

## Academic Eligibility Notice

Date: \_\_\_\_\_

*The Eligibility policy states that a student must have a minimum of a 2.0 GPA and be passing 5 classes with 1 or fewer failing grades.*

Currently, \_\_\_\_\_ has a \_\_\_\_\_ GPA and is failing \_\_\_\_\_ classes which places him/her at **Step 1** \_\_\_\_\_, **Step 2** \_\_\_\_\_, **Step 3** \_\_\_\_\_ of the Academic Eligibility Requirements. As stated in the policy:

- A student at **Step 1** has two weeks to raise their grades while continuing to practice and participate in games and attend all school events. Students should take this opportunity to contact their teachers and find out what they need to do to raise their grade;
- A student at **Step 2** has an additional two weeks to continue to raise their grades while participating in practices but they may not participate in games or school events. Students need to continue to seek the help of their teachers so that they may continue to enjoy being involved in school events;
- A student at **Step 3** is no longer eligible to participate in any extra-curricular activities.

Grades need to be raised by \_\_\_\_\_ to continue participating in extra-curricular activities with no restrictions.

If you have questions about grades please contact the teachers directly at (503)728-2146.

Thank you,

The Staff at CMHS
