

Sunshine Squad News

September 26th
September 30th

Upcoming events

- * Summative Assessments this week!
- * Books are due, and bookmarks will be checked every Thursday in Library. Bookmark is to be turned in 9/29/22

Notes from the teacher:

✓ **Free Tutoring!** Students have access to free online live tutoring. The program is called **Paper** and can be accessed through Clever. They have the option to chat with someone live or submit written work to be reviewed. Parents can email parents@paper.co with any questions or concerns.

✓ Parents we need your **help!** We are asking that you speak with your child regarding their behaviors. The last two weeks there have been continued disruptive behaviors in our classrooms. Consequences for behavior are as follows:

- 1st offense – warning
- 2nd offense – checkmark
- After 3 checkmarks – silent lunch
- 4th checkmark – no recess
- 5 or more checkmarks – office write up

✓ Please check yellow folders daily. Newsletters go home every Monday and ELA homework goes home on Fridays.
