PRINCIPAL'S CORNER

I hope you all had a wonderful holiday break with family and friends. It's so nice to have our school filled with children again! As the 2nd semester begins, please be aware that daily attendance is very important for our students. Research shows that poor attendance negatively affects a student's academic performance. Too many absences can cause your child to fall behind in school. We want students here every day, all day!

MORNING PROCEDURES

All parents dropping off students in vehicles in the mornings must come through the carpool line in the back of the school. The only vehicles allowed to enter the side parking lot are **Headstart** parents and **Buses**. Ensuring that no one gets hurt is the primary concern of the school staff, but it requires the participation of everyone, including parents.
