November 22, 2021

Dear Parents,

We know that families may take the opportunity to visit family during the Thanksgiving break. We would like to suggest that families meet together with the persons they live with. However, we know some families will continue to meet other families outside their household, so the strategies below will provide another layer of protection for our staff, students and families.

To ensure the safety of students and teachers, we are having the week after Thanksgiving (November 29- December 3) where all students will work remotely. Students will still be **required** to engage in their weekly lessons, complete their assignment and check in with teachers everyday. This is **not** an additional week of vacation, nor opportunities to travel. (Please see the calendars on the back.)

Remember the second quarter ends in 15 days after Thanksgiving. Please take this opportunity to complete work so it can be graded and ready to be posted by December 17, 2021.

We are also suggesting a similar strategy for the week after Christmas. The week of December 27- December 31, 2021 it would be a good time to quarantine from the Christmas festivities. Then, classes will resume January 3, 2021. (Please see the calendars on the back.)

As a reminder, please do not send a sick child to school.

Have a wonderful and safe holiday,

Cheryl Grass and Marlita Haviland
