[Rev. Franklin Graham is calling on Americans to remember the extraordinary turn toward faith that followed the 9/11 terrorist attacks and to "turn back" to God](#) as the nation marks 25 years since the day that changed the world forever.

"[September 11](#) is a day I'll never forget," Graham, president and CEO of the Billy Graham Evangelistic Association (BGEA) and Samaritan's Purse, told Fox News Digital.

"It's impossible to describe the tremendous amount of pain that I witnessed at Ground Zero in the aftermath. There were so many who were in shock and grieving," he added. "It is still hard to fathom the depths of evil that caused so much destruction."

[A warning about Netflix](#)

One Million Moms, a Christian conservative family organization, says the ratings that the streaming platform uses do not clearly reflect the content of the shows. OMM says "Children should not be exposed to this inappropriate content, and Netflix seems to be hoping parents are not paying attention." Moms and dads are being encouraged to keep a close eye on what their kids are looking at on streaming platforms and don't blindly trust the ratings.

[Spiritual Awakening Is Happening in One of the Most Secular Nations on Earth](#)

STOCKHOLM – The sight of young men cheering wildly and jumping up and down in their bathing trunks after a lake baptism is a sight one might never have seen in Sweden years ago. However, a mighty move of God is underway in what has long been seen as one of the least religious nations on earth.

[Former Secret Service Agent Recalls 9/11 Survival, Service, and Faith at Ground Zero](#)

Former Secret Service agent Darin Kinder is sharing his deeply personal account of what he witnessed at the World Trade Center on September 11, 2001 — a day that changed his life forever.

Kinder was a young Secret Service agent assigned to the World Trade Center field office when the attacks began. He remembers the morning as calm and beautiful before everything changed in an instant.

[We are debtors, to proclaim the Gospel by the electronic media, as trustees of our stations. God has given us influence beyond anything our natural abilities or personal goals would suggest.](#)

Highlights from Letters to Power 88

"The first time I heard Power 88 was in my senior year of high school. I was on my way to school one morning and heard a song by Mark Schultz, "I Am the Way." It was his first release. That's what got me hooked on Power 88. I had been a Christian for about 2-years, but I thought Christian music was boring until I found your station!"
