outside of school. Students are not permitted to print at school unless a note is provided by the parent indicating why this is necessary. Failure to present an assignment for any reason will result in some form of disciplinary action as determined by the teacher.

We discourage the bringing of outside, expensive, highly pilferable, electronic devices (cell phone, iPods, iPads, tablets, etc) to school, however we realize that some families see this as a necessity. In order to minimize distractions and not impede the learning process the following rules are in place:

1. Cell phones are not to be used on school grounds before school, during school or after school until the student is picked up by his/her responsible party (parent, grandparent, coach, etc.) This includes the time spent waiting for school to begin and the time spent after school waiting for pick up. If a student is caught with his/her cell phone out during these times and/or school hours, it will be confiscated, turned into the office and only returned to the parent.

2. Student in the lower grades (up to grade 5) must turn in their electronic devices (including cell phones) to their teacher at the beginning of the day. It will be returned to them at the end of the day. Should the student fail to do so, and the item becomes missing, St. John XXIII Catholic School bears no responsibility for said item.

3. Students in grades 6-8 may keep their electronic devices (including cell phones) in their backpacks in their lockers, however, they must be turned off and the locker must be locked. Should the student fail to lock their locker, and the item becomes missing, St. John XXIII Catholic School bears no responsibility for said item.

4. Students in grades 6-8 may use electronic readers at appropriate times during the school day, however, should they be caught using the reader for anything other than reading (games, texting, etc.) the device will be confiscated and the student will lose the privilege of having such a device for the remainder of the school year. The device will not be returned to the student; a parent must come in to pick up the device.

5. Smart watches are not permitted to be worn during the school day. Should a student bring one to school, he/she will be required to place it in his/her locker just as they would a cell phone.

6. Again, St. John XXIII Catholic School discourages the use of these items at school and assumes no responsibility should these items become lost or damaged during the school day.
ELIGIBILITY – GRADES 5-8

It is the purpose of the school to prepare students spiritually and academically for the future. A child’s courteous behavior as well as his/her efforts to maintain a “C” average are considered extremely important to his/her character formation and growth in self-discipline. We ask parents and coaches to discuss the following eligibility policy with their children and support our effort to help these young men and women learn to accept the consequences of their actions and mature into responsible citizens.

1. To be eligible to participate in extracurricular activities, a student must maintain a 2.0 overall grade average, a D- or above in all core subjects, and exhibit acceptable behavior at school. All subjects on the report card are included in the overall grade average and are weighted by the number of times the class meets each week. For example, math meets 5 times each week so will be weighted 5 times as much as music which only meets 1 time each week.

2. The grades of all participants in extracurricular activities are evaluated for eligibility at interim and report card time (approximately every 6 weeks). A point value is assigned to each interim and report card grade using the following scale, with the exception of advanced math which works on a 5.0 scale. The grades are then averaged.

A = 4  A- = 3.75  B+ = 3.5  B = 3  B- = 2.75  C+ = 2.5
C = 2  C- = 1.75  D+ = 1.5  D = 1  D- = .75  F = 0

3. Out-of-school suspension automatically results in two weeks of ineligibility effective the first day of suspension. The principal may, at his/her discretion, declare a student ineligible based on that student’s behavior at school. The length of the ineligibility period will be determined by the principal according to the circumstances considered.

4. If a student becomes ineligible, either because of grades or behavior, grades/behavior are then evaluated approximately every two weeks. The student’s updated grades are collected from the teachers and averaged again using the previously mentioned scale. If the student’s grade average is 2.0 or above, he/she immediately becomes eligible to participate in extracurricular activities and must attend at least two days of study tables each week. If the grade average is below 2.0, the student becomes ineligible for another 2 week period. The cycle repeats itself until the student becomes eligible or is no longer participating in any extracurricular activity. This gives the student every opportunity to improve and become eligible sooner. Please note that this does not “reset” at the beginning of each trimester. For the first 6 weeks of a new trimester where a student finished the previous trimester in ineligible status, a formula will be used to average the current trimester grades with the previous trimester grades.

5. If a student becomes ineligible because of his/her behavior, the principal will consult with the teachers. Evidence of consistent, good behavior will permit eligibility. Behavior will be reviewed as above, every two weeks.

6. Ineligibility results in the child being unable to practice with the group or participate in any games, competitions, meetings, projects or other scheduled activities during the ineligibility period. Students who are ineligible for sports will be required to attend after school study tables at least two times each week.

7. A school official notifies, at 2 week intervals, any extracurricular sponsors and the athletic director of any person’s ineligibility or renewed eligibility. This is done by telephone conversation and a follow-up letter. The athletic director in turn notifies coaches of a child’s ineligibility or renewed eligibility.

8. Ineligibility should come as no surprise to students or parents as grades are posted online to be reviewed at all times. The parents are notified of their child’s eligibility status by letter. Often they are notified first by telephone followed by the notification letter. Students are notified by the principal at school.

9. In order to participate in that day’s athletic event, a student must be present at school the day of the game. Students arriving after 9:00 a.m. on game day, or leaving early on game day may not participate in that day’s activity. This policy includes cheerleaders as well as players.
A student who is either expelled from St. John XXIII or withdrawn in lieu of expulsion will not be eligible to participate in any extracurricular activity sponsored by St. John XXIII or the Holy Family Athletic Board.

EXTRACURRICULAR ACTIVITIES
Within the school there are opportunities for Student Council, Choir, Safety Patrol, Art Club, Pen Prodigies, NJHS, Performing Arts Club, and Builders Club (affiliated with the Middletown Kiwanis Club). There are also Brownies, Girl Scouts, Cub Scouts, Boy Scouts, and more.

The Athletic teams at St. John XXIII are governed by the St. John XXIII Catholic School principal with an advisory board in place to assist with decision making. School policies on illness, eligibility, code of conduct, etc. must be adhered to remain a part of any athletic program sponsored by/affiliated with the school. The school also has an affiliation with the Falcon’s Lacrosse Club program which is a coed program. The girls’ teams include volleyball, cheerleading, basketball, soccer and track. The boys’ teams include football (including flag), soccer, basketball, lacrosse, and track.

Students who are not at school or leave school early due to ANY type of illness may not participate in extracurricular activities that day/evening. Should a student be ill or leave school on a Friday due to ANY type of illness, they are exempt from participating in school-sponsored events for that weekend unless clearance to participate is obtained from a physician and permission is granted by the school principal and the athletic director.

FEDERAL LUNCH SUBSIDY PROGRAM
Applications for this program are sent home at the beginning of each school year. Families whose incomes are below the prescribed federal level may qualify for free and reduced lunch prices.

FIELD TRIPS
Field trips are planned by teachers as an extension of the curriculum and are a privilege afforded to students. Students can be denied participation if they fail to meet classroom academic or behavioral requirements, have behaved inappropriately on a past field trip, or a signed permission form has not been returned.

Parent participation is encouraged and needed for field trips. All parents/chaperones must be VIRTUS trained (see “Volunteers” under the Parent Participation section) and in compliance with VIRTUS requirements. Parents must be approved at least three days (72 hours) prior to the field trip. Parents who sign up to chaperone and are not VIRTUS trained AND compliant three days prior to the field trip will not be approved and will NOT be permitted to attend that field trip. A chaperone’s responsibilities include monitoring the behavior of an assigned group and intervening if it becomes necessary. (Some suggestions for intervening are: sitting next to a student, walking next to or holding the hand of a student, or taking a student aside and speaking to them.) Please notify the teacher of any misconduct or dangerous behavior. Chaperones may not bring younger siblings along since their full attention is needed for this task.

While most field trips will require busing, on a rare occasion there may be a trip where traveling by car is a more viable option. While students are in the chaperone’s car, there should be no stopping, either coming or going from the field trip location, unless there is an emergency. All cars carrying students should stay together in each other's sight and preferably travel in caravan style. For safety reasons, students should not eat or drink while in the vehicle. Chaperones should not provide special treats for students in their care. All students need to come and go in the same vehicle unless the teacher has specified otherwise. When returning to school, please make sure the students are in the care of the teacher prior to departing.

A standard permission form releasing the school of any and all liability will be used for all field trips and will be distributed at the time of the trip. Failure to return said permission form by the date stated on the permission form will result in the student being unable to attend the trip.
FUNDRAISING
ALL families at St. John XXIII Catholic School are receiving tuition assistance as the cost to educate each student far exceeds the cost of any student’s tuition. We are able to provide this tuition assistance because of two things: the generosity of the parishioners of Holy Family AND our fundraising efforts. For this reason, we encourage you to support the parish and our fundraising efforts so that we may continue to offer a quality education at an affordable rate.
Fundraisers include, but are not limited to: The Festival at St. John XXIII, Kroger Community Rewards, 365 Lotto, Scrip Program, and Trivia Night.

HEALTH SERVICES/MEDICATION
1. Office Hours – The school nurse is available Monday through Friday between the hours of 8:00 A.M. and 2:30 P.M.

2. Medication
   • Whenever possible, medication should be administered before or after school. When it is necessary for school personnel to administer medication, these guidelines, mandated by Ohio Revised Code and Archdiocesan policy, are followed:
     a. The principal shall appoint a responsible person or persons to supervise the storing and assisting with administration of medication in the absence of the school nurse.
     b. Students must have a completed medical form on file to take any medicines at school. Non-prescription medicines may be administered only with a completed Non-Prescription Medication Authorization form. Cough drops are considered an over-the-counter medicine. A new form is required for each individual student each year. Prescription medicines may be administered only with a written prescription from a physician. The school nurse, the principal, and other designated office personnel are primarily responsible for administering medicines to students. At no time should any non-designated school employee provide medication like aspirin or Tylenol to a student who is complaining of not feeling well.
     c. Medications must be in the original container and have an affixed label including the student’s name, name of medication, dosage and route, (oral, nasal, etc) and time of administration.
     d. New permit forms must be submitted each school year, and as necessary, for changes in medication order.
     e. Parent/guardian must bring the medication to school. Medications cannot be transported by students.
     f. When the course of medication is complete, or at the end of the school year, the parent/guardian must pick up any remaining medication. If not picked up, it will be destroyed.

3. Emergency Medical Form – An emergency medical form must be completed/updated for each student by the parent/guardian via the student’s FACTS SIS account. This form must then be printed out and returned to school during the first week of the new school year. Copies of this form are kept by the nurse, office, teachers, and staff, and it supplies these professionals with adequate information regarding a child’s health conditions in case of an emergency at school. Should the information on this form change during the school year, please notify the nurse and office so that accurate information can be added to the form.

4. If your child is diagnosed with a medical condition that requires emergency medications, these medications must be supplied to the school. Noncompliance is reason for exclusion from school.

5. Accidents and First Aid – School personnel will take every precaution to avoid accidents or injury to any child. First aid is for immediate need of any slightly injured child. If serious injury occurs, parents/guardians will be notified immediately. Arrangements can then be made to take the child to the family doctor or dentist. If for any reason it is deemed in the best interest of the child, an
6. An ambulance will be called and the child transported to a hospital for observation and/or treatment. An accident report will be filled out by the nurse for each incident.

7. Health Records/Immunizations – The school nurse is responsible for maintenance of student health records. In compliance with the Ohio Department of Health, accurate medical records are kept on every student. A complete record of immunizations are kept on file in the nurse’s office. The nurse will contact parents/guardians if immunizations are not up to date. ALL students are required to be up to date on immunizations to attend St. John XXIII Catholic School – waivers for any reason are not accepted. State law requires that each student must have physician documentation on file by the fifteenth (15th) day of entry to school that (s)he has received or is in the process of receiving required immunizations. Noncompliance is reason for exclusion from school. Students with asthma or who use a rescue inhaler should have an asthma action plan on file. Students with seizure disorder need to have a Seizure Action Plan on file. Students with diabetes need to have a Diabetes Medical Management Plan on file.

8. Communicable disease – St. John XXIII Catholic School will follow the recommended guidelines from the Archdiocese of Cincinnati and the Ohio Department of Health regarding exclusion and admission of students with communicable diseases or infections known to be transmitted by any form of casual contact and considered a threat to others.

The Ohio Department of Health and Archdiocese of Cincinnati guidelines will also be followed regarding communicable diseases not known to be spread by casual contact, i.e. Hepatitis B, Human Immunodeficiency Virus, and other diseases. Decisions regarding such occurrences shall take into account Christian concern and compassion, community health and well being and individual confidentiality and needs.

Please notify the school nurse if your child is exposed to and/or contracts a contagious disease so the necessary precautions can be taken. If a child comes in contact with a contagious disease at school, the parent/guardian will be notified. All parents are requested to follow simple precautionary rules for the benefit of all our children. **DO NOT send your child to school if you think (s)he has been exposed to a contagious disease: call your doctor, then call the school.** Please keep your child at home if there is any doubt.

Please do not send a sick child to school. Children who have fevers over 100 degrees or are vomiting or have diarrhea will be sent home. Children must be fever free (**without the aid of medication**), vomit free, and/or diarrhea free for 24 hours before returning to school OR any school sponsored events/activities.

9. Students may not keep or transport any prescription or over-the-counter medication in their possession. State law does allow a student to carry a rescue inhaler and/or Epi-pen **only with a physician’s order on file in the nurse’s office.**

10. Students must have a doctor’s note to be excused from gym class. If the student misses gym class due to a medical reason, they are not permitted to practice or play in school sponsored after school events.

11. Students who are not at school or leave school early due to ANY type of illness may not participate in extracurricular activities that day/evening. Should a student be ill or leave school on a Friday due to ANY type of illness, they are exempt from participating in school-sponsored events for that weekend unless clearance to participate is obtained from a physician and permission is granted by the school principal and the athletic director.
ALLERGIES (SEVERE) AT SCHOOL
Food and latex allergies can be life threatening. Foods most likely to cause severe reactions include peanuts, tree nuts, dairy products, eggs, wheat and shellfish. Latex is used in the manufacture of many products, including some balloons, gym balls, and bandages.

St. John XXIII uses the following procedures to help reduce the risk of accidental exposure of an allergic child at school:

1. Completion of an Allergy Action Plan for each allergic child to be kept on file at school and updated yearly with current picture and parent and physician signatures.
2. Required emergency medications, such as epinephrine (EPI pens) must be made available at school with the required medication forms completed. Noncompliance is reason for exclusion from school.
3. Parent and child will conference with the classroom teacher and school nurse at the beginning of each school year. Specific plans will be made for each individual child, particularly with regard to classroom snacks.
4. Teachers and staff will receive instruction yearly on how to recognize an allergic reaction and what to do.
5. Cafeteria staff will have procedures in place to prevent any peanut butter from coming in contact with other foods, utensils or surfaces and thereby expose an allergic student. A peanut free zone will be available in the cafeteria and MUST be used unless a release of liability for students with allergy form is on file with the school office.
6. Only latex-free bandages and gloves will be used and distributed to teachers, staff and volunteers. Latex balloons will be prohibited from the classroom and in other areas where an allergic child may have contact. Latex gym equipment will not be used around a child with a latex allergy.
7. Parents will educate their child on managing his or her allergy at school.
8. Teachers will be instructed not to use peanut or tree nuts or their products in art or science lessons.
9. Care will be taken to include the child in school activities and no teasing of the allergic child will be tolerated.

INSTRUCTIONAL PROGRAM

Curriculum: St. John XXIII follows the Graded Courses of Studies put out by the Archdiocese of Cincinnati. These may be found on the Archdiocese of Cincinnati website under Resources for Educators.

Testing: The Iowa Test of Basic Skills will be given each year. Results will be shared with parents as soon as they are available. Additionally, AIMSWEB and STAR benchmark testing is administered three times each year in the fall, winter, and spring with results being shared with parents with report cards. For students in grades K-3, scoring below the 50%ile on these tests may qualify them for Title I services. For those students receiving the EdChoice Scholarship, proficiency testing is mandated by the state. These results will be shared with parents and reviewed by teachers to improve/adjust course work to better support student success.

Interim reports/report cards: Interim reports will be available for all students halfway through each trimester with hard copies being sent home with any student (4-8) who has a C- or lower or any student (K-3) who has a 1. Report cards will be sent home at the end of each trimester. Parents are required to sign and return the report card envelope with their student.

LATCHKEY
St. John XXIII Catholic School’s Latchkey Program was established to offer parents and students an opportunity for before and after-school care based on the same Christian values behavior code we live by during school hours. The program accepts children Kindergarten – 8th grade and is open from 6:30 – 7:45 A.M. and 2:45 – 6:00 P.M. only when school is in session. There is no Latchkey on snow days or early
dismissal days called by Middletown City Schools, however Latchkey will remain open at the regular time (6:30) in the event of a two hour delay.

Students attending the Latchkey Program are given an opportunity to work on their homework, do projects, play outdoors (weather permitting), play indoors, and make new friends.

Report cards will not be released to families owing a Latchkey balance.

**LIBRARY POLICIES**

The St. John XXIII Library is open from 7:45 am – 2:45 pm Tuesday through Friday. Students are given the opportunity for weekly visits to the library with their teachers. The library is a place of study and research, where reading is fun and encouraged, however, students are expected to conduct themselves in a quiet manner appropriate to the library.

Circulation Policies: Students in grades K-4 check out one library book per week. Students in grades 5-8 check out two books for a two-week period. Books must be returned to the library, or the classroom book bin, in order to be able to check out another book. REFERENCE books do not leave the library unless arranged by the librarian with the student’s teacher.

Overdue Notices: Students with two or more overdue items lose library privileges until overdue items are returned or replacement cost is paid. Year-end report cards will not be distributed to students who have overdue books, or replacement costs have not been paid for missing or damaged books.

Questioned Materials: Parental/Guardian concerns regarding library book content must be submitted in writing to the librarian, and include the title of the book, the author, and specific objections. The librarian will consult the principal regarding the review of the concern. Results of the review will be provided in writing.

Young Adult Fiction: Only students in grades 7 and 8 may check out books from the young adult fiction section. A permission slip must be on file to allow students in these grades to do so.

Accelerated Reading Tests: Students may take AR tests in the library if the librarian is present and has given the student permission to do so.

**LOCKERS/CUBBIES**

Each child in grades 3-8 will be assigned a locker. Students in grades 6-8 will also be assigned a lock for their locker (they may not bring a lock from home) which is to remain attached to the locker. Lockers for students in grades 6-8 must be locked at all times that the student is not retrieving or placing items into the locker. Students in grade 3-5 may not lock their lockers. Students in grades K-2 will share a cubby with another student.

**LOST AND FOUND**

Misplaced items will be brought to the office where they will be placed on the lost and found cart. Items will remain there until the end of the trimester at which time they will be donated or discarded, whichever is warranted. Parents are encouraged to put their names on all items of clothing which will be taken off at any point at school. Before donating or discarding any items, we will do everything within our power to return them to their rightful owner.

**LUNCH/CAFETERIA**

Appropriate manners are expected at all times, including in the cafeteria where appropriate table manners are expected.

Well-balanced, hot meals are prepared for our students each day through Preferred Meals. Lunch menus, which are approved by a nutritionist, are posted on the school’s website (www.stjohn23school.org) and on FACTS SIS.

A point of sale system is in place for the purchasing of lunch and milk. Parents MUST deposit money into their account via payfortit.net, a secure Online Payment system. By logging on to FACTS SIS, you can
easily set up an account, deposit money at your convenience into your child’s cafeteria account, set email reminders to notify you when your child’s account gets low, set up recurring payments for your child’s cafeteria account, check your child’s cafeteria account balance, and view an activity report so you can see what your child has ordered in the previous 30 days. Payments are NOT taken at school.

Students may buy a hot lunch or pack a lunch and buy milk. Students are not permitted to bring drinks with caffeine or carbonation. Due to potential food allergies, students are not permitted to share food or drink items at any time. Fast food or food from outside restaurants is not permitted. If packing your child’s lunch, you must pack all needed utensils as the cafeteria does not provide these.

While we welcome parents of all students to come to school and eat lunch, food from outside vendors (fast food, etc.) is not allowed to be brought to school at any time other than VIP day.

**Lunch Charge Policy**

If a student does not have lunch money or a lunch ticket, the point of sale system will allow them a credit up to $5.00 with an email being sent directly to the parent. Payment must be made prior to the student purchasing lunch again. Parents will be called to bring a lunch if there are insufficient funds in the student’s lunch account. Final report cards will not be distributed to students who have unpaid lunch charges.

Lunch Prices for this school year (grades K-4) are:
Lunch $3.25  Milk $0.50

Active participation is encouraged through planning, Mass Choir, singing, liturgical reading, performances, leading the petitions, or serving. Parents are welcome to join us to celebrate the liturgy with children.

**VOLUNTEERS** – Parent volunteers are an essential part of the school and are needed in areas such as the cafeteria, playground, library, room mom/dad, Fun Fest, fish fries, classroom aide, special projects, field trip chaperone, etc. Volunteering to help in the school, even one time, helps the education of your child!

All persons who plan to volunteer at St. John XXIII must attend the one-time, on-line Safe Parish Class, stay up to date on the quarterly Safe Parish bulletins, and submit an online background check through Selection.com (the link can be accessed through www.virtusonline.org). The cost of the online background check is $25.00. For step by step instructions, please contact the school office.

The Archdiocese requires our safe coordinator to check and approve all volunteers prior to all events requiring volunteers. Parents who sign up to volunteer/chaperone and are not VIRTUS trained OR compliant three days prior to the event will NOT be approved to volunteer at the event.

PARENT/SCHOOL COMMUNICATIONS
Open and frequent communication is a necessary component of the school-family relationship. Parents are urged to confer with their child’s teacher on a regular basis especially if they receive notice of academic deficiencies or conduct problems.

\textbf{Parent/Teacher Conferences}
Conferences are scheduled for all students the Monday of Thanksgiving Week. Information on how to schedule a conference will come home in late October/early November.

\textbf{Phone Contact}
The school office is open from 7:30 A.M. – 3:30 P.M. If parents wish to contact a teacher, they may call the school office at (513) 424-1196 where they will be directed to the teacher’s voice mail.

Students needing to contact a parent for a valid reason may be allowed to use a school phone. Students are not permitted to use cell phones to contact parents during school hours (7:30-3:00).

\textbf{Email Contact}
Teacher email addresses are available on the school website. Do not email time sensitive information such as changes in schedule or pick up after school. These changes are to be reported by calling the school office. Teachers/staff are busy during the school day teaching your child and will not check email until after school. Teachers/staff will make every effort to respond to emails and phone calls in a timely manner but within one school day.

It should be noted that expectations of civility in communications are the same for email and notes as for face-to-face communication. Respect for one another should be evident in tone and language, as well as content. Unfortunately, email or notes do not convey tone and affect and may cause the message to seem abrupt or confrontational when used in haste or anger. Therefore, issues of significant concern are best left to a personal meeting which the use of email, notes, or phone calls can facilitate.

\textbf{Parental Concerns}
Cooperation and communication between a parent and teacher is vital for the success of the child. Parents who have a concern should first bring the concern directly to the teacher through a phone call, or by scheduling a meeting with the teacher(s) involved. If a concern cannot be resolved successfully, parents are invited to make an appointment with the principal. Please afford us the opportunity to discuss the situation by scheduling an appointment when the proper amount of time can be given to the consideration of your concerns. We ask that you do not voice displeasure/disagreement/discontent about St. John XXIII Catholic School without first giving us the opportunity to resolve any issues that you may have.

\textbf{Newsletter}
A newsletter for parents is published weekly via e-mail by the school and posted on FACTS SIS. It contains information on current happenings in the school featuring individual children, grade
levels, or the total school. A monthly calendar of activities and hot lunch menu for the coming
month are attached to the last newsletter of a month. If a hard copy of these items is needed,
please contact the school office and we will arrange to have it sent home with your student.

**Emergency** – In the event of an emergency situation (lock-down, fire, bomb threat, weather event,
etc.) parents will be notified by text, email, or phone as soon as it is safe to do so. Please do NOT
try to contact or come to the school during these types of situations as it may jeopardize the
safety of the students, faculty, staff, and first responders.

**PROMOTION/RETENTION**
The final decision of the school regarding promotion is made by the administration and teacher and are
final. This decision to promote a student to the next grade or retain that child in the present grade is made
on an individual basis after consultation among parents/guardians, teachers, counselor and administration.
Students will be promoted to the next grade level upon successfully completing and receiving passing
grades in their subjects.

Students in grades K-3 may be retained if the child fails to acquire the standards and knowledge
necessary to be successful in the subsequent grade. These standards can be developmental or
academic. The intent to retain a student in these grades will be discussed with the parents by the
start of the third trimester.

Students in grades 4-8 who fail any core subject for the year will not be promoted and must attend
summer school at an Archdiocesan approved institution, through an approved online program, or
repeat the entire curriculum the following school year. It is the parents’ responsibility to see that
records from summer school reach the St. John XXIII school office by August 15. The Child’s
records will be updated to “promoted” if a passing grade is earned in the summer school class(es).
Students who fail more than one core subject will be handled on a case by case basis but may be
required to repeat the entire curriculum the following school year or find another educational
placement.

Students in Grade 8 who fail any major subject for the year will not be permitted to participate in
8th grade field day, the school field day, 8th grade awards, 8th grade graduation, or any other 8th
grade specific events that occur alongside graduation.

Again, it is our experience that most subject failures are due to missed and/or late work by the student.

Teachers will determine class placement for all students. We do not take parent requests for teachers/class
placement for incoming students or for students being promoted within the school.

**REPORT CARDS**
Report cards are issued every trimester to grades K – 8. They should be signed within one week of the
publish date. Failure to do so may result in a consequence for the student.

Students in grades K-3 will receive a standard’s based report card with a grade of 1 – limited progress
toward proficiency, 2 – progressing towards proficiency, 3 – frequently demonstrates proficiency, or 4 –
consistently demonstrates proficiency/mastery. Parents of students in these grades will receive more
information about this grading system on their curriculum night.

Parents/guardians of students in grades 4 – 8 can also monitor their child(ren)’s progress by using the
online grade program. Parents/guardians will receive information at the beginning of the school year on
how to access this program.

Final report cards will not be issued if there are any outstanding balances or unpaid fees.

The grade scale for grades 4 – 8 is as follows:
Interim Reports
Interim reports should be reviewed on your FACTS SIS account on the dates marked on your annual school calendar. If your student has below a C-, a hard copy will be printed for you to sign and return.

RIGHTS OF NON-CUSTODIAL PARENTS
Both parents have the right of access to a child’s grades and information unless one parent produces a legal (court certified) document to the contrary. The school will supply current grade information and other school-related communications such as school picture and field trip information, weekly newsletters, etc. to the non-custodial parent only upon receipt of a written request.
Changes in a child’s normal routine must be approved by the custodial parent/guardian. No child will be dismissed from school to the non-custodial parent without the written consent of the custodial parent/guardian.

SACRAMENTAL PROGRAM
Students in grade two will be given the opportunity to make their First Reconciliation and First Holy Communion. Students in grade eight will be given the opportunity to be confirmed. All sacraments are coordinated by Holy Family Parish.

SCHOOL SAFETY
- A safety plan approved by the State of Ohio and reviewed with local officials is in place.
- If at any time we need to implement our safety plan, protocols laid out in the plan will be strictly adhered to. Parents will be notified as conditions permit. Please do not call or come to school during these times as we cannot divert our attention away from the students. Our main priority is their safety.
- Should we need to evacuate the school and not be able to regain entry, the designated reunification location is Miami Middletown.
- Fire and Tornado Drills – Fire drills are conducted on a monthly basis. Students are instructed to walk quickly and in silence. Tornado drills are conducted in the spring. Students proceed to a designated shelter area in silence.
- Stay-put/Lockdown Drills – These drills are conducted at least twice a year to practice prompt and orderly safe positioning of students.
- School Bus Safety – Students must remain seated to keep aisles and exits clear. Food and drink are not permitted on the bus. Students may not put head or arms out the bus windows or throw objects from, on or at the bus.

SEARCH AND SEIZURE
Students have the right to privacy of their person and property and may not be searched without just cause or suspicion. Desks, lockers, and cubbies are the property of St. John XXIII and are subject to inspection by the principal or his/her designee in case of emergency or reasonable suspicion of a violation of the behavior code.

Items or materials considered disruptive to the educational process (cell phones, electronic devices, toys, etc.) or items possessed in violation of the behavior code (weapons, drugs, stolen property, lighters, etc.) will be confiscated by teachers and staff.

SERVICE PROJECTS
Classes will be grouped together to plan and provide schoolwide service projects. These projects will take place on campus with the teachers facilitating the operation of the service project.
SOCIAL MEDIA
All students and staff are required to sign a social media policy prior to the start of each school year. A copy of this policy is available on FACTS SIS and must be signed and returned at the beginning of each year.

STANDARDIZED TESTING
The Iowa Test of Basic Skills (achievement), and the CogAt test (ability), are given in the spring. Students in grades two through eight take these tests. Test results are mailed to parents/guardians. It is recommended that parents avoid scheduling appointments on Iowa/CogAt test dates.

STUDENT BEHAVIOR CODE
St. John XXIII’s mission calls for a school environment where it is imperative that everything we do be an appropriate and authentic expression of the teachings of Jesus Christ. To discipline is to teach – it is not a punishment or reward. It is also imperative that students have self-regulatory skills and follow the “unwritten rules of life.” Our mission leaves no room for any violent, disruptive, or inappropriate behavior. Regardless of intent, there should be no physical contact between students. We thank you for your support in keeping our students safe.

The infractions listed below are grouped into categories according to the seriousness of the offense. The listing is not intended to be exclusive or all-inclusive. All types of infractions may not be included, so modifications will be made, if necessary, at the discretion of the principal. In all instances, discretion of interpretation is left to the principal. The principal may modify consequences suggested whenever extenuating circumstances seem to be present in order that justice may be tempered with mercy, fairness, and understanding. **Detention/Discipline Notes (Gr. 3 – 8)**

Students will receive discipline notes for repeated offenses, an accumulation of 3 demerits in one trimester, or more serious violations of school rules. Each discipline note requires the student to serve after school detention(s), as a demerit does not. Detention is held on Tuesdays and Thursdays after school until 3:45 p.m. All discipline notes are to be signed by a parent/guardian and returned to the homeroom teacher the next school day.

An accumulation of 3 discipline notes/detentions in one trimester may require a parent conference. An accumulation of 5 discipline notes/detentions in one trimester may result in out-of-school suspension, withdrawal notification, or expulsion. Two suspensions in one school year may result in expulsion.

A signature on a demerit or discipline note does not indicate parent approval or disapproval of the circumstances surrounding the disciplinary actions. Parents/guardians will be contacted if the student fails to return a signed demerit or discipline note.

**Uniform Code Violations**

A demerit will be issued for non-compliance of the uniform policy. For 6th – 8th grade, an accumulation of three (3) uniform demerits in one trimester will result in mandatory after school detention. Uniform demerits do not carry over from trimester to trimester.

A mandatory conference with the parent(s), student, principal, school counselor, and in some cases the pastor must be held before the student will be readmitted to the school. At the option of the principal, the counseling program outlined in the following paragraph can also be required for a student to remain in the school.

Any student found using any illegal or unauthorized substance on school property or at a school-sponsored function will be suspended for up to ten days. A conference with the parent(s), student, principal, school counselor, and in some cases the pastor is mandatory for re-admittance. Counseling sessions must be from a certified local agency or from a private source, such as a licensed psychiatrist, psychologist, or certified counselor. Parent(s) must be involved in at least two of the sessions and documentation verifying student attendance for nine weeks must be submitted to the school by the local agency or private certified source.

Non-compliance with the above will necessitate immediate withdrawal of the student from school or expulsion. Any student found in possession of or using an illegal, unauthorized substance a second time will be formally withdrawn from the school or expelled.

Any student selling/trafficking illegal substances, even for the first time, will be formally withdrawn from school or expelled and the matter turned over to local authorities.

Teachers and other School staff who receive student or parent reports of suspected harassment, intimidation, or bullying shall promptly notify the principal or his/her designee of such reports. If the report is a formal, written complaint, such complaint shall be forwarded promptly to the principal or his/her designee. If the report is an informal complaint by a student that is received by a teacher or other staff member, he or she shall document the informal complaint and promptly forward it to the principal or his/her designee.

ii. In addition to addressing both informal and formal complaints, School personnel are encouraged to address the issue of harassment, intimidation, and bullying in other interactions with students. School personnel may find opportunities to educate students about harassment, intimidation, or bullying and help eliminate such prohibited behaviors through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student or individual, even if such conduct does not meet the formal definition of harassment, intimidation, or bullying set forth above.

b. Administrator Responsibilities

i. Investigation

1. The principal or his/her designee shall be promptly notified of any formal or informal complaint of suspected harassment, intimidation, or bullying. Under the direction of the principal or his/her designee, all such complaints shall be investigated promptly. The principal or his/her designee shall document the investigation, including any conversations with the alleged offender, victim, students, or other witnesses. Written statements may also be obtained from these individuals.

2. Notwithstanding the foregoing, when a student making an informal complaint has requested anonymity, the investigation of such complaint shall be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint (with or without discussing it with the alleged offender), subject to receipt of
further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

ii. Response

1. Verified acts of harassment, intimidation, or bullying shall result in an intervention by the principal or his/her designee. The intention of such intervention is to ensure that the prohibition against harassment, intimidation, and bullying is enforced, with the goal that any such prohibited behavior will end.

2. When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences, including suspension and expulsion. Anonymous complaints that are not otherwise verified, however, shall not be the basis for disciplinary action.

3. Harassment, intimidation, and bullying behavior can take many forms and can vary dramatically in seriousness and impact on the victim and other students. Accordingly, there is no one prescribed response or discipline to verified acts of harassment, intimidation, or bullying. The forms of discipline listed in this Handbook are guidelines, and the School may use other disciplinary measures as the situation warrants. The decision whether to impose discipline and, if so, to what extent, is left to the professional and educational discretion of the principal or his/her designee.

4. Once harassment, intimidation, or bullying has been verified, the principal or his/her designee should monitor the situation to determine whether there have been additional incidents of harassment, intimidation, or bullying, or retaliation from the offender or other parties. Additionally, the principal or his/her designee may inform School personnel of the incident and instruct them to monitor the victim and the offender for indications of harassing, intimidating, bullying, or retaliatory behavior. School personnel are to intervene when prohibited behaviors are witnessed.

iii. Reporting

1. Report to the Parent or Guardian of the Offender
   a. If after investigation, an act of harassment, intimidation, or bullying by a specific student is verified, the principal or his/her designee shall notify the Offender’s parent/guardian of that finding. The parent/guardian shall also be notified of any disciplinary consequences imposed against that student.

2. Report to the Parent or Guardian of the Victim
   a. If after investigation, an act of harassment, intimidation, or bullying against a specific student is verified, the principal or his/her designee shall notify the victim’s parent/guardian of such finding.

3. Police and Child Protective Services
   a. Allegations of criminal misconduct will be reported to law enforcement, and suspected child abuse will be reported to Child Protective Services, consistent with the Archdiocese Decree on Child Protection and Ohio law. All School personnel must cooperate with investigations by outside agencies.

6. Miscellaneous
   a. No discipline issued pursuant to any Handbook shall bind the School to issue the same, or even comparable, discipline to other students in the future. Nor will any form or extent of discipline be construed as a precedent for how discipline will be imposed moving forward. Rather, the School
reserves sole judgment and discretion in disciplining students based on the particular circumstances of each incident, including but not limited to the respective age(s) of the student(s) involved, the student(s)’ perceived maturity level, the conduct at issue, the student(s)’ attitude and degree of cooperation, the student(s)’ disciplinary history, and any other aggravating or mitigating circumstances the School deems present. Nothing in this section, or anywhere else in this Handbook, limits or otherwise constrains the School’s authority, discretion, judgment, or responsibility in any student disciplinary matters.

STUDENT DIRECTORY
The student management system maintains a student and family directory for those parents who “opt in” to have their information shared. No student/family personal information will be shared by the staff.

STUDENT RECORDS
Parents have the right to review their student’s records on request. This material is contained in the child’s cumulative record folder which contains grades, standardized test scores, attendance data, health data and documentation of serious behavior issues.

In the event of a divorce or separation, parents must supply a copy of the custody/visitation court order which will be kept in the child’s records. Changes relating to that decision must be kept current.

The parent with custody has the right to receive all report cards, interim reports and other school related information. If the non-custodial parent also requests these reports and information, they will be sent unless a legal decree does not allow this to occur. A copy of such legal decree must be provided to the school by the custodial parent.

STUDENT RETREATS
The grade eight students receiving the Sacrament of Confirmation will attend a confirmation retreat prior to the date of their confirmation.

At this time, next steps will be determined and may include another eight weeks of intervention or the beginning of testing by the psychologist.

Students who qualify for Special Education Services

- Should a student qualify for Special Education Services, an assigned psychologist from the student’s school district of residence or the Middletown City School District will complete an ETR. Once agreed upon by the special education team (psychologist, classroom teacher, intervention teacher, principal. Parent, and possibly speech) an intervention specialist from St. John XXIII Catholic School will write the student’s ISP/IEP (whichever is applicable for the student). The intervention specialist will provide the required intervention services in the intervention room. If speech services are required, the speech pathologist will provide these services in the speech room.

Quarterly IEP Progress Reporting

- For those students on an IEP, quarterly progress reports will be given to the principal by the intervention specialist and, if applicable, the speech pathologist. The principal is responsible for reporting progress to the state. At a minimum, parents will be notified of student progress at the middle and the end of the trimester via interim reports and report cards.

TECHNOLOGY

Technology is integrated into the curriculum in a teaching/reinforcement/enrichment/investigation approach. All students in grades K have computer time in the computer lab in their weekly schedules as well as access to computers in the classroom. Students in grades 1-5 are assigned one-to-one devices in their classrooms. Students in grade 6 – 8 are issued one-to-one devices which will travel with them at school and to and from school. They, along with their parents, will be required to sign and adhere to additional stipulations for using these devices. All teachers will regularly incorporate the use of technology into their curriculum.

Students in grades 6 – 8 are not permitted to print at school. Any assignment that is directed to be printed and turned in, must be printed outside of school. Failure to do so will result in disciplinary action by the assigning teacher.

The school library has a computerized card catalog and circulation system.

According to Archdiocesan policy, in order to have access to the internet at school, all students must have on file an Internet Acceptable Use Policy signed by the student and parent. This form must be signed annually and is sent home with students at the beginning of the school year. Please note that this policy states that disciplinary action may also be taken against those who use telecommunication devices (cell phones/texting, iPads, iPods, tablets, computers, etc.) to cause mental or physical distress to other members of the school community, whether these incidents take place on or off school property. Students will have several user names and passwords for different technology purposes regarding their education. Students may NEVER use another person’s username and password nor are they permitted to give their username and password to another person other than their parent or guardian. Failure to comply will result in disciplinary action.
St. John XXIII has a school website maintained by the technology coordinator and parent volunteers. The address of the school website is: http://www.stjohn23school.org.

**TEXTBOOKS**
Students assigned textbooks, books, and related materials must care for them as they are the property of St. John XXIII or loaned to the school through State or Federal programs. **All textbooks must be covered. A fine will be assessed for damaged books.** Students who lose a textbook or library book will be assessed the current replacement value. Non-payment of book fees will necessitate withholding of a student’s report card or permanent records. If a student withdraws from the school, all books and materials belonging to the school must be returned or the current value paid before permanent records are transferred to the new school. Designated students that require an “at-home” set of books, must have parents fill out and sign a form before the books can be taken. If any books are not returned by the specified date noted, the current replacement cost will need to be paid. Non-payment will result in the withholding of report cards and permanent records. Please note that the second set of consumable books are not permitted to be written in.

**TRANSFERS/CHANGE OF ADDRESS**
Any change of address, phone number and/or email address should be promptly reported to the school office. Sufficient notice should be given whenever possible on the occasion of a transfer from school. ALL records are sent by mail directly to the new school upon receipt of a written transfer of records request from the proper school authorities with the signature of the parent/guardian. Records for Bishop Fenwick High School for graduating eighth grade students are hand delivered by the school secretary at the end of the school year. No records will be transferred if there is a tuition balance, stewardship fundraising balance or unpaid fines.

**TRANSPORTATION CHANGE**
No child will be allowed to change his/her normal daily transportation routine without written permission from a parent/guardian. Necessary last-minute changes of transportation routine can be made by parents/guardians by calling the office before 2 P.M. This allows the office to notify your child’s teacher of the transportation change. Students who attend after school activities on a regular basis (Girl/Boy Scouts, etc.) will only need one signed note for the year. Please DO NOT email transportation changes!

**TUITION POLICY**

1. Tuition for the current students must be up-to-date in order to register your child(ren) for the next school year unless other arrangements have been discussed with the principal.
2. St. John XXIII contracts with a tuition management firm (FACTS) to collect tuition payments.
3. Through FACTS, parents have the option to pay tuition over 12 months or to pay in full with one payment.
4. If the choice is to pay tuition monthly, parents can choose to make all payments on either the 1st or 15th of each month beginning in June. These payments must be set up as ACH (automatic withdrawal) through FACTS.
5. If the choice is to pay tuition in full with one payment directly to the school without registering with FACTS, this payment must be received no later than May 30th. If the choice is to pay tuition in full with one payment directly to FACTS, parents can choose to make their payment either by the 1st or 15th of July.
6. If payment in full has not been received and parents have not enrolled in FACTS by August 1, the student’s registration will be revoked and their name will be removed from the class list.
7. St. John XXIII Catholic School does accept the EdChoice and EdChoice Expansion Scholarships. Parents apply for these scholarships directly to the state. The decision to award these scholarships is the responsibility of the State of Ohio with St. John XXIII Catholic School having no input on the decision to award or not award the scholarship.
The onus is on the parent to inquire about, obtain, and submit the paperwork by the required state deadlines.

8. Parents who are awarded an EdChoice Scholarship are still required to set up an account with FACTS. A student’s registration is not complete, and acceptance cannot be finalized without an active FACTS account.

9. If a student withdraws prior to the first day, all tuition payments made to date will be returned. If a student withdraws after school has been in session, all future tuition payments will be cancelled, however, any tuition paid to date will not be returned.

10. In the event that tuition payments are not made, parents may lose the ability to view our online student management system and interim/report cards may be held.

11. Continued non-payment of tuition for 3 months or a balance of $1,000 or more may result in withdrawal of the student from St. John XXIII Catholic School. **The principal has the right to lower these terms in the case of a parent with a history of falling behind on payments.**

12. Bishop Fenwick High School requires student records. No records will be transferred to any school if there is a tuition balance or unpaid fines.

13. Parents/guardians who refuse to settle their arrears tuition accounts will have their accounts assigned to our contracted collection service.

All families attending St. John XXIII Catholic School are receiving tuition assistance as it costs more to educate your child than the tuition we charge. The actual cost to educate a child at St. John XXIII is over $7,300.00. **St. John XXIII Catholic School is partially supported by Holy Family Parish whose subsidies are reflected in both the parishioner and non-parishioner tuition schedules listed above.** For Holy Family Parishioners, there is a multi-child discount of $200 for the second and each subsequent child.

USE OF SCHOOL GROUNDS

The use of the school grounds after school hours is prohibited unless permission has been granted by the principal. Some areas of the campus may be rented as long as the appropriate paperwork has been completed and a certificate of liability is on file with the school. For the safety of our St. John XXIII students, the playground is locked at all times when not in use by St. John XXIII staff/students.

VISITORS

We enjoy having visitors, however there are state laws regulating visits to schools for the safety of the children. All visitors including parents/guardians and relatives must report to the school office, sign in and wear a visitor’s badge while at school. For the safety of our students and staff, all outside doors are kept locked throughout the day. Entrance can be gained by using the buzzer at the main entrance (off University Blvd.) to call the office.

Unscheduled parent visits to the classroom or playground during the day or after school are not permitted. This includes going to the classroom to pick up your child or for an unscheduled conference with the teacher. If it is necessary to bring an item to school for a student (such as birthday treats, medicine, books, etc.) label it with the child’s name and homeroom and bring it to the office. We will make arrangements to get it to your student.

If you would like to have lunch with your student, we invite you to do so, however, food from outside vendors (fast food, etc.) is not permitted. Visitors may purchase lunch from our cafeteria (please send a note in the morning so that they know to prepare enough food) as long as your child’s POS account has enough money on it to cover the cost of your lunch. Visitors may also pack their lunches. Parents spending more than one hour per month in the school for any reason other than meetings with the teachers/administrators must be VIRTUS trained and background checked.

**Guidelines for Parental Visits to the Classrooms (Non-Volunteer)** - In order not to disrupt our primary responsibility, which is the education of children, the following guidelines must be followed:

1. Contact must be made with the principal via the teacher to request the visit.
2. Permission to visit will be granted for a specific day, time, and timeframe based on the reasoning in the request for the visit.
3. The visitor must check in with the office prior to the visit, and check out with the office at the scheduled completion time.
4. Siblings (older or younger) are not permitted to attend the visit.
5. The permission given is for a specific classroom/area. The visitor may not visit other classrooms/areas, wander the hallways, etc.
6. The visitor should not be a distraction to the class nor should they interfere with the teacher’s instruction, ask for a conference with the teacher during the visit, or engage with other students while in the classroom.
7. If the visitor has a concern about what is observed, he/she should inform the teacher at a later time via email or tell the principal.
8. For confidentiality purposes, the visitor may NOT inform other parents of what they observed or of what their children were doing.

**Meet the Teacher Night:** This casual evening is usually scheduled the week before the first day of school. Children are welcome to attend. Both the date and time of Meet the Teacher Night are included in the August Principal’s letter to parents/guardians. This evening is an opportunity for parents and their children to meet the teachers, see their child(ren)’s classroom, drop off school supplies and obtain required forms that must be completed each year.

**Curriculum Nights:** These informational meetings for parents only (no children) are scheduled early in the school year. Verbal and written information is presented by teachers regarding goals, objectives, classroom procedures, communication, and expectations.

**Open House:** Open House is held the Sunday of Catholic Schools Week, and is for prospective families only. Parents and children can visit the teachers and classrooms, and registration materials for the next school year will be available. Registration materials for current families will go home with the youngest/only child.

**VIP Day:** VIP day is held the Friday of Catholic Schools week. On this day, important people in the student’s lives (parents, grandparents, etc) may come to school and have lunch. Newsletter articles are due by noon on Tuesday. Notices/posters must not be placed anywhere inside or outside the school building without administration approval.

Awards will be given for a variety of academic reasons including, but not limited to, highest GPA in any given course, extreme effort, and honor roll. Additionally, awards may be given for citizenship, volunteerism, kindness, and compassion.

**Classroom Parties:** Classroom holiday parties are grade level specific and at the discretion of the teacher. The teachers will coordinate classroom parties with their homeroom parents. Any parent volunteering for a classroom party must be VIRTUS trained and compliant. Parties for individual students are not permitted.
