HHS Prom 2022: Time of Your Life

Hankinson's junior class hosted the junior/senior prom on Saturday, April 23. Prom attendants walked through St. Gerard's Nursing Home before attending their banquet at the community center. Grand march was held at the high school at 8 p.m. and was followed by the dance and then post prom, which was hosted by the junior parents.

April ROTARY STUDENT OF THE MONTH

Rex Roeder

Son of Randy & Jolene Roeder

Activities:

Day of Caring, Student Council

Awards & accomplishments:

Honor roll, Pirate Citizen of the Quarter, math awards

Future plans:

Pursue a degree in Diesel Technology at NDSCS through the Think Big Program through CAT

Counselor's Corner

Parents and Students:

It is hard to believe that the 2021-2022 school year is wrapping up in less 15 days! Springtime is always busy with sports and various activities. It is important to finish the year strong for all students but especially for the seniors!

Seniors, here is your last friendly reminder: I don't send final transcripts until after school is out. It is easier to stay caught up than to catch up. It is always a race to the finish so don't get lost in the dust! Be watching for orientation dates at the colleges. These days can be extremely helpful in setting you up to succeed your first year of college! Scholarships are starting to wrap up but always keep your eyes open as there is a lot of free money out there.

Juniors: If you would like to retake the ACT, go to www.myact.org, where you will also find test dates and registration deadlines. You will log in with the account we created in class. If you have questions, don't hesitate to stop by.

In addition to the classes already offered at SRCTC, we are excited to be able to add welding to the course offerings. Sophomores had the opportunity at the end of March to explore welding at NDSCS and each student was able to weld a rose. It's not about finding a career that you can make the most money in but finding what you are passionate about. If you love what you do, you don't work a day in your life.

One of the things that I have become passionate about is giving back to our community and teaching students the value of giving back. On Friday, April 29 the juniors and seniors went to Wahpeton to complete various service projects from working at the zoo, to helping at Bethel Church and helping at the Leach home in the morning. The afternoon was spent bowling with some of the residents from Red River Human Service Center in Wahpeton. Unfortunately that day the weather did not cooperate and we had to postpone the service projects for grades 7-10 in Hankinson.

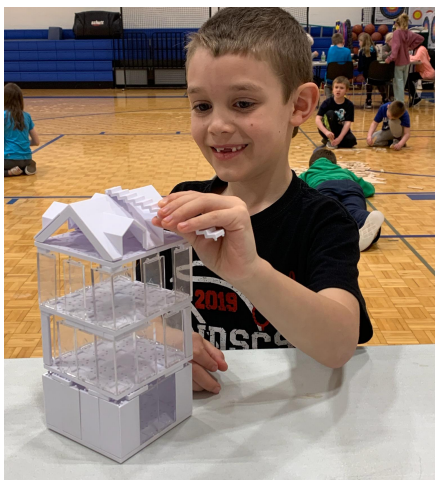

"At the end of the day, it's not about what you have or even what you've accomplished. It's about who you've lifted up, Who you've made better. It's about what you've given back."
Denzel Washington

Empowering Success: Every Student, Every Opportunity, Every Day

Elementary Hosts STEMzone Day

North Dakota's Gateway to Science on the Go brought hands-on STEM activities to Hankinson Elementary School students on Friday, April 1. Community volunteers helped facilitate the activities for the afternoon and each grade was given an hour to explore the various STEM modules.

Music Department Stars at Region 1 Contest

The Region 1 Small Group competition was held on Saturday, April 9 at Hankinson High School. Mrs. Friskop had 38 combined solo and small group performances for that day. Of these performances, 14 received a star rating, which advanced their group to the state competition on May 7 in Minot. Hankinson also had a vocal ensemble of twelve girls performing "On Rising Wind" that was recognized as an Outstanding Performance.

4th Grade Helps With Food Bank Delivery

Mrs. Monilaws's fourth grade students helped with the April delivery from the Great Plains Food Bank. The food bank delivers to Hankinson four times per year, and Hankinson Elementary School's fourth, fifth, and sixth graders have helped with deliveries this school year. Each delivery from the food bank brings sixty units of dry goods as well as fresh fruits and vegetables to any community members in need.

Hankinson Hosts Mathcounts Competition

Hankinson hosted a Mathcounts competition on Friday, April 29. The competition involved 47 junior high students from Breckenridge, Wyndmere, Lidgerwood, and Hankinson. Hankinson students claimed three of the twelve individual awards and one team award.

8TH GRADE MATH

- Third Place: Olivia Koehler
- Fourth Place: Grace Anderson
- Team First Place: Olivia Koehler, Grace Anderson, and Parker Falk

7TH GRADE MATH

- Sixth Place: Henry VonBank

Mathletes Compete at NSU and NDSCS

The 67th annual Northern State University Mathematics Competition was held on Wednesday, April 20. Approximately 450 students competed in four separate divisions: 9th Grade Elementary Algebra, 10th Grade Geometry, 11th Grade Advanced Algebra, and 12th Grade Senior Math with approximately 110 students from North and South Dakota competing in each division.

Hankinson brought home eight awards.

SENIOR MATH

- First Place: Emma Kratcha
- Honorable Mention: Elizabeth Sherbrooke, Calvin Loewen, and Sadie Keller

ADVANCED ALGEBRA

- Fifth Place: Rex Roeder

GEOMETRY

- Second Place: Gavin Kratcha
- Honorable Mention: Logan Falk

ELEMENTARY ALGEBRA

- First Place: Zach Clark

Hankinson's math team was crowned the champions of the Northern State Mathematics Competition with the highest overall school score and will receive a traveling trophy to display in the school.

Mr. Skjoiten's trigonometry class traveled to NDSCS to compete in the TrigStar competition on Wednesday, May 4. This competition is sponsored by the National Society of Professional Surveyors. At the competition Sadie Keller and Calvin Loewen tied for second place.

Twenty-one Hankinson students competed in the Northern State Mathematics Competition. Seniors Emma Kratcha, Sadie Keller, Jace Steffens, Calvin Loewen, Savannah Falk, and Elizabeth Sherbrooke; Juniors Jaycee Brown, Tony Veit, Rex Roeder, and Cruz Hernandez; Sophomores Elise Elliot, Hannah Lingen, Oaklee Medenwaldt, Gavin Kratcha, Parker Hubrig, Logan Falk, and Cooper Boll; Freshmen Matthew Bladow, Andrew Jean, Zachary Clark, and Denver Nelson.
