Alone In A Crowd: The Loneliness Behind Tech Addiction

Tuesday, December 2nd
6:30 p.m.—8:00 p.m.

Location: Parish Hall

It is difficult to think that young children can have addictions, and even more difficult to realize that it is happening to children we know—even our own children.

Gain wisdom and the tools to fight this epidemic by joining us on the date and time above to hear Fr. Raymond Bueno and a panel of experts speak about tech addiction and how we can help our children, students, grandchildren, and other loved ones heal from this epidemic.
