

March 20, 2026

Dear St. Anne Families,

As we approach the final full week of March, we are also reminded that Easter is only fifteen days away. During this Lenten season, we continue to help our students prepare their hearts and minds for the joy of Easter through prayer, reflection, and opportunities to grow in their faith.

To help our students prepare spiritually, several priests will be visiting St. Anne Parish to hear student confessions on Tuesday, March 24. The Sacrament of Reconciliation is a beautiful part of our Lenten journey, and we are grateful that our students will have this opportunity to reflect, pray, and experience God's forgiveness as we prepare for Easter.

We are also pleased to welcome Timothy Danaher, OP, who will be speaking with our students on Monday, March 23 about the importance of vocations and listening for God's call in our lives. Father Danaher currently serves as chaplain at Dartmouth College in New Hampshire, and we are thankful for the time he will spend sharing his experiences and encouraging our students to think about how they can serve God and others.

Father Danaher will also be leading a three-day Parish Mission at St. Anne Parish from Sunday, March 22 through Tuesday, March 24, 2026, beginning each evening at 7:00 p.m. The theme of the mission is: "Blessed Are the Poor in Spirit: Lessons in Humility and Holiness."

We would also like to extend a heartfelt thank you to Tessa Houston, Danielle Farole, Amanda Brown, Julie Weaver, Jenna Steinruck and Erin Doolittle for the countless hours of time, planning, and dedication they gave to organizing this year's St. Anne Tricky Tray. Events like this require an incredible amount of behind-the-scenes work, and we are so grateful for their leadership and commitment to our school community. Congratulations to all of the lucky winners, and thank you to everyone who attended, donated items, volunteered their time, and supported the event in any way. Your generosity and enthusiasm continue to make our school community such a special place.

Thank you for your continued support of our school and parish community. Together, we help guide our students to grow not only academically but also spiritually during this important season of the Church year.

Together in faith and learning,

Dr. Fries
