CLUB DONATES DICTIONARIES

A group of third graders received a special gift recently—the gift of words. The Rotary Club of Kingstree has continued its ongoing charitable donations in support of education with its annual donation of Merriam-Webster dictionaries to third-grade students at Greeleyville Primary School, Kenneth Gardner Leadership Academy, and Hemingway Elementary School.

The Rotary Dictionary Project is a nationwide effort to provide young students with their own dictionaries. Members of the Kingstree Rotary Club distributed the dictionaries to Williamsburg County School District third-grade students the week of January 16th.

Rotary members brought joy to the children's faces when they learned the book was theirs to keep making the project worthwhile.
