February's Issue 2024

PRINCIPAL'S POST

It is important to me to build community and relationships between myself and families. Creating a positive and supportive educational environment contributes to the overall success and well-being of students while fostering a sense of unity and shared responsibility within the school community. I would like to invite parents/guardians to the first Coffee with The Principal February 23rd (please see the attached flyer). This is an informal event to enjoy a cup of coffee or tea and get to know what families value here at Havasupai Elementary.

Per new Arizona regulations, you now have until your child's 12th birthday to get their 11 year old shots.

I always have New Backpacks and Water Bottles for any kids that need one, please don't hesitate to ask myself or the office!
