a) Bylaws

- Everyone received a copy of the Bylaws to take home and review.

b) PBIS

- Our store opened today for 2nd grade. It went well, but we are going to encourage teachers to “bundle” bucks into 5 or 10 to speed up the process. We may also have boys shop on Monday and girls on Tuesday or have grade levels shop by teams so there are not as many students waiting in line at one time.
- Our first celebration went well. It was decided that students that did not earn enough points, as well as students who attended ISS or OSS during the 9 weeks, did not get to attend the celebration.
- Administrators and PBIS team identified a subpopulation of students that did not get to attend the celebration. To

- encourage these students next time, administrators are going to hold a lunch bunch to encourage these students to follow the Panda Expectations. When the counselor returns, she may also use the Zones of Regulation curriculum with these students during PAW time to encourage following the Panda Expectations.
- c) PTO Trunk or Treat
 - PTO's goal this year is to offer low-cost events and activities in order to encourage more family involvement.
 - d) Map Testing Comparison
 - Scores seem to be improving this year. Students will be assessed again mid-year.
 - e) TVs for the School
 - Several TVs have been donated to the school. We are hoping to hang one in each of the hallways to scroll with announcements. We have talked with Mr. Trent and are working on ordering the software for the TVs.
 - f) Thanksgiving Lunch
 - PreK and 2nd grade families are being invited to eat with their students for Thanksgiving lunch.
 - Kindergarten and 1st grade parents will be invited to the Holiday lunch in December.
