

Board Policy 6330: Professional Growth and Development

Status: Approved

Original Adopted Date: September 2025 | **Last Reviewed Date:** September 2025

The Board recognizes that training and study for administrators contribute to skill development necessary to better serve the needs of the District. Each year, the Superintendent should develop an administrative inservice program based upon the needs of the District, as well as the needs of individual administrators.

Administrative staff are encouraged to be members of and participate in professional associations which have as their purposes the upgrading of school administration and the continued improvement of education in general.
