As a parent, I will:

- ensure my child is prepared for learning by making sure he/she receives adequate sleep, proper nutrition and maintains a good attendance record.
- communicate with my child's teacher by removing materials in the take home folder on a daily basis, returning necessary materials/forms in a timely manner, and reviewing homework, report cards, agenda books, and other progress reports.
- try to make arrangements to enable my child to attend tutoring when requested, and contact my child's teacher or district with any concerns regarding my child's education.
- establish a set time for completing homework each day, which includes providing an appropriate space away from conflicting situations, and promote positive use of my child's extracurricular time.
- to the extent possible, volunteer in my child's classroom and participate in Title I and PTO events and meetings.
