1	Not single out gifted kids! Just because my child is not in gifted does not mean he is not smart!	2/9/2023 8:28 PM
2	Happy with the education	2/6/2023 12:43 PM
3	Get a new Administrator for Discipline. Multiple times this year my child has come to teachers and administration with reports of feeling unsafe and threats made against her, and nothing happens. Instead they continue to escalate. My child has had more issues in the school in 1 year than 7 at KCES. It makes you feel helpless as a parent, when your child's concerns fall on deaf administration ears. Then the child becomes a target for the useless administration when the parent steps in and still NOTHING is done. I wish virtual school was a viable option, because this school is the WORST.	2/3/2023 8:05 PM
4	Perry Middle is a great school and I appreciate the many people to make that happen!	2/3/2023 10:03 AM
5	Communication is great! Love Dojo! Mrs. Paige has been an excellent addition to the Perry team and has been extremely helpful on multiple occasions this year!	2/2/2023 2:27 PM
6	Our children should not be learning critical race theory, gender studies, or about different types of relationships, etc. Remove any flags other than the official flag of the United States of America. Teachers should not be discussing their personal lives or relationships with our children. Adhere to a traditional education plan.	2/2/2023 8:28 AM
7	The school schedule is rigorous. It would be great if there were a few minutes at the end of a day for the students to relax for a second and talk with their friends. I'm all for staying on schedule and making the most of the school day but it would be nice if the students had a little time to connect with friends, too. Thanks!	2/2/2023 8:10 AM
